THE MOST PERFECT .- The housekeepers of America very generally know DEMAINING in the Post Office at SaltLake | Dr. Price's Cream Baking Powder and Special Flavorings. They are beyond all question the best and most perfect of anything for the purpose in the market, and are now having the largest sale. A million families use them constantly, and the housewife who has used them once will never be without them. Grocers and dealers can supply you.

> In another co'umn will be found an advertisement of Mr. William Harrison, stove dealer, tinner, etc. He is an enterprising business man and thoroughly practical in his line. No house in town sells cheaper than he does. His being a workman conversant with the business gives him a special advantage, and having had a large stock arrive before the late rise in the U. P. railroad freight tariff, he is enabled to put his goods at a figure that cannnot fail to suit purchasers. Intending buyers should call on him.

TO THE LADIES OF UTAH.

MRS. JOSEPH BULL respectfully informs the Ladies of Utah that she still teaches the Art of Cutting all kinds of Garments by the celebrated CURTIS FIRST PRE- CHARTER MIUM MATHEMATICAL MOD-ELS. Any article of Wearing Apparel for Ladies, Gentlemen and Children can be shaped in a few minutes. There will be no alteringno taking up or letting out, which not only injures the material but destroys the proportions and often ruins the garment. Unquestionable testimony can be given that they will do all that is promised. Terms moderate. Residence, 17th Ward, near Union Square.
