

FIRST BALL GAME WON BY PARK CITY

Miners Swooped Down on Locals At Walker's Field Yesterday.

SCORE WAS FIVE TO THREE.

It Looked Pretty Good for Locals Until Toward the Close of the Game When Things Happened.

Park City, 5; Salt Lake, 3. That was the score at the end of the first game of the newly organized state league between Park City and Salt Lake, played at Walker's field yesterday afternoon in the presence of about 1,000 enthusiastic fans.

The outlook was decidedly good for the local aggregation until about the seventh when the miners from the big camp loosened up a bit and proceeded to do things necessary to secure the requisite number of tallies entitling them to first place at the gate money.

Mr. Husey was somewhat disappointed in the seventh the gold diggers ripped off a couple of runs and repeated the performance in the ninth. That was enough, thank you.

The game was good to gaze at all things, because there was the element of chance all through the mix-up in the first inning Salt Lake had a lead as a result of a nice slide and a clever triple, contributed by Messrs. Webster and Husey. Another run went to the locals in the third it was the result of doubles by E. Husey and Perry.

Park City accomplished nothing in the second until the sixth when Clark managed to circle the bases. The other runs had been explained. Salt Lake worked strenuously in the ninth to regain the lost ground but the miners had a lay on them so to speak and the distance was too great for the locals to cover on schedule time. Home, bitter defeat.
