There will be a general meeting of the county teachers at the University next Saturday, February 4th. Prof. Horace Chase, of the University, will give a lecture on the subject of comparative education, and Prof. J. H. Paul will speak on the geography of the British Isles.

A meeting of the primary section this morning, the following resolution was addressed by Superintendent Ward on the subject of preparatory work in schools and parsonages. Mrs. Holtom also gave an address on language work.

This evening Mr. C. Blane, superintendent of the department of city delivery at the post office, leaves for the east on a tour of inspection. He will make stops in Chicago, New York, Washington and Philadelphia.

Last evening, at the cross streets of Second and Main, State, a man driving a freight street car accidently on the day was narrowly escaped. A little sharp was cutting his hair along the street and the car hit him, causing him to fall from the Rapid Transit car. Had the man been a moment later in stopping the car he would have been run over and probably killed.

Something unusual of misfortune, as it appears on the protocol of doctors, as is evident from a recent fatal dispute between a few feet of land on East Temple street, took place yesterday evening by four different city surveys. The result varies each time with the addition of a few feet survey with the original survey of 40 years ago.

The new town of Abramham, in Millard county, organized by President Wm. Ford Wadsworth in connection with the late Apostle Abraham H. Cannon, has every prospect of a busy town coming up.

Seventy religious meetings are held every Sunday in Abramham, and the number of members is increasing.

The annual meeting of the stockholders of the Desert Salt Lake Apartment, Commercial and Industrial company, which was called for to check this morning, did not occur, owing to the lack of a quorum. Consequently, the meeting was adjourned until to check Saturday evening, February 4th, at the President's office.
