LOCAL BRIEFS.

Thistle Gets Contract-The Thingle quarries have the contract (c ing 20 car londs of brown the foundation of the M building on Main street.

ing 20 car loads of brown rock for the foundation of the McCarystal building on Main street.
Contens to Dance—The minued ball of the battalion of cadets of the Satt Take High school will be given at the Odson tomorrow evening. In addition to dancing which commences it size there will be an exhibition drill and goard mount.
Thanchmen Snowbound—Major H.
Manchmen Snowbound—Major H.
Myton, deputy United States Marshal, who is back from the Uintah country, reports five feet of snow on the road between Fort Duchesens and man from the male and street.

Hanchmen Snowbound-Major H. Maton, deputy United States Mar-shal, who is back from the Uintah country, reports five feet of snow on the road between Fort Duchesene and Stockmore. The nuchers at the lat-ter place have been snowed in for-version

Exam For Freight Clerk-The Denver Exam For Freight Clerk--706 United States government is adver-using for freight clerk for the U.S. Army transport Kilpatrick. An exam-ination is to be held in this city on March 30 in an effort to secure ell-gibbes to fill this position, which cur-ries with R a satisfy of \$900 per year. Applicants must be 18 years of age of one when the commission is taken when the examination is taken

over when the camination is taken. Freight Rates Disensed—Local foundry men met hast night, at the Commercial club, to discuss the pro-hubility of securing relief from the ex-piring legislature in the matter of freight rates. It was stated that the same rates are charged on raws ma-terials as on the finished product, and unless some more equitable classifi-eation is made extensions planned by the foundrymen can not be cairled out.

Funeral of Mrs. Chaudler-The fun-Funeral of Mrs. Chaudler-The fun-eral of Mrs. C. M. Chandler was held yesterday atternaon, at 2:30 o'clock from the Phillips Congre-gational church, the services being conducted by Rev. P. A. Simpkin and Rev. Veagle. There were many sympathizing friends present and many handsmoe floral tributes, the church choir and Mrs. A. S. Peters seprano solist, furnishing the music. The remains were shipped to Cheynne for interment today.

Idaho Visitor Here-W, B. Slick, who pres lived in Salt Lake City, but who now resides in Idaho, is down from the north on a short business rip. He is visiting Salt Lake to sefrom the north on a short business trip. He is visiting Salt Lake to se-cure laborars to send to Idaho, in geometion with the King Hill water project. Mr. Slick says there are 450 men at work on the canal, the inten-tion being to have water available for the use of the settlers by the middle of April. The building business in southern Idaho is said to be very ac-tion

tive New Reality Men-Heaty Johnson and Ernest Hall were chosen yester-day afternoon to membebrship in the East Late Real Estate association. Government Sends Deeds-The management of Mt, Olivet cemetery has received from the government the grant papers which deed to the estimately south of the cemetery and the commanding officer at Fort boughts has been officially notified of the grant, so that everything is in shape for the cemetery manage-ment to improve the property, which they intend doing at once.

VIADUCT IS INSPECTED. Now occupy three floors and base ent with the largest stock of station Railway -Officials Belleve Franchise Ty and office specialties in the State. Has Been Complied With

Seven councilmen accompanied by City Engineer Kelsey, Chief Engineer McGonigle and two or three representatives of the Oregon Short Line visited the site of the foot viaduct yesterday afternoon to decide if possible what chin - would be made in the location, Two hours were consumed in locking over the groundst. Several of the counefforem are in favor of having the bridge moved, although it is nearly completed and has been opened to the use of pe-destrians. The vinduct is now located 60 feet north of the north line of South Tomple street. It is the object of the muncilmen and the residents

councilment and the residents who will have to use the viaduct to have it constructed on the north line of South Temple street, running through the center of the building. W. H. Bancroft, vice preisdent and general manager of the company, said yesterday that he believed that the rail-noad company had compiled with the franching which they had obtained from the clive for the construction of the e city for the construction of the ot viaduct and he was at a loss to unerstand what convenience it would be o have the viaduct run through the building and have the appearance of he new depot impaired. The matter will come up in council

committee meetings tonight, at which time it will be discussed and the railroud representatives will be heard on the matter.
