GOOD PLAYING IN TENNIS TOURNEY.

Fort Douglas Site Splendidly Located for Champion Match Of the Year.

BOTH COURTS BUSY ALL DAY

Former Champion Neel Let Singles Go By Default Yesterday to Save Himself for Work in the Doubles.

The second day of the Intermountain tennis tourney, which is to settle for a year the championship for the western mountain states, is on at the Fort Douglas courts. The players may be comfortably seen from the officers' quarters, and the ladies of the Fort are among the most enthusiastic spectators of the love-two game.

The play yesterday lasted all day, and was of an excellent grade. The sun was specially hot for the occasion, but a slight breeze helped matters, and the players fought hard for supremacy despite all the obstacles. Strings of city visitors thronged the courts as their favorite players or friends were scheduled for games, and then went home, leaving each set to be watched by its own crowd of visitors.

The playing today, and that of yesterday is of a preliminary nature, testing out the players, and bringing the best to the front. Yesterday the usual order of things was for a good man to be matched against a poorer one, and put him safely out of commission in a minimum number of sets. For this reason few games were prolonged. Skinner and Davis however put up a three set game, the first going to Skinner, and second to Davis, and the third to Skinner, whose form was decidedly better. This was the closest contest of the day.

An interesting match was the women's doubles, which was called at 3 o'clock. Miss Miller and Miss Lyons won from the Misses Marshall in two straight sets.

Sam Neel was expected to play yesterday, but defaulted his game to save himself for the doubles.

Brown, who has forged rapidly to the front on the Miller courts, played singles with Niles, and used up his opponent in two sets.

BETTER PLAY TODAY.

For today games are scheduled in which better form will no doubt be shown, as some of the players are top notchers who are conceded candidates for the semi-finals and possibilities for the finals.

The summary of yesterday's results is as follows:

Kaysville and Bountiful teams met in a lively ball game yesterday afternoon at Lagoon Kaysville winning by a score of 8 to 6. A large crowd saw the game from the bleachers. Bountiful took a lead of three runs in the first, but was overcome by Day's splendid pitching for Kaysville, which put the Bountiful batters out with but slight hitting records.

CONTAGIOUS BLOOD POISON

Contagious Blood Poison more thoroughly poisons the blood than any other disease. Every part of the body is affected when the virus becomes intrenched in the circulation; red eruptions break out on the skin, the mouth and throat ulcerate, glands in the neck and groins swell, the hair falls out, copper-colored splotches appear on the body, etc.

I was afflicted with blood poison, and the best doctors did me no good, though I took their treatment faithfully. In fact I seemed to get worse all the while. I took almost every so-called blood remedy, but they did not seem to reach the disease, and had no effect whatever. I was disheartened, for it seemed that I would never be cured. At the advice of a friend I then took S. S. S. and began to improve. I continued the medicine, and it cured me completely.
Hamlet, N. C. W. R. NEWMAN.

So highly contagious is this disease that many a life has been ruined by a friendly hand shake or from using the toilet articles of one affected with the poison. To cure this hideous and hateful disease a constitutional remedy is required. S. S. S. goes down to the very root of the trouble and forces out every particle of the virus from the blood and cures the disease permanently. S. S. S. is purely vegetable and drives out the trouble, root and branch, and no signs of it are ever seen again. Those who have been cured by S. S. S. can feel assured that none of the poison is left in the blood to transmit to innocent offspring. The entire body is built up and the blood made pure, rich and healthy by this great remedy. Book with instructions for home treatment and any medical advice desired will be given free of charge.

Clark Griffith, Manager of New York American Ball League, Poisoned at Dinner.

FOOD CONTAINED PTOMAINE.

Fains Attacked Ball Magnate on Train Back to City, but Doctors Prevented Fatal Result.

New York, Aug. 8.—Clark Griffith, manager of the New York American League base ball team, narrowly missed losing his life yesterday by ptomaine poisoning. His condition last night showed much improvment and he is likely to be about again in a few days. Manager Griffith, accompanied by his wife, dined at Coney Island Sunday night and was returning home by train when the manager was suddenly attacked with terrible pains. They became so severe that it was deemed advisable to stop on the way and the sufferer was carried into a drug store. Physicians worked over the patient for a long time and finally relieved him. Yesterday, however, Griffith became much worse but by careful nursing he rallied from the attack and after a restful sleep of several hours appeared much better. He was taken home before the second attack.

Keystone Golfers Capture Olympian Cup At Chicago in All Day Battle.

Chicago, Aug. 7.—W. C. Downes' team of Western Pennsylvania Golf association players won the Olympian team cup event after an all-day battle on the Chicago Golf club links today by the total score of 655, defeating the Western Golf association quartette by five strokes. W. J. Travis' four, representing the Metropolitan association, was third, with a total of 644. Other teams made the following totals: The Pacific Coast team finished with 710. The St. Louis and Wisconsin association teams withdrew after the morning round.

Forty-eight keen golfers began the play in the morning round of 18 holes, and all finished. The honor of opening the Olympian tourney fell to W. C. Downes, Jr. Mr. Fawns played excellent golf, making a total of 159 for the thirty-six-hole effort.

Several hundred enthusiastic spectators were in the galery that followed the feature pair of the day, National Champion H. C. Egan, leader of the Western Golf association team, and Former Champion Walter J. Travis, captain of the Metropolitan quartette.

In the morning Egan was slightly erratic and got a total of 77 to Tavis' 79. In the afternoon neither did good medal scoring, each getting an 82, but Travis six holes and Egan only three. Dr. D. P. Fredericks, one of the players who is thought to be almost certain to bother some of the stars in the national championship tournament which begins tomorrow, had the best medal card of the day (79, 77—156), a record for the course.

When the Olympian cup was put up for team match at St. Louis last year as a curtain riser for the Olympian championship, Captain H. C. Egan's team won it. Today's play for the massive trophy marks the first annual competition under the medal scoring play. Both Captain Egan and his cousin, Walter E. Egan, made good totals for the Western Golf association team—159 and 164 respectively. But their young Midothian associates, R. E. Hunter and Mason E. Phelps, failed to get their usual brilliant round. Hunter required 85 in the morning and 87 in the afternoon. J. D. Travers did not play up to his reputation for the New York team, getting 82, 85—167—while Fred Herreshoff, with an 80 in the morning, succeeded in making a 79 in the afternoon. McDonald, the first amateur champion, was not able to do much, taking a 177 for the double round.

Dr. P. Fredericks' medal score follows: A. M.—Out, 40; in, 39; 79. P. M.—Out, 40; in, 37; 77—156.

H. Chandler Egan's card: A. M.—Out, 39; in, 38; 77. P. M.—Out, 43; in, 39; 82—159.

Walter J. Travis' card: A. M.—Out, 40; in, 39; 79. P. M.—Out, 40; in 42; 82—161.

Tomorrow the first qualifying round of eighteen holes for the eleventh United States Golf association championship will be played. There are 136 entries for the championship. Wednesday the concluding eighteen holes will be played and the best thirty-two scores for thirty-six holes will qualify for the match play.

INTELLECTUAL TENNIS.

Boston Wrapped Up in Largest Tourney Of Its History.

Boston, Aug. 7.—The largest tennis tournament ever held in this country began today at the Longwood Cricket club. Of the ninety-three players entered in the singles, no less than eighty-seven appeared on the courts and fifty-six matches were decided between 10 o'clock in the afternoon and 7 o'clock tonight, when darkness stopped the sport with three contests still unfinished. In addition when the entries for the eastern championship in doubles closed tonight, thirty-six pairs had sent in their names. The doubles will be started tomorrow.

The day was productive of no surprises, although several of the players who were picked to win, were obliged to play extra sets, and one or two narrowly escaped defeat. Karl H. Behr, the Yale expert and winner of the Nehant tournament last week, was nearly put out by N. W. Hallowell, an old Harvard player. A large crowd gathered to watch the match between E. M. Leonard and G. A. Lyon, Jr., which Leonard won with the score of 10-8; 6-0; 10-8. W. J. Clothier defeated Z. Sargent, 6-2, 6-1; 6-2 and C. Robert defeated E. V. Page, 6-1; 6-2; 6-0.

New Ball Team.

Once upon a time there was a Murray baseball team and a Short Line baseball team. Now they die and are to be forgotten in order that the Salt Lake team may be formed out of their members, the new team to enter contests with Eureka and Park City for the rest of the season. The Murray team and the Short Lines were both composed of about the same people, and the bunch was not a slow one. It proposes now to give Salt Lake baseball at least once a week for the summer. Dan Hughey heads the aggregation, among whom are numbered Seare, Nephi Thomas, Hahn, Ferdin, Smith, Gunn, Cook, Stewart, James, Ostler, Hughey and Thornton. Sunday next the team will open here in a game with the Vincent-Notts.

The Ladies' Literary club will go to Saltair on Aug. 22. This was decided at a meeting held yesterday of the home and education section. The proceeds are to be used in the work of this section. At the meeting, Mrs. Wm. C. Jennings reported upon her selections of art works while in Boston. These works are to be placed in the model corridor at the Uintah school and will consist of the following copies of masterpieces: Dianna of Versailles, the Lisle Head, the Madonna of Dellarobbia, a carbon of the Canterbury cathedral and Da Forli's "The Angel." The reports of the various chairmen of the several departments of the section show a healthy condition of affairs throughout, and when the regular meetings are resumed in September, they will show that an unusually prosperous and profitable year has been completed.

Beautiful Complexions *and* Bright Eyes

Every woman likes to have a clear, keen eye and the rosy complexion of health. No one likes the dull, heavy eye or the jaundice colored skin that goes with a Torpid Liver, Constipation, Indigestion, Sick Headache, Biliousness, etc., that makes so many women look as they feel, which is not very attractive.

Would you, ladies of America, have the rosy cheeks and bright eyes such as the women of England boast? Your English cousins have found the secret of keeping well and looking so. You can too, if you
