

ALIO NOT ALONE IN PLOT TO KILL

Six Other Italians Have Been Arrested in Various Parts of The Country.

LETTERS ALSO MADE PUBLIC.

Scribed Note to Son of Murderer Reveals Plans and Action by Police Quickly Followed Discovery.

Denver, Colo., Feb. 28.—Chief of Police Michael Delaney said this afternoon that a letter written by Giuseppe Alio to his son was found in the cell occupied by him while in jail at Colorado Springs, contained proof that men in six cities in the United States were connected with him in the killing of Father Leo.

Almost at the moment he made his statement came news that six arrests had been made in eastern cities of men suspected of being accomplices of the murder.

SIX OTHERS ARRESTED.

J. Vanni was arrested in New York today, charged with being the chief of the society, while in Pittsburgh Orestes Sodi, Tomasso Calabrest, Orestes Malaval and Mallo Tolmei were locked up for being implicated as members of the society. The police of New York and Pittsburgh say they have evidence which connects these men with the killing of Father Leo.

Arrests have been made in four other cities, but because the police of these cities are shadowing other men no information is given out as to who the arrested men are.

Chief Delaney said today that he was not sure whether Alio was merely a tool of the anti-clerical society, to which he said all these men belong, or whether he was the ringleader.

LETTER REVEALED PLOT.

The letter addressed to Alio's son in Sicily was found concealed in the blankets on the cot in which Alio slept while in jail at Colorado Springs. Its contents, translated, it is asserted, indicate that Father Leo was the victim of a plot hatched outside of Denver, and that Alio came here to commit the murder, which was to be the signal for others. Until all the arrests have been made which he contemplates, Chief Delaney said he would not give out the particulars of the case.

The interests of the police department, he said, "absolutely require that the letter be not made public at this time. All I can say at this time is that men in six cities have now become involved in this affair."

Corresponding with the police departments in these six cities, I will further say that I consider Alio one of the smartest criminals in the world today."

WILL PLEAD INSANITY.

That insanity will be the only plea offered in defense of Alio was the positive statement of Baron G. Tosti, Italian consul, who in company with ex-consul Cortie and Atty. Widdicombe, visited the prisoner in the jail today. Baron Tosti, who is a physician, surgeon and recognized authority on diseases of the brain and nerves, said after the interview with the prisoner that it was his firm opinion that the man was insane, but just what form of insanity to plead is still an open question. The consul intends to consult with well known alienists regarding Alio's condition.

"I found the man very much distressed," he said, "and he wanted me to write to his wife and two children, who live in Pachino, Sicily, and tell them of his crime and predicament. I did not find him greatly excited and do not believe he fully realizes the enormity of his crime or the possible punishment.

LOW DOWN IN THE SCALE.

"His is a very low order of intelligence, and it takes mighty little of the hardships of life to unsettle the mind of such a man. The man has surely suffered greatly. I do not believe he wants there to kill any particular person."

HE CALLED ON MY PREDECESSOR, GEN.

TO STOP USE OF BOYS AS SPECIAL MESSENGERS

Washington, Feb. 28.—Postmaster General Meyer is of the opinion that it is prejudicial to the welfare of "Young America" to employ him as a special delivery messenger in the postal service and has issued an order to the effect that whenever a vacancy occurs in the force of special delivery messengers the position shall not be filled and that sub-letter carriers and clerks shall be employed to effect special delivery. He states that these messenger boys are called upon frequently to visit long distances late at night in lonely outlying sections of the great cities, falling to make deliveries at times through fear or weariness. The object of the order is to bring about the gradual discontinuance of the service of these juvenile messengers.

Special delivery messengers have been employed since 1885, and at present there are 2,505 engaged at 189 post-offices. In New York substitute carriers have delivered mail by special delivery messenger for a number of years and in Boston only 37 boys are employed.

RANCHER SHOT FROM AMBUSH.

Clayton, N. M., Feb. 28.—Caldio Garcia, a wealthy stock grower, was shot and almost instantly killed from ambush yesterday afternoon. The shooting occurred on the public road.

Louis Sanchez, a neighbor of Garcia, has been taken into custody on suspicion of knowing who committed the murder. It is said there was an old family feud between the Sanchez and Garcia families.

PROMOTER CONVICTED.

Chicago, Feb. 28.—John Stirling, a disbarred Chicago lawyer, who with several associates was indicted several months ago on a charge of having used the mails to defraud promoters of business enterprises, was convicted tonight in the federal court.

WILL PERMIT USE OF PRESERVATIVES IN FOOD

Washington, Feb. 28.—The use in small quantities of benzoate of soda and sulphur dioxide as food preservatives will be permitted pending the formal action of the referee board of consulting scientific experts, according to an order issued today by the department of agriculture. The decision follows:

"The question of the addition to food of minute quantities of benzoate of soda and of sulphur dioxide has been certified immediately by the secretary of agriculture to the referee board of consulting scientific experts."

"Pending the determination by the referee board of the wholesomeness or unwholesomeness of these substances, their use will be allowed under the following restrictions:

"Benzoate of soda, in quantities not exceeding one-tenth of one per cent may be added to those foods in which generally heretofore it has been used. The addition of benzoate of soda shall be plainly stamped upon

Corte, when he first reached the city in December, and it might just as well have been Corte who was killed as Father Leo. The only thing was that the murderous mood was on Alio at the time.

SECRECY MAINTAINED.

New York, Feb. 28.—The police were not prepared tonight to admit that they had arrested J. Vanni or any other alleged accomplices of Giuseppe Alio, the murderer of Father Leo of Denver. It was intimated that any action taken here in connection with the case would be guarded from publicity until the purpose of the authorities had been accomplished.

OPINIONS ARE DISSENTING ON NINE HOUR PROVISION

Washington, Feb. 28.—When the hearing before the interstate commerce commission on the application for an extension for the nine-hour law was resumed today, Hilary A. Herbert, former secretary of the navy, made an argument in behalf of the Seaboard Air Line. He contended that owing to the financial condition of the road, it could not comply with the law without embarrassing it in its operating expenses.

Mr. Dillard, representing the Union Pacific, having stated that it would be impossible for his line at various remote stations to supply accommodations to a third operator.

H. B. Pezham, president of the Order of Railway Telegraphers, stated that he had received information from points along the Union Pacific that it was entirely possible for the extra operator to be provided with the accommodations named by Mr. Dillard.

E. L. Stump, general chairman of the Union Pacific Telegraphers, also stated that accommodations could be furnished.

BOB CATS AND CATAMOUNTS KEEPING QUAKERS UNEASY

Huntington, Pa., Feb. 28.—Extreme cold and deep snow have caused the more timid animals in this vicinity to become exceedingly dangerous. Bears, wildcats and catamounts, driven down the mountains, are devastating the farmers' stock and in several instances have attacked people.

Last night Sergt. Russell R. Henry, a veteran of the Civil war, who resides five miles from this city, left here for his home, his route being along the base of Terrace mountain. Within a mile of his destination he was savagely attacked by a large catamount, borne to the ground and momentarily rendered insensible. A foxhound, which accompanied Henry, gave battle to the catamount until Henry recovered, when he succeeded in drawing a pocket knife. A furious struggle between the man and dog and starving beast followed, in which the dog was killed and Mr. Henry received serious wounds. A neighbor later found Henry unconscious from loss of blood. Today the body of the catamount was found.

Explosion at La Rosita Mine Worse Than First Reported.

Monterey, Mexico, Feb. 28.—A special dispatch from Musquiz to the News says:

Details of the explosion in the La Rosita mine near San Juan de Sabinas, mention of which was made in yesterday's dispatches, were received today and indicate that the explosion was more disastrous than at first believed. Seventy-six men were killed by the explosion. The explosion occurred a few minutes before 6 o'clock in the morning, just as preparations were being made to change shifts.

MORSE'S REQUEST DENIED.

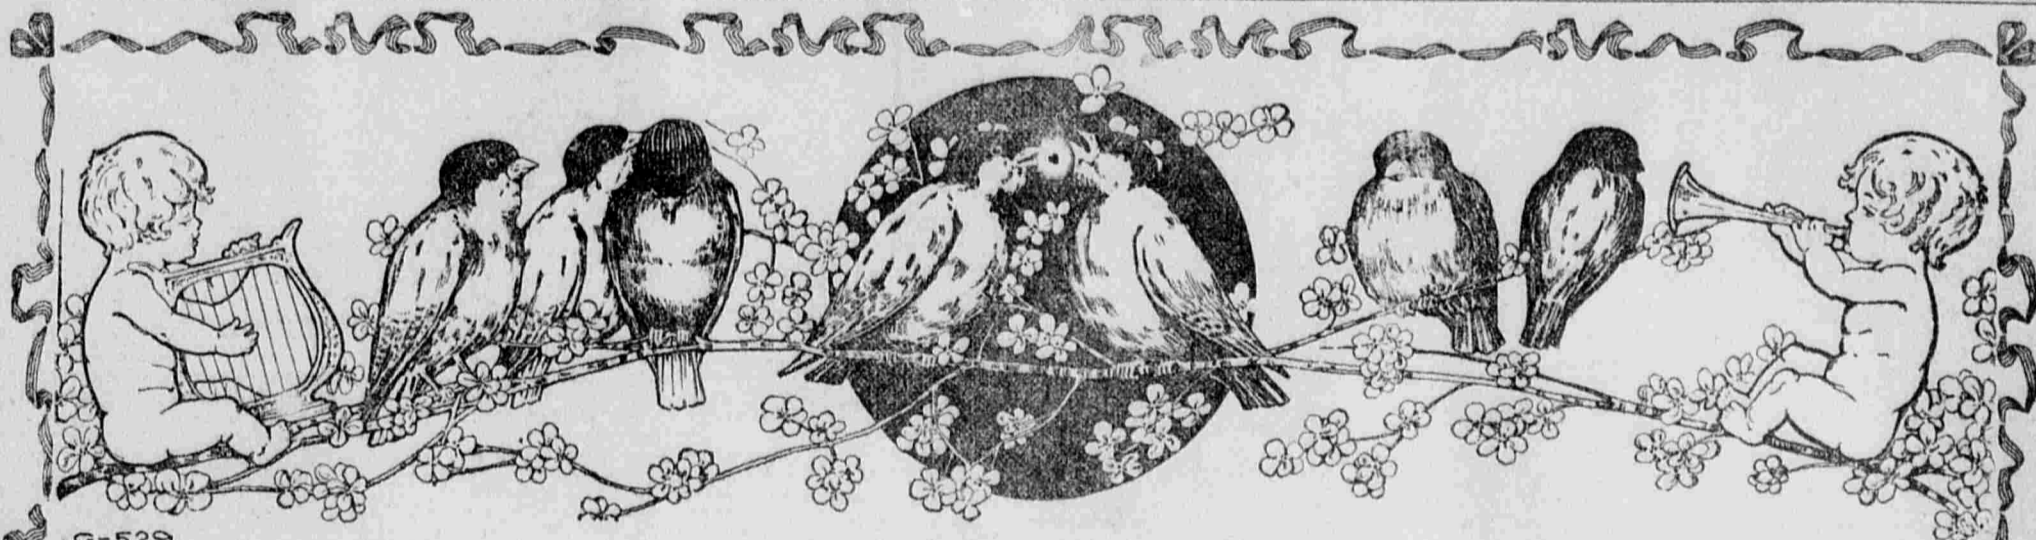

New York, Feb. 28.—Charles W. Morse will not be permitted to in-

terfere with the minutes of the grand jury which recently returned indictments against him in the banking cases. A motion for such permission was denied by Justice Dowling today. Mr. Morse, in his motion, declared that he had had been assured by every person who had testified before the grand jury in the investigation in which he was involved that they had given no testimony on which indictments could be based.
