Vacation to be Continued.

FALL RIVER, Mass., 14.—The mill operatives voted, to-day, 2,520 to 1,287, to continue their vacation the full thirty days; the minority wanted to resume work on Tuesday next.

Countermanded—Dead.

WASHINGTON, D. C., 14.—The President has countermanded for the present the order allowing the wives of the Indian prisoners at Ft. Marion, Fla., to be sent to them from Fort Sill.

Lieut. Commander G. Armtrout died on the steamship *Spain, en route* from Europe.

Receipts and Expenditures.

The following is the official statement from the Treasury Department of the government of the receipts and expenditures by warrants for the year ending June 30th, 1875: net receipts $150,157,722; internal revenue $110,007,493; sales of public lands $1,413,640; miscellaneous sources $18,411,195; total $288,900,051; net expenditures, civil and miscellaneous, $71,076,702; war department $141,120,545; navy department $21,497,626; Indian and pensions $39,840,873; interest on the public debt $103,093,544; total ordinary expenditures $274,623,392.

SCRANTON, Pa., 14.—A car at the mouth of Mount Pleasant mine became detached from its fastening this a.m. and, rushing down the slope, killed two men and fatally injured a third.

All Quiet.

NEW YORK, 14.—A dispatch received from Commander Russell, of the U. S. steamer *Plymouth*, says that all is quiet on the Rio Grande; the river is falling and there have been no indications for several days of cattle raids.

Western Union and Atlantic and Pacific Telegraph Companies have decided to advance the tariff of rates between Boston and Washington and New York and Albany about 25 per cent., as they claim that the present rates are too low; the advance takes effect on Monday.

Military Order.

CHICAGO, 14.—The following order was issued to-day from the head quarters of the Department of the Missouri:

"Chicago, Aug. 14th, 1875.

"As several of the points at which Indian supplies are to be presented for inspection are remote from the agencies where they are to be delivered to the Indians, the officers of the army, detailed on orders from these head quarters at the request of the Interior Department, to make these inspections, must be on their ground that the quantity and quality of the supplies is not changed before delivery to agencies, and in this way their inspection of the original stores be taken advantage of to cover up fraudulent acts. Should it be necessary, the department commanders are directed to take such further action within the limits of their respective commands as will accomplish the object of this order.

"By command of Lieut. Gen'l. Sheridan.

GREAT BRITAIN.

Blighted—The Grain Crops.

LONDON, 14.—The hop blight is damaging the crop, and prospects are at present less favorable than hitherto; the continental crop is also suffering from variable weather.

The Times city article, to-day, says the following, on the condition of the corn trade, is derived from good sources: "Admitting, as certain, a further rise in the event of bad weather in the country, there is still time to secure a large proportion of the wheat crop in good condition; if so, the recent apprehensions will probably prove to have been extreme, and if the American crop is secured in good order there can be no great change in the result of the spring wheat crop from what we had reason to expect a few weeks ago. The last report from France is much less unfavorable than was apprehended, most of the recent rains having done little injury. Our own farmers' stock of old wheat is reported small, but cannot be quite so exhausted as it was last year, and the deliveries during the last two weeks have been double those of the corresponding weeks a year ago."

Last Night's Dispatches.

EASTERN

Proclamation Signed—Rejected.

WASHINGTON, 15.—The President has signed the proclamation terminating the withdrawal of the lands awarded the United States by the Emperor of Germany, acting as umpire, under the treaty of Washington. The lands in question are those on the northwestern frontier, and include San Juan Island; the withdrawal was to allow persons claiming to be owners under joint occupancy to present their claims.

The commissioner of the General Land Office has rejected the claim of the State of Nevada to the S. E. quarter, Sec. 4, township 19, N. Range, 55 W., Eureka District, and so much of the homestead claim of Robert Mesinka as conflicts with the mill site of the Nevada Mill and Mining Company.

Removed.

A number of postmasters in small offices throughout the country have been removed for the unlawful disposition of postage stamps, unjustly increasing their salaries thereby.

Leave the Hills Under Protest.

The *Inter-Ocean's* special from Fort Laramie, dated 14th, states that at a meeting of miners in Custar City, on French Creek, resolutions were passed tendering thanks to President Grant for the manner in which he has caused his command to be executed. They say they are convinced that the Black Hills is one of the richest mining districts in the United States, and though obeying the command of the President, they do so under protest. The miners are nearly all leaving the Hills. Six men were appointed to remain on French Creek to preserve their claims until the Hills are opened for the miners who leave. Spotted Tail and twelve of his tribe, from the Spotted Tail agency, accompanied by the Indian agent, left French Creek, to-day, to return to their agency; the object of the visit was to see for themselves the value of the Black Hills. They now want more compensation for their territory, and also demand payment for the gold already taken out by the miners this summer in addition to the purchase price expected from the government.

Eager to Hear Beecher.

TWIN MOUNTAIN HOUSE, N. H., 15.—Five thousand people assembled here to-day to hear the Rev. H. W Beecher. It is expected that there will be an improvement as to the accommodation for the audience that gathers here in future, for Beecher intimated, by some remarks with which he prefaced his sermon, that a tent capable of holding 2,500 persons would be procured from Boston between this and next Sunday.

Body Recovered.

NIAGARA FALLS, N. Y., 15.—The body of Miss Philpot, who was drowned below the Cave of the Winds last week, was to-day taken from the whirlpool by her brother.

Three Men Drowned.

PATERSON, N. J., 15.—Three men were drowned at Passaic Falls this a.m., by a boat upsetting; their names are James Grogan, Wm. Horton and Henry Martin.

Sunday School Convention.

FAIR POINT, N. Y., 15.—At the Sabbath School session here this a.m. 3,000 persons were in attendance, among whom were President Grant. The sermon was preached by Rev. C. F. Deams, of New York, after which the Rev. Dr. Vincent presented the President with two copies of Baxter's edition of the Bible. This afternoon an able sermon was preached by Dr. Fowler. President Grant left at 10 o'clock for Marysville, where he takes a special train for Buffalo.

$55,000 Fire.

PHILADELPHIA, 15.—Francis Perire & Sons' brewery was partially burned to-day; loss $55,000, insured.

WESTERN.

News from China and Japan.

SAN FRANCISCO, 15.—Arrived the Pacific mail steamer *Alaska*, from Hong Kong, *via* Yokohama.

Yokohama, July 16. — Rumors continue of impending trouble with Corea, but the government withholds information as to its intentions, and the present indications are that peaceful counsels will prevail. There is unusual suffering from heat in Yeddo and Yokohama; the thermometer averaged, last week, 100 degrees Fahrenheit. Torture is virtually abolished in the Japanese courts, but the formal announcement thereof is postponed until the new judicial system is organized.

Shanghai, July 15.—There is great suffering throughout China, from the prolonged heat; the thermometer at Pekin is 110 degrees.
