### Maddening Infections.

An efficient medicine which will purify the blood can effect a cure and prevent a recurrence of these annoyances. Such a medicine, and the only perfect one within reach of medical science, is Dr. Kennedy's Favorite Remedy. Scalds, Cancer and all other skin diseases arise from an impure state of the blood.

Dr. D. Kennedy's Favorite Remedy taken when these symptoms first appear, will prevent serious consequences. It strikes at the cause of these complicated troubles by gently opening the pores, toning the stomach, stimulating the kidneys and liver to do their important part in the work, and ending in setting up a healthy action of the system. In fact, it may, with perfect confidence, be

## TELLS BY

**THEIR SLEEP**  
"I can tell by my little ones' sleep when a cold is coming on," said a mother when speaking of the advance symptoms of colds in children. "They toss about, are restless, their breathing is heavy and there are symptoms of night sweats. The next morning I start with Scott's Emulsion. The chances are that in a day or two they are all over it. Their rest is again peaceful and the breathing normal."

Here's a suggestion for all mothers. Scott's Emulsion always has been almost magical in its action when used as the ounce of prevention. Nothing seems to overcome child weakness quite so effectively and quickly as Scott's Emulsion.
