SALT LAKE CITY, July 13, '89.
RE. News.—Dear Sir, The smaller settlements of Oxford, Weston, Clarkson and Mendon, Cache county, at present, have good prospects for grain, vegetables, etc., Franklin, Hyde Park and all the other places will raise small patches of wheat. In most of the settlements the gardens look fine and small fruits are abundant. As you no doubt have learned myriads of grasshoppers have died from some unknown cause. The dead were so numerous in places that the air was made offensive by their stench.

The enterprising men of Logan are working a road through to Bear Lake Valley. They expected to reach the forks of the cañon by Saturday next. With President Benson I visited the workmen a few days ago, and found the cañon, as far as we went, the roughest, I think, of any in the Territory through which attempts have been made to build a public road.

The people do not seem dispirited on account of the last four seasons' ravages by insects. Crops in Box Elder (save at Portage and Bear River City) Weber and Davis counties never looked better. Two cases, a woman and man, of small pox are reported at Corinne. They were shifted to quarantine quarters east of Bear River. One case is reported at Brigham City, but disputed by some. At Paradise the mortality among children was great, some thirteen have died within a few weeks; the cause, malignant measles.

Respectfully, etc.,
 CALCUTTA.

PROVO CITY, July 12th, 1889.

Editor Deseret Evening News.—On Thursday, the 8th inst., in company with Bishops A. O. Smoot, E. F. Sheela and Dr. John Riggs, I visited the encampment of Brig. Gen. A. K. Thurber, pleasantly situated on the rising ground, a short distance east of Piontown, where his command was mustered for the purpose of drill and inspection; there we met General Wm. B. Pace, Col. Geo. Peacock and other visitors.

The day was spent attending to the duties of camp and drilling. In the evening, after prayer by Bro. David Holladay, Bishops Smoot and Sheela addressed the men, giving good instruction and wise counsel, illustrating the beauty of enlightened and perfect obedience in the spirit of our religion.

The evening was cool, and a strong wind during the night leveled a few of the tents, Gen. Thurber, in which we were hospitably entertained, sharing a similar fate, but was soon raised again. Friday was a busy day, every hour being profitably engaged in drilling, reviews, inspection of arms and election of officers. Many visitors were present from the neighboring settlements. Major Gen. Johnson and Generals Pace and Thurber delivered encouraging addresses, showing the necessity of drilling at their several posts, adopting the system of tactics approved by the U. S. Government (Upton's Military Tactics), in which they had exercised during their encampment.

In view of the adoption of a new system of drill, and the length of time that has elapsed since the last muster, it was pleasing to witness how readily the evolutions were executed, showing that a little time (from our multiplied labors) devoted to practical instruction and drill would bring about results most desirable.

The elections in the 1st Regiment, Col. McClellan's command, were as follows: George Patton, Senior Major; G. W. Hancock, Junior Major; Jon. S. Page, Major of Cavalry; W. S. Pace, Captain of Cavalry.

2nd Regiment: Wm. Greer, Senior Major; H. D. Leeson, Junior Major; Alex. Sutherland, Sergeant Major; Wm. Bramall, Quartermaster; A. Ferguson, Commissary Sergeant; C. D. Evans, Surgeon.

At the drill and inspection of the 1st Brigade, commanded by Brig. Gen. W. B. Pace, on June 9th and 10th last, the following elections took place:

1st Regiment: R. T. Thomas, Senior Major; Wm. W. Hays, Junior Major; S. S. Jones, Regimental Adjutant; G. G. Bywater, Chaplain; Peter Stubbs, Quartermaster; A. H. Noon, Surgeon; D. Cluff, Junior Sergeant-Major; Hyrum Cluff, Right General Guide; Jno. R. Twelves, Left General Guide.

2nd Regiment: B. W. Driggs, Major of Cavalry; Wm. Kelley, Senior Major; Ed. Edwards, Junior Major; Wm. H. Wind, Regimental Adjutant; Wm. S. S. Willis, Surgeon.

At these musters, held at American Fork and Provo, Major General Burton gave good instruction, and this being the first introduction of the new system of drill to the militia of Utah, advised its cheerful adoption and practice as recommended by Lieut. Gen. Wells.

Many good improved arms were inspected; the old shotguns are disappearing. The companies at American Fork and Spanish Fork were the best armed. We expect the fall muster will display more improved weapons of defense, and those who have them will learn the use and worth of keeping them.

A. F. MACDONALD.
S. L. CITY, July 17th 1889.
Editor Evening News.—Dear Sir, Since last writing to you concerning my lost child, I have learned that Pokatello has acknowledged to President Maughan, of Cache Valley, that one of his band stole her, and that they sold her to a white man on Salmon River.

I first heard the news through a young man named Wm. George, of Cache Valley, and subsequently through David Savage, of the same place. He told my brother Smith that he, himself, had inquired of President Maughan and that the latter told him it was a fact that Pokatello had confessed the theft and that they sold her to a white man on Salmon River.
