

FLUORINE FRAGMENTS.

Medical treat at the Tabernacle tonight.

The grand benefit concert at the Tabernacle tonight.

There is no moderation of the heat which is very oppressive.

The late storms in this region have been electrical, without exception.

It is said to be good corn weather, but everybody don't seem to think so.

It is dangerous to drink ice water when overheated.

The concert for the benefit of the Hospital, at the Tabernacle tonight, will doubtless be the best success of the season.

The preparations for the coronation of the Car are being rapidly completed.

W. Jennings & Sons have received the 19th inst. Per-sonal due bills or orders on the Salt Lake City.

Another Grove correspondent writes a number of ladies in Salt Lake City.

The relatives of the late Edward desire us to express for them their thanks for all courtesies and kind feelings.

General Manager Clark, accompanied by Assistant Freight Agent of the Union Pacific, will visit to-morrow.

W. Jennings & Sons have received the 19th inst. Personal due bills or orders on the Salt Lake City.

Another Grove correspondent writes a number of ladies in Salt Lake City.

General Manager Clark, accompanied by Assistant Freight Agent of the Union Pacific, will visit to-morrow.

W. Jennings & Sons have received the 19th inst. Personal due bills or orders on the Salt Lake City.

Another Grove correspondent writes a number of ladies in Salt Lake City.

Fearful Accident to a Child.—Between six and seven o'clock, on Tuesday night, a terrible accident happened, which resulted in the loss of the right leg of a child.

On hearing of the accident, the reporter hurried to the residence of Mr. White and there he saw an appalling sight.

On inquiring for the cause of the catastrophe, the reporter learned that the child, with some others, had been playing in the coal-yard, corner of Fifth and Franklin Streets.

Dr. A. S. Condon was summoned; the patient was conveyed on a litter to his office, where on examination it was found that amputation was absolutely necessary to save the child's life.

Another Permanent Visitor.—Today Mr. Isaac Sears, the enterprising produce dealer, has been smilingly receiving the congratulations of his friends at his place of business.

Preparing for Winter.—The troops at Fort Thornburg, near Ashley's Fork, are busily engaged making preparations for the erection of new winter quarters.

Hymeneal.—We take pleasure in chronicling the fact that this day Mr. Franklin A. Wilcox and Miss Anna A. Jenkins, daughter of Thomas Jenkins, Esq., were united in the bonds of matrimony.

No Damage.—Last evening the fire alarm was rung, and many pairs of eyes were strained in eagerness to observe huge columns of smoke and fierce tongues of living flame.

Change of Management.—On Monday last a change was made in the management of the Union Pacific R. R. and branches.

The office of general superintendent has been abolished, the road being divided into three divisions.

The superintendent of the western division, extending from Cheyenne to Ogden, including the Utah & Northern and Oregon Short Line, will be Mr. R. Law.

A Home Producer.—Mr. H. B. Scoville, of Ogden, Utah's most successful broom manufacturer, makes an important announcement to his patrons and the public generally.

Floury Faces.—The practice among ladies of powdering the face is becoming markedly prevalent and in many instances disgustingly apparent.

Accident at Butte.—The Miner states that a serious accident occurred in the Star West Mine, at Butte, on Tuesday morning, about 9 o'clock.

Contracts and Teams.—If there are any parties who wish to obtain contracts on the Pleasant Valley R. R., they can be accommodated on application to Mr. Peter G. Burt, of the 6th Ward, of this city, or Mr. Gibson S. Condie, at Pleasant Valley.

Telegrams for Pleasant Valley.—Telegrams for Clear Creek and coal mine on line of Pleasant Valley (now the D. and R. G.) can now be forwarded from the Deere's Telegraph Company's office, Main Street.

Adult Music Class.—Those desiring to become members of Mr. Evan Stephens' proposed adult music class, are requested by him to meet at the Council House, to-morrow evening, at half-past 7 o'clock.

Concert Doorkeepers.—The two doorkeepers from each of the city wards, for the concert at the Tabernacle, should not fail to meet Bro. C. J. Thomas at the east gate of the Temple Block at 6.30 this evening.

Your Own Shoeing.—Telemachus Rogers, the shoeing blacksmith at the Deere's Carriage Factory, will furnish farmers, freighters and miners with shoes and nails to do their own fitting, at half price.

Missionaries in Pennsylvania.—Elder E. Howell wrote from Hyde Park, Pa., on August 8th:

Excursion.—The 15th Ward folks have arranged for an excursion to Black Rock, to come off on Monday, August 14th.

When a board of eminent physicians and chemists announced the discovery that by combining some well known valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were sceptical.

At cost. We will sell, for a limited number of days, the following lines of goods at New York cost.

AGITATOR THRESHERS. John W. Lowell has already booked orders for 15 of these World-famous Threshers, manufactured by the J. I. Case T. W. Co.

MCCORMICK HARVESTERS,

TWINE BINDERS,
Combined Self-Rake Reaper and Mower,
Combined Front Cut Dropper and Mower,
Iron Frame Front Cut Mower.

Parties needing Machinery this season will find it to their interest to examine this Popular line of Machinery before purchasing elsewhere, as the experience of the past six years has fully established the fact that they are the

MOST DURABLE, STRONGEST BUILT & LIGHTEST RUNNING Machines ever offered for sale in this or any other country.

Attention is especially called to the

TWINE BINDER,

Which machine proved itself last season to be the ONLY SUCCESSFUL TWINE BINDER OFFERED FOR SALE, and is this year, the only Twine Binder that can be HONESTLY RECOMMENDED to the farmer as a machine that will do its work properly in all conditions of grain. The Combined Machine are IRON FRAME, enclosed gear, and each Machine has TWO RAKES, one for Reaping and one for Mowing, without which no Machine can ever be a success as a Combined Machine. The Iron Frame Mower is universally conceded to be the

"BOSS." 300 of Them Were Sold Last Year

By the Agent for this Territory, and this year sales bid fair to exceed those of last year. All machines are fully guaranteed and sold at prices as low as any first-class Machine can be sold.

J. I. Case T. M. Co.'s AGITATOR Threshers

AND WOODBURY POWER.

This Splendid Machine is again offered to the public with a record second to none, the experience of last season having demonstrated the fact that it will thresh more grain and do it better than any other Machine. The Woodbury Power is the most durable and Lightest Running Power ever made, and gave universal satisfaction last year. The above Machines are for sale by
