TEMPLE DEDICATION.

Names and Appointments of Members to Give the Address of the Saints of the different States of Zion.

Following is a statement of appointments of the times when the saints of the several stakes of Zion will be admitted to witness the dedication of the Temple of the Lord in Salt Lake City; also the statements as to the numbers of people to be admitted at the different sessions.

This arrangement is based on reports received from the Presidents of stakes, and has been made with a view to, so far as practicable, suit the convenience of the whole people.

If additions to the numbers already at hand are hereafter reported, such extra contingents will be placed at the foot of the list. This must necessarily be done in case of this nature, as additions could not be introduced into the body of the program without deranging the whole plan. The apportionments are based numerically upon the capacity of the Assembly Room of the Temple.
