Spanish Commissioners Ap-
pointed.
WASHINGTON, 3.—The Interior
Department has received, through
the Secretary of State, a telegram
from the Spanish government, an-
nouncing that Spain has appointed
a board of commissioners, with
Castelar as its president, to repre-
sent that country at the Centennial
Exposition.
"Alabama" Claims Commission.
The court of commissioners of the
Alabama claims re-assembled to-
day. All were present except
Rogerson, who was detained at
home by illness. A large number
of attorneys were present. The
calendar was called to ascertain the
condition of each case. Several
demurrers will be argued to-mor-
row. No case is yet ready to be
argued on testimony. Several new
rules were proposed by counsel
feeling the sufficiency of evidence,
and they are now open for argu-
ment. Another point to be deter-
mined is whether a British subject,
serving as a seaman on board a cap-
tured vessel, is entitled to indemnity.

Attorney General's Report.
The Attorney General's annual
report shows that there were judg-
ments during the fiscal year, in
suits in favor of the United States,
of \$2,021,724; the amount actually
realized was \$867,192. Of criminal
cases, 6,018 were terminated, in-
cluding 2,623 convictions, of which
102 out of 968 were under the en-
forcement acts. The total of the
suits to which the United States
were not a party was 19,194, of
which 11,490 were terminated, judg-
ments being to the amount of
\$10,630,000. Of the suits in which
marshals, commissioners, etc., for
the year, were \$2,689,730, or \$38,138
less than the previous year. The
amount awarded by the court of
claims was \$2,418,804, against total
claims of \$4,054,368. The Attorney
General recommends that the U. S.
District Court be given authority to
issue subpoenas, directing attend-
ance before the court of claims, and
that the latter be given power to
repeal or amend any judgment in
favor of the United States, if the
court is satisfied that the judgment
is erroneous. The board of commis-
sioners of the District of Colum-
bia has increased; that all the
paid by salary only, their fees being
abolished; that a penitentiary be
erected in the District of Columbia
for the confinement of convicts in-
stead of in that of Albany; that a
uniform code be provided for the
selection of jurors for courts, and
the enactment of a law regulating
the fees and costs of clerks, marshals,
and attorneys for the U. S. courts.

Another Bank Suspended.
PHILADELPHIA, 3.—The board of
directors of the Citizens' Bank, at
a meeting to-day, resolved to wind
up the affairs of the bank, and to re-
ceive the assets of the bank, and to
liberally, and its notes are not yet
matured, but are said to be perfect-
ly good. The president says that the
personal liability of the stock-
holders, to the extent of their shares,
fully guarantee all the liabil-
ities of the bank.

A Parson Under Bonds.
The Rev. Thos. Cooper, pastor of
the Free Congregational Church,
of Franklin, to-day answered to a
capias issued by the sheriff, and he
is now under bonds in \$5,000, to
answer to a charge of seduction
and adultery upon Flora May
Peters, aged eighteen years, also
of Franklin; the charge was made
by the father of the girl. The suit
is in the eighth district. The
former received the votes cast in
the district, but the County Com-
missioners of Ward county had not
returned the vote of two precincts,
on account of alleged irregularities,
and this vote being omitted Cate
had two majorities. After listening
to the arguments of the State Can-
vasser, he decided that they would
award the certificate according to the
returns received. The counsel for
McDill will apply to the Supreme
Court for a mandamus.

Election Contest Decided.
MILWAUKEE, 3.—Arguments
before the Wisconsin Supreme Court
to-day, in the question as to whether
a certificate should be given to
McDill, republican, or Cate, dem-
ocrat, in the eighth district. The
former received the votes cast in
the district, but the County Com-
missioners of Ward county had not
returned the vote of two precincts,
on account of alleged irregularities,
and this vote being omitted Cate
had two majorities. After listening
to the arguments of the State Can-
vasser, he decided that they would
award the certificate according to the
returns received. The counsel for
McDill will apply to the Supreme
Court for a mandamus.

Presbyterianism.
NEW YORK, 3.—A meeting of the
conference committee of the vari-
ous Presbyterian bodies in the U.
S. and Canada was held this morn-
ing, to receive reports from the gov-
ernment of the various churches in
the world which adhere to Pres-
byterian tenets.

Resolved—Suit by Insurance
Companies—The Longshoremen.
Russell Sage, to-day, resigned as
president and director of the Pacific
Mail Steamship Company; Wm.
H. Gulon, Vice-President, assumed
his duties pro tem.

Insurance. The Fire Insurance
Company and twelve others have
begun a suit in the U. S. circuit
court, to recover from the govern-
ment the amount collected from
them as revenue tax, upon divi-
dends and earnings; the point
taken is that the law of 1869, with
its subsequent amendments, is un-
constitutional.

The Longshoremen of Hoboken
endeavored to effect a compromise
with the Bremen, Hamburg, and
English steamship companies, but the
agents informed them that no
union men would hereafter be em-
ployed.

The New York Longshoremen
have had an understanding with
Walsh Bros., the leading stevedores
on the north river, and a medi-
ation in the strike of consequence
has been agreed to, and it is ex-
pected that the men will go to work
to-morrow.

Meeting of Presbyterian Syn-
ods of the West—The
annual meeting of the Presbytery
of the West, held at the Hotel
Macon, last evening, in the
presence of a large number of
visitors, was held in the
evening.

Church on Fifth Avenue and 29th
street, for the purpose of holding a
report of the proceedings of the vari-
ous Presbyterian Churches in the United
States and Canada. The Rev. Dr.
John Hall, president, Dr. McCosh
of Princeton, made an address,
and read resolutions, which were
adopted, declaring in favor of the
step of bringing into the confeder-
ation all the churches in the world,
holding to the Presbyterian form of
government. The resolutions
declared that, while this would
make fellowship closer, it would in
nowise separate them from other
churches, it will not require any
church proposing to join it to sub-
mit to its creed, and will admit
only the church whose creed is in
uniformity with the reformed
churches. It will not interfere
with the internal order and disci-
pline of any church; a general coun-
cil shall be formed from the dele-
gates of all churches; it shall op-
erate in the removal of heresies, in-
fidelity, and labor for the spread
of truth throughout the world. A
convention shall meet in London
during the summer, and a consti-
tution shall be adopted and rep-
resentation agreed on. Other
addresses were made in favor of the
movement by a number of gentle-
men.

The last official communication
of the late Mayor Havenner was
a letter to James Cowan, president
of the commissioners of charities
and corrections, stating that he was
informed that unusual and scandal-
ous privileges had been allowed
Wm. M. Tweed at Blackwell's
island, and calling for a report on
the matter. Mayor Vance, to-day,
seconded the request, and added
that if these reports were true they
were sufficient grounds to warrant
the removal of Tweed from office.
This was followed by the
resignation of that officer this after-
noon.

Paradise, on the 2nd inst., in lat-

for Liverpool before it was dis-
covered that she had the smallpox
board, embarked on the steamer
Arctic, and that the latter was
sent to the hospital, and the
smallpox was again landed,
and the ship was quarantined in
the Liverpool workhouse; the Vi-

FRANCE.
MacMahon's Message.
PARIS, 3.—President MacMahon's
message, read to the Assembly this
afternoon, congratulates the coun-
try on its prosperity, the increase
of its agricultural products and com-
merce, the bright prospects for the
coming year, and its credit and
better standing among foreign na-
tions. The President made a strong
appeal to the necessity of definite leg-
islation with regard to constitutional
powers, and continues as follows:
"I have only to repeat to you that
the country asks you to guarantee
by measures of wise foresight,
the regularity of the public power,
during the period of stability
which you promised France. You
will shortly examine these grave
questions, and an understanding,
I hope, will be arrived at. I do not
decline any share of the respon-
sibility of my government by want-
ing to state how I understand my
duties toward the assembly and
country. I did not accept power to
serve any party, I only pursue the
work of the nation and national
restoration. It is my ardent desire
to have the support and good will
of these whose personal preferences
I have to set aside, and to have
before me the united and sincere
present necessities of the sacred
cause of our country. I claim their
support in the name of France,
in the name of the greatness I have
placed in view. Nothing will dis-
courage me in the accomplishment
of this task; it is my duty not to
desert the post in which you have
placed me, but to occupy it up to
the last day, with unshaken firm-
ness and scrupulous respect for the
law."

BERLIN, 3.—The Prussian gov-
ernment has issued a circular to
the provincial authorities, instruct-
ing them most urgently to caution
the people against the false rep-
resentations of the Paris Commune,
and to state that the representa-
tives of the Commune, who have
gone out under their representative
names to return to Germany, are
in a most objectionable position.

FRANCE.
MacMahon's Message.
PARIS, 3.—President MacMahon's
message, read to the Assembly this
afternoon, congratulates the coun-
try on its prosperity, the increase
of its agricultural products and com-
merce, the bright prospects for the
coming year, and its credit and
better standing among foreign na-
tions. The President made a strong
appeal to the necessity of definite leg-
islation with regard to constitutional
powers, and continues as follows:
"I have only to repeat to you that
the country asks you to guarantee
by measures of wise foresight,
the regularity of the public power,
during the period of stability
which you promised France. You
will shortly examine these grave
questions, and an understanding,
I hope, will be arrived at. I do not
decline any share of the respon-
sibility of my government by want-
ing to state how I understand my
duties toward the assembly and
country. I did not accept power to
serve any party, I only pursue the
work of the nation and national
restoration. It is my ardent desire
to have the support and good will
of these whose personal preferences
I have to set aside, and to have
before me the united and sincere
present necessities of the sacred
cause of our country. I claim their
support in the name of France,
in the name of the greatness I have
placed in view. Nothing will dis-
courage me in the accomplishment
of this task; it is my duty not to
desert the post in which you have
placed me, but to occupy it up to
the last day, with unshaken firm-
ness and scrupulous respect for the
law."

annual meeting of the Presbytery
of the West, held at the Hotel
Macon, last evening, in the
presence of a large number of
visitors, was held in the
evening.

Church on Fifth Avenue and 29th
street, for the purpose of holding a
report of the proceedings of the vari-
ous Presbyterian Churches in the United
States and Canada. The Rev. Dr.
John Hall, president, Dr. McCosh
of Princeton, made an address,
and read resolutions, which were
adopted, declaring in favor of the
step of bringing into the confeder-
ation all the churches in the world,
holding to the Presbyterian form of
government. The resolutions
declared that, while this would
make fellowship closer, it would in
nowise separate them from other
churches, it will not require any
church proposing to join it to sub-
mit to its creed, and will admit
only the church whose creed is in
uniformity with the reformed
churches. It will not interfere
with the internal order and disci-
pline of any church; a general coun-
cil shall be formed from the dele-
gates of all churches; it shall
