

TO THE MERCHANTS OF UTAH!

A. T. GREEN,

Successor to

JAMES LINFORTH,**Commission Merchant,**

3 FRONT STREET, near Market.

SAN FRANCISCO, CAL.**MERCHANDISE and MACHINERY** of all descriptions purchased or imported for UTAH TRADERS on the most favorable terms and at lowest current rates.

The near approach of the CENTRAL PACIFIC RAILROAD to the principal business points in Utah, affords an opportunity to merchants to quickly and frequently replenish their stocks at any season of the year.

Many articles of general consumption, both of foreign production and California manufacture, can be obtained at less cost from San Francisco than elsewhere.

California and Oregon-made Woolen Goods, Blankets, Cassimeres and Clothing, such as underwear and Hosiery, are superior to anything imported and intrinsically cheaper. Making

SAN FRANCISCO

Unquestionably

The Market for Utah!

And ahead of all others in the advantages offered.

Actual market quotations and all necessary information furnished to merchants on application.

Having been for the last sixteen years engaged in the Wholesale Trade of this city, and acquired a general knowledge of this Market, and the wants of the Country Merchants, through direct intercourse with them, I feel justified in saying that all orders for Goods, of any description, or any other business intrusted to my care will be attended to with satisfaction to my patrons.

Respectfully soliciting a continuance of the business, as heretofore confided to Mr. Linforth, I beg to refer (by permission) to the following gentlemen.

A. T. GREEN,

No. 3 FRONT STREET, SAN FRANCISCO.

**WE ARE NOW MANUFACTURING, IN CONNECTION WITH THE ST. LOUIS STAMPING COMPANY,**

A new line of

TINNED and POLISHED WROUGHT IRON WARE, suitable alike for**HOUSEHOLD, MINERS' OR CAMP USE.**

And take pleasure in calling the attention of Store, Hardware and general dealers to the many desirable qualities of this NEW WARE, not only as an article of trade but of UTILITY, combining as it does, NEATNESS, CONVENIENCE and LABOR SAVING in the care of utensils that are in every day use, in the most important of all HOUSEHOLD DEPARTMENTS. We desire and request every housekeeper to see our Tea Kettles, Sauce Pans, Dippers, Dish Pans, Wash Basins, Polished Stew and Fry Pans, as we are sure they have only to be seen to be appreciated.

Many of the articles are made entirely of one piece of wrought iron which, during the process of manufacture, receives several coatings of black tin; this leaves a surface, when finished, perfectly smooth, easily kept clean and entirely protected against rust. The cost is but little more than common tin ware, and every article will do ten times the service. The shape enables us to pack the various sizes in nests so as to occupy but little space, and being but a little heavier than tinware, the cost of transportation is very small. At present our assortment consists in part of

Tea Kettles, Camp Kettles,
Mess Pans, Dish Pans, Sauce Pans,
Dish Kettles, Fry Pans,
Fadles, Dippers, &c., &c.

We are now preparing a new Catalogue and Price List, and we believe Store and Hardware Dealers will find it to their interest to send for a copy of each before purchasing elsewhere. Address

Excelsior Manufact'g Company,
ST. LOUIS, MO.

For the Deseret Evening News.

By Telegraph.**GENERAL.**

Boston, 5.—The Anti-Butler Republican Mass Convention, to-day, nominated Richard H. Dana, jun., for Congress. Resolutions denouncing Butler's financial policy, and declaring that the Republicans of the district ought not to send to Congress a representative who is disqualified by bitter enmity against Grant, from being a party supporter of his administration, and declaring that Butler is not a true representative of Republican principles.

Washington, 5.—The Assistant Postmaster General says it is not true that the transportation of mails between the termini of the Union and Central Pacific Railroads has been suspended. C. Spades, of Chicago, was the accepted bidder for the service, but before the contract was filled, Congress repealed so much of the postage law as provided that no newspapers should be sent overland without prepayment of letter postage, thus very largely increasing the bulk of mail matter. Owing to the failure of Spades in fulfilling the contract, Wells, Fargo & Co. are now carrying the mails under a temporary arrangement until the matter can be adjusted.

Philadelphia, 5.—The Attorney General has petitioned the Supreme Court that certain persons, to whom naturalization papers have been issued without a previous declaration of intentions to become citizens, be made to show cause why said papers should not be vacated. The court holds the matter under consideration.

Baltimore 5.—Mrs. Lincoln sailed for Europe on the steamer *Baltimore* to-day.W. F. Ritchie, former editor of the *Richmond Enquirer*, died in this city on Friday night of disease of the heart.

Pittsburg, 5.—The Democrats held an immense mass meeting here to-day; there was also a fine procession, which was over two hours passing any given point. Business houses and residences along the route were profusely decorated with flags, Chinese lanterns, etc. Among the speakers were Heister Clymer, Geo. H. Pendleton and Edgar Curran. The torch light procession, to-night was a grand affair. Many buildings were brilliantly illuminated.

Chicago, 5.—The corner stone of the new Illinois State House was laid at Springfield, to-day, with appropriate masonic ceremonies; an immense crowd was in attendance. The building will probably cost five millions.

Memphis, 5.—About four thousand stand of arms arrived here this morning from St. Louis, consigned to a firm at Little Rock, Ark. It is alleged that they are for arming the negroes. The military authorities know nothing of them. There is considerable excitement and indignation among the citizens. The boats refused to take them on any terms, they were consequently left on the levee.

On Saturday night a train on the Mississippi Central road ran through some trestle work, precipitating four cars into the river; a colored brakeman was killed and seven passengers injured.

Indianapolis, 5.—Schuyler Colfax spoke at Rink, to-night, to an audience of fully five thousand persons; a large number was unable to gain admittance.

Hartford, 5.—This city gives 750 Democratic majority, being gains over last Fall. New Haven gives 919 Democratic majority, which is a gain over last Fall, but not over last Spring. The *Times* says the scattering returns from various cities show large Democratic gains.

Washington, 6.—Gen. Merritt, commanding at Fort Davis, Texas, reports recent victories over the Apache Indians by the troops under his command, their camp was destroyed including the winter store of meats, berries, &c.; all their stock was captured.

Hartford, Conn., 6.—Returns from about two-thirds of the state show large Republican gains; in the popular vote the Republicans lost one town and gained three.

New York.—The *Express* has a dispatch from C. M. Ingersoll, of New Haven, saying that the returns now indicate a Democratic majority in this State will be over five thousand in November.

The tri-annual convention of the Protestant Episcopal church meets in Trinity Church to-morrow; forty-two bishops and nearly one hundred and fifty laymen delegates are expected to be present.

A story was circulated in the gold room to-day that government was treating for the purchase of Cuba.

It is announced that subscriptions
