MASON & HAMBLIN'S
Celebrated Cabinet Organs,
For Meeting-Houses, Schools and Families.

THE Cabinet Organ is a very great improvement upon
all instruments of the Melodeon or Harmonium kind.
Its superior excellence consists in many important char-
acteristics, among which are:—

1st. The more organ-like character of its tone. 2d. It
has greatly more power and volume of tone in propor-
tion to its cost. 3d. Its capacity for expression is made
vastly greater than has ever before been attained in
such instruments. 4th. It admits of great rapidity of
execution, adapting it to the performance of a reater
variety of lively secular music. 5th. No instrument is
less liable to get out of order. 6th. It will remain in
tune ten times as long as a Piano-Forte.

For full description see advertisement in the American
Agriculturist of December, 1863, and Godey's Lady's
Book for April 1864.

Prices, \$55 and upwards, according to number of stops
and style.
