The majority of the ills of the human body arise from a derangement of the Liver, affecting both the stomach and bowels. In order to effect a cure, it is necessary to remove the cause. Irregular and Sluggish action of the Liver, Headache, Sickness at the Stomach, Pain in the Back and Loins, etc., indicate that the Liver is at fault, and that nature requires assistance to enable this organ to throw off impurities.

Prickly Ash Bitters are especially compounded for this purpose. They do mild in their action and effectual as a cure; are pleasant to the taste and given easily by both children and adults. Taken according to directions, they are a safe and pleasant cure for Dyspepsia, General Debility, Habitual Constipation, Diseased Kidneys, etc., etc. *As a Blood Purifier they are superior to any other medicine; cleansing the system thoroughly, and imparting new life and energy to the invalid. SUNDAY SCHOOL UNION.

The December meeting of the Deseret Sunday School Union was held in the Salt Lake Assembly Hall last evening, General Superintendent Geo. Q. Cannon presiding, with his Assistants, and the S. S. Superintendency of the Salt Lake Stake. The first exercise was a well rendered selection from the 16th Ward brass band, and after singing, prayer by Bishop Harrison Sperry. Singing by the Fourth Ward choir led by Brother Thomas Lewis. Secretary Richards read the minutes of the November meeting, which were approved. Most of the city wards were represented, as also the schools of Sandy, Herriman, Big Cottonwood and Brighton.

Assistant Superintendent Ericson reported the Sunday School of the Fourth Ward as in a very good condition; from a total enrollment of 114 the average attendance was 85. The school was divided into 12 classes presided over by good and competent teachers. A regular programme was carried out every Sunday, and often varied so as to make the exercises interesting. Very good order was observed in the school. The Sacrament was administered occasionally and always with beneficial results.

The next exercise was a selection of martial music rendered by Beesley's Band.

Assistant Stake Superintendent T. E. Taylor said the general efficiency of the Sunday Schools depended largely upon the convenience afforded in the Ward assembly rooms for dividing the school into departments. Most of the city schools were favored in this respect being able to take the little ones into a primary department, and the older ones into a theological class. His conception of the duty of the Sunday School was the training of the children in the principles of the Gospel. To do this effectually, the instructors themselves should be well informed upon the principles they were called upon to teach. The week's lesson should be read and thought over by the teachers, so that they could answer all questions and explain all points of doctrine contained in or suggested by the lesson.

Apostle Geo. Teasdale, the next speaker, said he had a great love for the Sabbath School work. If he ever felt the spirit of ambition, it was when he desired the position of a Sunday School teacher or superintendent. It was natural that the children should love the Sunday School, because of the sweet influence to be found there. The Sabbath was a day of rest and he thought the work of the Sunday Schools offered the best opportunity for resting from the cares and turmoils of the world.

The next exercise was an anthem rendered by E. Stephens' first singing class. Brother Stephens remarked that the music, not the words, would be sung by the children. The anthem, a home composition, was of four pages, and the children saw it for the first time one week ago. The music was excellently rendered, showing high talent in the children of the class. Brother Stephens said this class would make good choir singers, and suggested to leaders that they might use them to good advantage.

Brother George Goddard announced that by January 1st the new music book for Sunday schools would be ready for sale, price 50 cents per copy.

It was desirable to make the Sunday morning missionary labor among the wards of the city and Territory quite general. The idea was to have a number of interested persons visit the houses of the Saints every Sunday morning, between 9 and 10 o'clock, and encourage parents to send their children to Sunday school in good time; and if any of the children were disposed to stay away from school the visitors should labor, plead with, and persuade them to attend to their duties. If this labor was done faithfully there would be little room for the outside element to lead away the youth of Zion from the faith of their fathers.

The martial and brass bands combined rendered a fine selection, which was highly appreciated by the large audience.

Superintendent George Q. Cannon next spoke. If the clapping of hands was at any time excusable it was in giving expression to the feelings of those who listened to the music made by the instrumental bands and the singing of the children on occasions like this. But such demonstrative appreciation was not appropriate in this house. The speaker felt much gratified with the progress in music and singing made by the youth of Zion. It was praiseworthy, and commendable, and he could not help contrasting our present circumstances in this respect with those of the early settlement of these valleys, when our only instrumental music was the remnants of the Nauvoo Brass Band, with perhaps half a dozen instruments.

Nearly one-third of our Church population were now under eight years of age. There were also a great many between 8 and 16, making a host of children, out of which some 40,000 were Sunday School members. The influence of this mighty host would make a great impression on the generation now growing up in the world. As Sunday School teachers and officers, and as parents we hardly knew the influence and power we could wield by our teaching and instruction, when accompanied by the Spirit of God.

We might think the children were too young to understand or appreciate our words of counsel. He related incidents of his own experience which showed to him that the young children, not only understood but would treasure up in their hearts the instructions given them. If Sunday School teachers took due advantage of their influence over the children under their charge, and would make a mighty and united effort, they could do very much towards checking the growing evils of intemperance and the use of tobacco—evils so prevalent in the world that they were ruining the whole generation of men, and likewise threatened the destruction of many of our youth.

Meeting adjourned till the first Monday in January, 1884. Singing by Brother Stephens's class and benediction by Elder Levi W. Richards. J.H.P.

Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, overwork, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as BROWN'S IRON BITTERS, and it does this by commencing at the foundation, and making the blood pure and rich.

Wm. P. Marshall, of Logansport, Indiana, writes: "My wife has for many years been troubled from pain in her back and general debility incident to her sex. She has taken one bottle of Brown's Iron Bitters, and I can truthfully say that she has been so much benefited that she pronounces it the only remedy of many medicines she has tried."

Leading physicians and clergymen use and recommend BROWN'S IRON BITTERS. It has cured others suffering as you are, and it will cure you.

He has successfully treated more cases of these diseases than any other physician in the world.

His cures are scattered all over the United States, as his testimonials will show.

Dr. Van Hummell has been in Salt Lake but one month. To show how highly his professional skill is appreciated here, he refers to the following well known citizens who have some member of their families under his care:

His Honor Mayor Jennings.

The above are the results of neglected and mistreated Catarrh. Below follow the results of Dr. Van Hummell's treatment of Nose, Ear, Throat and Lung Diseases.

The Doctor has taken an office on West Temple Street, third house South of Valley House, Salt Lake City.

Letter from Judge Wenner, Office over London Bank:

SALT LAKE CITY, UTAH, August 23, 1883.

Dr. Van Hummell: I take great pleasure in certifying to the efficacy of your treatment for Nose, Ear, Throat and Lung Diseases. I attribute my rapid restoration to what I consider permanent good health to the treatment I received at your hands in 1879, and I unhesitatingly recommend your treatment to all afflicted with Catarrh, Throat or Lung Disease.

Very truly yours, U. J. WENNER.

Nasal Catarrh Cured.

Dear Doctor: I have been troubled with Chronic Nasal Catarrh for the past ten years. I am happy to state that your treatment was entirely successful in my case. If by publishing this you can influence others suffering with this dreadful disease to try your skill, you are at liberty to do so. Because the physicians who can cure this disease are very scarce, and when one is found skillful enough to succeed, I think the public should know it.

I remain yours,
STEPHEN B. LETBOURNE,
Corner First S. 4th and Third West.

From Mr. Warren Hussey, former banker of Salt Lake, owner of Jay Gould Mine, Bullion, Idaho.

DENVER, COL., August 2, 1878.

This is to certify that I have been for many years a great sufferer from nasal and bronchial catarrh, the pain from it in my head and eyes being at times almost unbearable. I have tried many doctors and remedies, with temporary relief from some, growing gradually worse, until last winter, being in a very bad condition, I consulted Dr. Van Hummell and put myself under his treatment. From the first week my head and throat were relieved, have not had a headache—they were the bane of my life—since he began with me, and now I remain entirely well.

I write this for the benefit of like sufferers who may be seeking relief and urgently recommend them to give Dr. Van Hummell a trial. The benefit I had from his treatment is invaluable, and I know of many others he has treated equally successfully. WARREN HUSSEY.

The Cure is Permanent.

From a prominent capitalist, former owner of the Golden Terra mine, Black Hills:

DENVER, Col., March 6, 1879.

Dr. Q. Van Hummell, Dear Sir; I am happy to inform you that the catarrh and throat trouble for which you treated me over a year ago has not returned. I consider the cure permanent.

Yours gratefully, J. W. BAILEY.

Dr. Van Hummell's professional qualifications attested to by one of the first men in America, Ex-Gov. T. A. Hendricks:

INDIANAPOLIS, Ind., Oct. 30, 1877.

Governor Irwin: Understanding that you will be called upon to fill a vacancy in the State Board of Health, I take pleasure in recommending Dr. Q. Van Hummell for the position. Dr. Van Hummell was a long resident of this city, and a very near neighbor and friend of mine. He makes the treatment of Nose, Ear, Throat and Lungs and other Chronic Diseases a specialty and therein has been very successful. But he is also well learned in his profession generally. He is a gentleman of excellent habits and character, and would prove a valuable member of the Board. With great respect.

Yours, etc., T. A. HENDRICKS.

Letter from the right Rev. J. C. Talbot, Episcopal Bishop of Indiana.

INDIANAPOLIS, Ind., Feb. 19, 1874.

My Dear Doctor; You are entirely at liberty to use my name as one of your many references. Your skillful treatment of my wife, now nearly a year past, has entirely cured her of severe catarrh and cough, from which she suffered much for many years. Very truly yours,

JOS. C. TALBOT, Bishop.
