

BIKE RACES AT THE SAUCER TRACK

Iver Lawson Failed to Break Quarter Mile Record Last Night.

BUT WON TWO MILE LAP RACE.

Three Quarter Mile Professional Saw Some Fast Riding—Some Spills Enlivened the Race Fans.

A delightful evening's large and happy crowd; some of the fastest riding seen on the saucer, and splendid music characterized the bike races at the saucer last evening, and Manager Haugen was made happy.

If the scratch men could have got around the bunch in the three-quarter mile professional handicap, a world record would have been shattered, but the best man started from the stock of the pack and rode as though for life and death. The finish was all close.

The two-mile open lap race professional was the most interesting feature of the evening's entertainment, and Lawson took first place when the first round started. Lawson carried off most money Williams and Holman, from the second round, and Holman won the third round. In their heat they could do was to land Holman in third place. Four laps from home Williams and Holster Johnson and Johnson and Holman were in the lead, high and tried to shake Lawson, but the latter went around the track half a lap from the tape and cleaned up.

Lawson was not successful in his attempt to break the record for a narrow margin. When he came on the track he was simulation of the record, but it did not go fast. The record is 1:54 held by Norman C. Hoppe. The man was later equalled by Samson, but the record belongs to the man who beat him, and has made it a fact and short enough of a second.

In the three-quarter mile professional Holman was the only scratch man to come in from the bunch in the first round, and the second round he again took first place.

Both boys made splendid records since they took up track riding and when they became accustomed to saucer riding they were the best in the country. They are steadily some good cash purses.

The Salt Lake track is one of the most visited in the country, and attracts riders of all classes. It is a great place for the heavyweight champion crown. It's dollars to doughnuts that he who wins Mike Jeffries will agree to go to the English meet.

The races began in a few weeks and will run for six months, two days of each week being devoted to races.

Local ring followers have been wondering what kept Alec Groggins so long away from Salt Lake. It is known that he left San Francisco a few days ago, headed for this city to take charge of Barig.

At Legion yesterday afternoon, a wise man stated to the "News" that the reason Groggins was not here is that he is working to secure the signature of Mars Hart and Jack Root to a set of articles to be put before the club in Friday with which he can make his debut.

Disputes state that Jim Jeffries, the retired champion, will retire the big fight at home on the Fourth of July, and the winner will receive \$10,000. All on the winner, Groggins is looking for a good card for his bout, and he can now make better, and he can make the win with a combination of Mars Hart and Jack Root.

WAS GIVEN UP TO DIE.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured."
