# EASTERN UTAH ROBBER KILLED.

Shot to Death by Sheriff Preece's Posse While Defying Arrest.

A DESPERATE CHARACTER.

Believed to Have Been One of the Outlaws who Held Up the U. P. Train in Wyoming Last Year.

There was much interest in Salt Lake official circles today over the reported killing in eastern Utah yesterday of a robber supposed to be "Flat Nosed George." Whether he is one of the gang that held up the Union Pacific train at Wilcox, Wyoming, last year, is not known, though some incline to that

The robber's death was the result of being detected while on a cattle stealing expedition. It appears that some member of the Webster Cattle company observed two men defacing the brands on their stock. The cattle company's representative took them severely to task but instantly found himself covered by a couple of formidable revolvers and decamped. In making his hasty departure he met Sheriff Preece, who, with a number of men was in search of cattle thieves. A brief consultation followed and Sheriff Preece and posse started in pursuit and ran onto the robbers on the banks of Green river.

Sheriff Preece ordered them to surrender and one of them cried out "Till never do so," and leveling his gun on the cheriff fired at him and then broke into a run. For alx miles the sheriff and his posse pursued the fleeing fugitive and after about thirty-five shots had been exchanged one of the thieves fell dead with a bullet hole through his head. His pal escaped. The dead man's body was put on to a pack horse and conveyed to Thompson's Springs.
