

CONFERENCE OF SALT LAKE STAKE

Interesting Meetings Held Yesterday Morning and Afternoon.

ENCOURAGING REPORTS MADE.

President Joseph F. Smith Makes Reply to His Critics—Other Speakers.

The opening session of the quarterly conference of the Salt Lake stake was held at 10 a. m. Sunday, March 19, in the Assembly hall, Pres. Nephi L. Morris and his counselors presiding. The stake choir under the direction of Alvin A. Beesley, chorister, rendered the opening and closing selections. Prayer was offered by Elder Rodney C. Badger. There were present of the general authorities, Pres. John R. Winder and Elder John R. Winder, and Elders Hyrum M. Smith, Reed Smoot and Charles W. Penrose, of the Apostles' quorum. The local stake priesthood was well represented.

ENCOURAGING REPORTS.

President Morris briefly reported the condition of the stake. The various quorums and auxiliary organizations, he said, were in good working order, characterized by unity, harmony and a willingness to do all possible to advance the word of the Lord. The speaker dwelt on the workings of the Spirit of the Lord in the hearts of the children of men, and exhorted the members of the stake to cultivate the gifts of the Spirit—knowledge, discernment, faith and power with God. Elder Morris reported that the Scandinavian and German Saints in the stake would be organized for meeting purposes, to be under the supervision of the stake organization. The Holland Saints are already so organized.

Elder David L. Davis reported the work of the local home missionary corps. Last October, some 32 Elders were set apart as foreign missionaries, and labored in a similar manner, and holding cottage meetings, visiting with all the people, non-members of the Church as well as members. There are now 37 Elders laboring in this work, which is diligently prosecuted with very good results, particularly in the building up and strengthening of the Elders and lesser Priesthood quorums. The Elders work in conjunction with the block teachers.

President ANTHON H. LUND, next addressed the congregation, taking as his text Paul's description of the Church of Christ, likening it unto the body of Christ. He said he was gratified to hear the good reports given as showing the unity and harmony which prevailed in the Church. If the Saints will live in righteousness the Spirit of God would dwell in the hearts of all, and there would be no strife, envy, rivalry, faultfinding, or evil of any kind existing, and there would be no class distinctions in the Church. "Except we are one we are not Christ's." It is not the possession of riches that distinguishes its owner for the kingdom of heaven, but the love of wealth and the idolatry of riches which debar from heaven. He urged humility and diligence on the part of the Priesthood, and efforts to uplift, help and bless their fellow man. The speaker cautioned his hearers against the spirit of faultfinding and criticism so prevalent in the community. The Latter-day Saints cannot afford to imitate the spirit, lest they lose the faith, and become recreant to the truth.

ELDER HYRUM M. SMITH.

Elder Hyrum M. Smith, spoke a short time on the fruits of the Spirit of God, as aptly described by Paul, "against which there is no law." A conscientious observance of the commandments of God will enable all to enjoy the fruits of the Spirit, and to live in harmony with the will of the Father.

ELDER HYRUM M. SMITH.

My Offer to Kidney Sufferers

I will give you a full dollar's worth of my remedy free to try without cost or deposit or promise to pay.

I could not make this offer—a full dollar's worth free—if mine were not the best kidney remedy. It is not. It treats not the kidneys themselves, but the system that controls them. The cause of kidney trouble lies ALWAYS in these nerves. The way to cure kidney trouble is by strengthening the nerves. That is exactly what my remedy—Dr. Shoop's Restorative—does. Therefore I can make this offer with the certain knowledge that every kidney sufferer who makes this trial will be helped.

When I say "nerves" I do not mean action. I mean the automatic nerves, which night and day, without your knowledge, control and actuate and operate every vital process of life. These are the slave nerves. You cannot control them. They are strong, you cannot weaken them; when they are weak, you cannot strengthen them. I have written a book on the Kidneys which explains fully and clearly how these slave nerves control not only the kidneys, but every other vital organ.

My remedy made my offer that strangers to me or open to me. It is not intended merely for those who have used my remedy, but to those who have not. I have no ulterior motive. I will send you an order for a full dollar's worth of my remedy to the bill to me. There is no condition, no requirements—simply write me today.
