

## MALACHY HOGAN ON FITZ'S DEPARTURE

"Ruby" Robert Seems to Have a Big Chunk of Grief—ance.

### AGAINST SALT LAKE CITY.

Famous Old Fighter Offers to Post \$5,000 to Meet Anybody—But Why Did He Go Away.

Malachy Hogan, a well known sporting writer on the Chicago Record-Herald, has the following to say with reference to Bob Fitzsimmons leaving Salt Lake: "Robert Fitzsimmons, hero of 355 ring battles, including two defeats, has a grievance. He returned from Salt Lake City last week with the story that there had been a plot against him in the Mormon stronghold to rob him of his cash and the couple of championship belts. According to the 'reckless one,' the promoters failed to catch him asleep, and after taking a few verbal wallop at the Utah matchmaker, he hiked for the east.

That is Fitzsimmons' story of the affair. From Salt Lake, he comes another version to the effect that Fitz got "cold feet" and after testing his hands on the punching bag came to the conclusion that the Salt Lake crowd would be too tough a customer and decided to pull out and let the promoters hold the bag. If the latter story should have any truth in it it would mean that Fitzsimmons has finally decided that he is too old and frail to again enter the ring, and that it would be best to quit for good before some second-rater puts him away.

Whatever was the merit of the dispute Fitzsimmons is certainly getting more certain every day that he is the real bona fide champion in both the middle and heavy weight classes. When he returned to Chicago he announced that he was positive the two belts belonged to him, and that he would leave a forfeit of \$5,000 to meet all comers in both classes. He says there is no doubt about his being the middleweight champion, as he came down to be pounds just before he left Salt Lake City. There are still some admirers of Fitz who would like to see him step on the scales before they will believe that he can get down to the middleweight limit.

The above is all right with the exception that Fitz has been doing a little more resenting. While he was shown every consideration possible, and was given about everything except the amount of money with Saltair and Logan thrown in. He had few training quarters. When his match was made, he was given a house, but he was not allowed to practice his own terms, as he was Billy Hogan's man. He was given a house, but he was not allowed to practice his own terms, as he was Billy Hogan's man. He was given a house, but he was not allowed to practice his own terms, as he was Billy Hogan's man.

A prominent sporting man offered to take the contest off the clubs' hands, promote the go and give the fighters every cent. But Fitz said no. Then Billy Hogan offered to give Fitz all over 75% per cent, and fight for the same percentage for the first five per cent. He offered to that Hogan offered Fitz 5 per cent of Schreck's money, win or lose. Ruby Robert said yes. If Fitz had accepted, he would have won 75% per cent of the 75% per cent, and then 5 per cent. He would have had 75% per cent of the 75% per cent, and then 5 per cent. He would have had 75% per cent of the 75% per cent, and then 5 per cent.

After the above offers were made to him, does Fitz have any grievance? No matter what Fitz has been, no matter how many battles he has had, no matter what his claims are as to three championship titles, and no matter what excuses he has for his sudden departure, the above statements are correct. Fitz simply got a bad case of chilled extremities.

### EUREKA WILL PLAY.

Games with Park City and Logan Teams Being Arranged.

At Park City next Sunday the Eureka champions will cross bats with the Park City team. There is great rivalry between the two teams, as both are hot after the championship. A special train will be run to the mining camp, returning immediately after the struggle. From Eureka will go a large delegation of fans to root for the champions, and they will be prepared to place a few good sized wagers on the Eureka side. Manager Rhoads is making arrangements for a game with Logan, on a scale of games if possible.

### OFF TO LOS ANGELES.

Pitchers Toner and Wright Receive Offers and Promptly Accept Them.

Manager Morley of the Los Angeles team in the Pacific Coast league, has made offers to Pitchers Toner and Wright, and the latter have decided to accept. Accordingly, they will leave for Los Angeles just as soon as transportation arrives. These men are regarded as first class writers and more than one club would like to secure their services. That they will make good in California there can be no doubt, as they are both in good shape.

#### UNASSISTED TRIPLE.

Portland, June 21.—For the first time on the Pacific coast and, it is believed, the third instance in the history of professional baseball, an unassisted triple play was made today by Schlueter, Portland's second baseman, in the first inning of the game with Seattle. With Russ Hall, Seattle's shortstop, at second, and Walters, the Seattle center fielder, at first, first baseman Kemmer made what appeared to be a low outfield hit. It failed to carry, and was brought down by Schlueter. In the meantime both Walters and Hall had started to run. Schlueter touched the second base, retiring Hall, and then, unassisted, caught Walters and touched him with the ball before he could return to first base. Both French and Roach picked good ball, but bunched hits in the eighth turned the tide in the home team's favor.

Jimmy Britt and remembered only that he had put up a game battle and had taken his disappointment like a man. The following account of his homecoming is taken from an English sporting paper: "James White, who was defeated on May 31 and was awarded a welcome which must have done much to wipe out the sting of his defeat, was met by a large crowd of his friends at the airport. #### THE GOOD OLD WAY.

A severe cold or attack of a gripe like a fire, the sooner you combat it the better your chances are to overcome it. But few mothers in this age are willing to do the necessary work required to give a good old-fashioned reliable treatment such as would be administered by their grandmothers, backed by Boecher's German Balm, which was always liberally used in connection with the home treatment of colds and is still in general household favor than any known remedy. But even without the application of the old-fashioned balm, the mother will cure a severe cold in quick time. It will cure colds in children or grown people. It relieves the congested organs, allays the irritation, and effectively stops the cough. Any mother will find it is invaluable in a household of children. Trial size bottle, 25c; regular size, 50c.
