It is reported that a big cocking main was held near Murray early Tuesday morning, that about 50 fights were held and that at least 50.00 changed hands on the results. While no one could be found who would admit being present, the story is to the effect that a big prowd of a scriled sports went to an ap-puiled off a scriles of fights. They were all to the finish and in each instance the losing bird was fit only for the soup ket-ter. About daylight the chicken fanclers be-gan to arrive. Most of them carried suit cases in which were the fighting birds. The cocks were matched according to weight, take or give two ounces, and it is said the side bets were trequent and large, some being as high as 550. CLUB TO GIVE \$250,000 FOR RACES
