

MANY AND HOT WERE WORDS SAID.

Chicago Federation Fight Threshed
Out on Floor of the A. F. of
L. Convention.

IT WAS REFERRED TO COMMITTEE

The Whole Trouble Is Over the Question
of Trade Jurisdiction.

San Francisco, Nov. 17.—The Chicago federation fight was threshed out on the floor of the convention in the afternoon session of the American Federation of Labor today, but after a hot and acrimonious debate lasting two and one-half hours, the matter was finally referred on motion to the committee on local and federated bodies with instructions that a report be rendered at the earliest possible moment.

Delegate Dole made an impassioned speech in behalf of the federation. The leaders seemed disposed to side-track the question, John Mitchell, who occupied the chair in place of President Campers, saying he would consider any motion to refer or defer the matter. The point at issue rested upon the refusal of the Chicago federation to comply with the demands of the American Federation to expel two local Chicago unions.

The basic principle of the whole dispute rested on a question of trade jurisdiction. The United Plumbers' association of America claimed jurisdiction over the two Chicago unions in question which were affiliated with the national body. They were upheld by the executive council of the American Federation of Labor, but the Chicago federation persisted in disregarding the ruling and allowed the seceding unions to affiliate with the central body. The Chicago federation was thereupon expelled from the national body and such a time and effort to comply with the decision of the executive council.

The fight on the proposition was the hottest that yet has been waged on the floor. The Chicago delegates sympathetically stated that members of the executive council of the American Federation of Labor had refused to permit them to introduce new evidence in the case and each member of the council in turn took the floor and as decidedly stated that such was not the case. The question, therefore, resolved into one of veracity.

The Chicago delegates were desirous of making a motion to the effect that the convention appoint a special committee to journey to Chicago as soon as possible after the final adjournment of the convention and there study the situation at first hand. In the interim they desired that the national body send a delegate to Chicago to study the situation at first hand. In the interim they desired that the national body send a delegate to Chicago to study the situation at first hand. In the interim they desired that the national body send a delegate to Chicago to study the situation at first hand.

Among the resolutions presented was one which put the federation as against all anti-trust scalping bills and urged all labor organizations to work to that end.

A resolution introduced by a Chicago delegate to compel full insurance on vessels of over five tons displacement was characterized by Delegate Andrew Purseuth of the Seamen's union, as one placing a premium on murder. His vigorous opposition to the resolution caused the convention to vote that the resolution be sent back to the committee and reframed.

Resolutions regarding Japanese exclusion and the eradication of tuberculosis were also tabled that they might be reconsidered.

John A. Platt, representative of the Dominion of Canada, addressed the convention and invited the delegates to hold their next annual meeting, commemorating the quarter century of their existence, in the Dominion of Canada. He compared trade conditions in the two countries. His address was well received.

At this stage of the proceedings a policeman entered the hall and placed three of the foreign delegates under arrest. This was used as a ruse to prevent such of them with a gold watch and a gold badge in the name of the federation. For a time the Englishmen were completely nonplussed, but the joke took tremendously with the throng present.

Victor L. Berger of Milwaukee, Wis., representing the International Typographical union, stated tonight that the Socialist element would not attempt to convert the federation to Socialism, but would be content with the passage of Socialist measures concerning the wage workers of America.

Recall of Political Prisoners.
St. Petersburg, Nov. 18.—The recall of political prisoners exiled under the former regime by the recent administrative order has led many papers to urge raising the technical state of siege which exists in most of the large Russian cities in order to prevent the possibility of summary arrest and punishment outside of the regular process of law.

GEN. STOESSEL.
Russian Papers Praise Him and His Heroic Garrison.

St. Petersburg, Nov. 18.—The newspapers today devote long articles to the praise of Lieut.-Gen. Stoessel and the heroic garrison of Port Arthur and to a general endorsement of the movement started at Kieff for a national subscription in behalf of the families of the killed and surviving defenders.

JAPANESE IN KOREA.
Estimated There Are 25,000 Exclusive of Yalu Garrison.

Ponkai Bay, Siberia, Nov. 18.—According to estimates made here exclusive of the garrison of their Yalu river positions, the Japanese have 25,000 men in Korea, including 600 at Genzan, 2,300 at Hamhung and detachments at Hamkyong, whence scouting parties go so far as Pouchen.

The discontent of the Koreans is increasing. Cases of armed resistance to the Japanese are reported. A fierce southwest gale is raging off this coast.

WM. COLEMAN RELEASED.
Arrested for Robbery but no Indictment Was Found.

Cooperstown, N. Y., Nov. 18.—William Coleman, of New York, who has been confined in jail here since last August, has been released, the grand jury having failed to find an indictment. Coleman was arrested on suspicion of

Will be paid by the

of the individual volunteering the testi-
monial below, and also of the writers of
every testimonial among the thousands
which they are constantly publishing,
thus proving their genuineness.

"For about two years I suffered from a very
obstinate case of dyspepsia," writes E. R. Secord,
Esq., of 15 Eastern Ave., Toronto, Ontario. "I
tried a great number of remedies without suc-
cess. I finally lost faith in them all. I was so
far gone that I could not for a long time bear
any solid food in my stomach, felt miserably
and depressed. Some four months ago a friend
recommended your 'Golden Medical Discovery.'
After a week's treatment I had derived so much
benefit that I continued the medicine. I have
taken three bottles and am convinced it has
in my case accomplished a permanent cure. I
can conscientiously recommend it to the thou-
sands of dyspeptics throughout the land."

A man can succeed and be strong if he
heeds Nature's warnings. When there is
indigestion, loss of appetite, ringing in the
ears, dizziness, spots before the eyes or palpi-
tation of the heart, any or all of these symptoms
point to weakness and loss of nutrition. Dr.
Pierce's Golden Medical Discovery is the
medicine to turn to.

"Golden Medical Discovery" contains
no alcohol and is entirely free from
opium, cocaine and all other narcotics.
It is strictly a temperance medicine.

Accept no substitute for "Golden Medical
Discovery." There is nothing "just as
good" for diseases of the stomach.

"The Common Sense Medical Adviser,"

on receipt of 21 one-cent stamps, to pay
expense of mailing only. Address Dr.
R. V. Pierce, Buffalo, N. Y.

connection with the stealing of jewelry
valued at nearly \$50,000 belonging to
the wife of F. Ambrose Clark, step-
son of Bishop Potter. The safe where
the jewelry was kept was entered during
the noon hour and the treasure box
was taken to the cellar and opened.

The robbery was not discovered un-
til several hours afterwards. No tangi-
ble clue to the thief was ever ob-
tained.

SIX MEN RESCUED.

Were at Sea in Open Boat for
Eighteen Hours.

New York, Nov. 18.—After 18 hours in
an open boat six men of the Philadel-
phia schooner Emily H. Naylor were
rescued by the steamer Grenada which
arrived here today.

Subway East Branch to Open.

New York, Nov. 18.—What is known
as the east branch of the subway will
be opened early next Wednesday morn-
ing. Trains will begin running at one
minute after midnight. The branch
begins at One Hundred and Eighty-third
street and Broadway, runs east under
central park to Lexington avenue, thence
north to the Harlem river under which
it passes to the Bronx. For the present
the terminus of the new line will be
at One Hundred and Forty-fifth
street, where the tunnel under the river
begins.

By the opening of this section express
train service in the subway will be
doubled and during the rush hours the
fast trains will be run only two min-
utes apart. No formalities will accom-
pany the opening of the new road.

In about three weeks the Fulton
street station of the lower Broadway
extension will be ready for operation
but it will be two years before the tun-
nel under the East river at the battery
and the extension to Flatbush avenue,
Brooklyn, is completed.

Reservist Demonstration.

Rome, Nov. 18.—In several cities, es-
pecially Milan, Turin, Bologna, Como
and Spezia, reservists called to arms
after the general strike recently insti-
gated by the Socialists, have tried to
arrange a demonstration with the ob-
ject of procuring their discharge.

Only a few men answered the appeal
and the demonstration was easily put
down by the authorities. Some arrests
were made.

Earthquake in Italy.

Rome, Nov. 18.—Severe earthquake
shocks were felt today in central Italy,
especially at Florence, Pisa and Urbino.
No damage was done.

INNSBRUCK INCIDENT.

Demonstration of Protest Tak-
ing Place Against It in Italy.

Rome, Nov. 18.—Meetings and demon-
strations are taking place in many
Italian cities to protest against the
Innsbruck incident. A meeting of this
description will be held Friday evening
in Rome. The police have taken ex-
traordinary precautions to maintain
order and prevent manifestations
against the Austrian embassy and con-
sulate.

Your Heart

May Be Weak. One
Person in Four Has
a Weak Heart.

One of the surest signs of a weak
heart is shortness of breath after exercise.
Your heart is not able to pump the
blood fast enough to your lungs.

Some of the other symptoms of Heart
Trouble are: Pains in the Side, Back
and Shoulder; Fainting or Weak Spells;
Dry Cough; Swelling of Feet and Ankles;
Cold Feet or Hands.

No one can afford to allow a weak
heart to go without medicine, because
weak heart means poor circulation, and
poor circulation means weak lungs,
stomach, liver, kidneys, etc.

If, therefore, you suspect heart trouble,
begin taking Dr. Miles' New Heart Cure.
The Heart Cure will do you good, as it is
a splendid tonic for the blood and nerves,
and will revitalize your entire system.

Finally, remember, Dr. Miles' New
Heart Cure is sold under a guarantee
that the first bottle will do you good.
If it doesn't—your money back.

"I was afflicted with heart trouble for
three years. I would be apparently all
right, and without a moment's warning
would fall as though shot. The attacks
were frequent, and a terrible dread pos-
sessed me, as I never knew when or
where I was under what conditions I
would be attacked, and whether I would
survive them. I consulted and was
treated by some of the most eminent
physicians of the state. Not finding re-
lief from this source, I began taking
Dr. Miles' New Heart Cure, and began
to improve at once. I used ten bottles,
which entirely cured me, as I have not
had an attack for five years."—MRS.
JOHN DIERBACK, Lehigh, O.

PROSPECTS OF THE SCHOOL BOARD.

Citizens Likely to Put a Very
Strong Ticket in the
Field.

GOOD MEN BEING SUGGESTED.

Six Members Are to be Elected on
December 7—Some Prominent Men
Who May be Chosen.

The school election for members of
the board of education in this city
comes on Wednesday, Dec. 7. At this
time arrangements have been perfected
to a fair degree of certainty for a
citizens' ticket in each of the municipal
wards. The success of this move-
ment non-sectarian and non-partisan
control of the schools, is in conformity
with the policy that now prevails. The
citizens' movement is proceeding with
Republicans, Democrats and Socialists
working in perfect harmony, and if
successful will continue to keep politics
out of the schools, and will also see that
the control is neither anti-Metho-
dist, anti-Mormon, anti-Catholic, nor an-
tanything else, but just the straight
goods for clean, independent school ad-
ministration.

In the first municipal ward, Mr.
Frank Branting is the retiring mem-
ber. He does not care to continue in
the office, so a new man must be se-
lected. At the present time the man
most prominently named, and who
seems to be regarded with greatest
favor in all parts of the district, is
Chas. S. Martin. If chosen, he will
make Mr. Martin the name of Mr.
Brown, of Brown, Terry & Woodruff,
has been discussed, as has also that of
Mr. W. L. Thompson. Both are good
men for the place, but it is said that
Mr. Brown will not consider it, for
business reasons, and Mr. Thompson
has stated that he will not be on the
school board, as he is now kept
very busy. From the way things are
shaping, however, if the choice does
not fall on Mr. Martin, Mr. Thompson
is likely to be selected, as he is a close
second choice of the people, to say the
least. Mr. Martin is not making an
effort for the place, but, like Mr.
Thompson, if elected will serve to the
best of his ability.

SENTIMENT FOR GUAQUE.

In the second municipal ward the re-
tiring member is Mr. A. G. Guaque.
A few weeks ago Mr. Guaque was
very much averse to re-election, but
he has been such a valuable member that
the people most closely connected with
the schools, including the hold-over
members of the board, have become so
insistent on his return that he has
withdrawn his objection, and for as the
citizens' movement is concerned, he will
get the nomination by acclamation. He
is a Democrat, and as the two mem-
bers from the First, the two from the
Fifth, and one from the Second are

LAME BACK.

When the Kidneys are Diseased the
Whole System Becomes De-
ranged. Complications Set
in and Serious Results
Will Follow.

WEAK KIDNEYS.

Pain in small of back, painful passing
of urine, inflammation of the bladder,
torpid liver, cloudy urine, pains in the
back of the head and neck, rheumatic
pains and swellings all over the body,
eczema and jaundice show that your kid-
neys are diseased.

CURES WEAK KIDNEYS.

"Gentlemen: I was troubled a great
deal with kidney trouble, and my busi-
ness compelling me to be on my feet all
day only made the pains worse in my kid-
neys. I was advised to try a bottle of
Warner's Safe Cure. Well, I did, and the
result is that I am a new man now. I
can walk home from work, something I
had not been able to do for over a year.
I can honestly recommend 'Safe Cure.'"

MICHAEL F. SHANAHAN, 146 Bradford
St., Albany, N. Y.

"Safe Cure" is a most valuable and ef-
fective tonic. It repairs the tissues,
softens inflammation and irritation,
awakens the torpid liver, aids digestion,
stimulates the enfeebled organs and heals
at the same time.

"Safe Cure" is purely vegetable and
contains no harmful drugs. It is free from
mercury and all other poisons. You can
buy "Safe Cure" at any drug
store or direct, 50c and \$1 a bottle.

Beware of so-called kidney cures which
are full of sediment and of bad odor—
they are positively harmful and do not
cure.

WARNER'S SAFE PILLS move the bowels
gently, and aid a speedy cure.

Write Warner's Safe Cure Co., Roches-
ter, N. Y., for free medical book.

Burnt wood outlays—\$2.00 kind to \$1.50.

IT IS IN THE BLOOD.

Neither Liniments Nor Ointments Will
Reach Rheumatism—How Mr.
Stephenson Was Cured

To attempt to cure rheumatism by
external applications is a foolish waste
of time. The seat of the disease is in
the blood, and while the sufferer is
rubbing lotions and grease on the skin
the poison in the circulation is increas-
ing and being distributed to every joint
and muscle of the body.

Delays in adopting a sensible treat-
ment are dangerous because rheuma-
tism may at any moment reach the
heart and prove fatal. The only safe
course for rheumatic sufferers is to get
the best possible blood remedy at once.

Mr. Stephenson's experience with
this obstinate and distressing afflic-
tion is that of hundreds who treat it at
first as if it were confined to the joints,
where it appears, and superficial. He
says:

"About a year ago I was attacked by
severe rheumatic pains in my left
shoulder. The pains were worse in wet
weather and at these periods caused me
the greatest suffering. I tried a
number of treatments and ointments
but they failed to alleviate the pains."

Then he realized that the cause must
be deeper and the pain only a surface
indication, a symptom of a hidden dis-
order that must be sought out and cor-
rected by an internal remedy. He ad-
vised:

"I had heard Dr. Williams' Pink Pills
for Pale People recommended as a cure
for rheumatism, and when I found
that I was getting no relief from ap-
plications, I made up my mind that I
would try them. Before the first box
was gone I noticed that the pains were
becoming less frequent and that they
were not so severe as before. After the
second box had been used up I was en-
tirely free from discomfort and I have
had no traces of rheumatism since."

The change in treatment proved by
almost immediate results that it was
based on the right theory, and the
quickness with which the improvement
proceeded to a perfect cure showed
that he had found the true means for
the purification and enrichment of his
blood.

People with inflamed and aching
joints, or painful muscles; people who
shudder about with the aid of a cane or
a crutch and cry, Oh, what is the matter
with me? are constantly asking, "What is the
best thing for rheumatism?"

"Dr. Williams' Pink Pills" is the
answer of Mr. Thomas Stephenson of
No. 115 Greenwood street, Spring-
field, Mass.; Mr. J. G. Moukel, of
No. 2575 Jackson avenue, Dubuque,
Iowa; Mr. C. H. H. Henry Story,
Harris, R. I.; Mr. Henry Story,
No. 523 Muskingum avenue, Zanes-
ville, Ohio, and scores of others who
speak from actual experience.

Dr. Williams' Pink Pills are without
doubt the best of all blood remedies.
Their record in the curing of cases of
anemia alone would be convincing
evidence of that. They effect genuine and
lasting cures in rheumatism. They do
not merely deaden the ache, but they
expel the poison from the blood. These
pills are sold by all druggists.

Republicans, the plan of non-partisan
control needs a Democrat from the Sec-
ond.

IN THE THIRD.

In the third municipal ward, Mr. O.
W. Moyle's term expires. There has
been some talk of change there, but it
is probable that the people of the Third
will unite again on Mr. Moyle. His re-
turn is practically assured. The sug-
gestion for a change, his friends
say, was wholly on political grounds,
Mr. Moyle being a Democrat, but as
the even balancing of the board needs
a member of that political party from
the Third, the general good of the
schools is regarded as being against
a change.

MILLER AND THOMAS.

In the fourth municipal ward, Mr.
Joseph Georgehegan retires. He does not
want the place again, so a new man
is being looked for. At present ex-
United States Marshal Glen Miller is

most prominently talked of. He would
be an excellent member. His residence
is in the west end of his district, and
he is a Republican. Mr. Georgehegan is
a Democrat. If Mr. Miller be chosen, it
would make the majority of the board
Republican, but the personnel named is
of such high standing that this particu-
lar division cuts little figure. Those
who look at it as important, however,
are urging that Dr. Gowan, a Socialist,
be named. He too, is an excellent man.
The other member from the Fourth, Mr.
Mathoniah Thomas, also retires, but
will probably be re-named. He was
chosen to fill a vacancy occasioned by
the resignation of Mr. B. S. Young, and
re-election is necessary. He is also a
Democrat. His residence is in about
the geographical center of the district,
but is east of the center of population.
As he is acceptable to everybody his
return is conceded.

NELDEN PERHAPS.

In the fifth municipal ward, Mr. W.
A. Nelden is the retiring member. Up
to the present, the sentiment of the
citizens' movement in the Fifth has not
crystallized for any particular person.
Several leading men have been talked
of, but it will perhaps be a day or two
before all the known available men
are discussed among the people who
lead in these movements. Mr. Nelden
would probably accept a nomination
on a citizens' ticket, as he has been a
member of the board for a long time,
and is deeply interested in the work.

Taking everything into consideration,
it is probable the citizens' movement
will sweep the entire city, as all the
conservative elements are backing it.
Of course the voters need to get out
at the convention and at the polls to
accomplish desirable results, that a vi-
cious element may be kept out, and
the best interests of the school system
be conserved.

The members who continue without
election for two years more are Prof.
Byron Cummings from the First mu-
nicipal ward, Mr. M. H. Cheesman from
the Second, Mr. Wm. J. Newman from
the Third, and Judge H. P. Henderson
from the Fifth. All these are able,
efficient members, and have the full
confidence of the people.

GUILTY OF FORGERY.

Henry Meldrum, Formerly U. S.
Surveyor at Portland, Or.

Portland, Or., Nov. 17.—Henry Mel-
drum, formerly United States surveyor
was today found guilty of forgery on
21 counts by a jury in the United
States district court. The trial was be-
gan Thursday and carried to its con-
clusion with remarkable celerity. It is
the first conviction in the so-called
land fraud cases now pending before
United States District Judge C. B. Bel-
linger.

Meldrum was accused of having,
while United States surveyor, forged
the names of 18 persons to applications
for surveys of land in Harney county,
Oregon, west and southwest of Harney
lake.

The contract for surveying this land
was awarded to Rufus Smoore, Mel-
drum's nephew, for \$3,500.

Watson Asteroids Located.

Berkeley, Cal., Nov. 18.—With the new
photographic telescope, constructed by
the University of California astronomi-
cal department, Dr. R. T. Crawford and
Dr. A. F. Gilliland have been success-
ful in locating a large number of the
Watson asteroids. Plates have been
exposed on every clear night during the
current month and two asteroids which
are now in opposition have been found
each time without fail.

Constipation.

Health is absolutely impossible, if con-
stipation be present. Many serious cases
of liver and kidney complaint have sprung
from neglected constipation. Such a de-
plorable condition is unnecessary. There
is a cure for it. Herbine will speedily
remove constipation. C. A. Lindsay, P. M.
Bronson, Fla., writes, Feb. 12, 1902: "Hav-
ing tried Herbine, I find it a fine medi-
cine for constipation." 50c bottle. Sold by
Z. C. M. I. Drug Dept.
