EVENING NEWS.

Saturday, - November 4, 1876.

By Telegraph.

PER WESTERN UNION TELEGRAPH LINE.

Last Night's Dispatches.

EASTERN

The Formal Closing of the Exposition—The Ceremonies.

PHILADELPHIA, 10.—Great numbers of people are in attendance at the Centennial grounds to witness the formal closing of the Exposition. Shortly before two o'clock President Grant, escorted by Gov. Hawley, ascended to the platform, followed by the Centennial Commissioners, board of finance, foreign commissioners and invited guests. After the excitement of the multitude, occasioned by the presence of General Grant, had subsided, the orchestra, under the direction of Theo. Thomas, performed Wagner's Inauguration March, composed for the opening exercises on the 10th of May last, and at its conclusion, Rev. Jos. A. Reiss offered up a prayer.

The chorus, accompanied by the orchestra, sang a choral, entitled "Fugrie" by S. Bach.

An address was delivered by the Hon. D. J. Morrill, U. S. Centennial Commissioner from Pennsylvania.

After music by the orchestra and addresses by several prominent gentlemen, President Grant declared the International Exposition of 1876 closed. The Doxology was sung by the chorus and the audience, accompanied by the orchestra, and the formal ceremonies were concluded.

Delegation for New Orleans.

In accordance with the request of Governor Kellogg, of Louisiana, that prominent men should go from the north to inspect the counting of votes in that State, the President has invited the following gentlemen to proceed to New Orleans for such purpose: Hon. W. D. Kelly, of Pennsylvania, Gen. J. O. Garfield, of Ohio, Hon. J. A. Kasson, of Iowa, John Schonberg, of Pa., and Gen. J. A. Logan, of Illinois. It is understood that most of these gentlemen have accepted, and will reach New Orleans within a few days.

It is stated, on good authority, that the President has also requested the following gentlemen to visit the South, in order to secure a fair count of the presidential vote: Thomas Bewer, Esq., of Pa., and Hon. Henry Stebbins, of New York.

A Delegation of Prominent Men Wanted to Counsel Peace and Give Honest Returns.

NEW YORK, 10.—The following dispatch has been sent to Governors Ingersoll, Hubbard, Robinson, Bedle, Curtin, Palmer, McCreery, Carroll and others; also to Senators Thurmond, Bayard, Randolph, McDonald, Kernan and other Senators, and to leading public men in the northern States:

"Republicans and Democrats, citizens of New Orleans, urgently request that a delegation of prominent men come here at once to counsel peace and a fair and honest return. You are earnestly requested to be one of ten or fifteen gentlemen, all widely known, to meet at the Louisville Galt House on Saturday evening, and proceed directly south; or, if more convenient, meeting at the St. Charles Hotel, New Orleans, on Monday morning. Your prompt acceptance by telegraph is requested. This emergency appeals to your patriotism.

"ABRAM HEWITT, Chairman."

Bound for New Orleans.

The following have signified, by telegraph, their intention of starting at once for New Orleans in response to a call of the Democratic National Committee: Hon. Lyman Trumbull, Ills., ex-United States senator, Hon. J. M. Palmer, Ills., ex-governor, Hon. A. J. Curtin, Penn., ex-Senator Hamilton, M.D., Hon. P. Doolittle, Wis., ex-Senator Lieut. Gov. Colbough, Ills., Judge J. B. Stalle, Ohio, Hon. Oswald Ottertorfer, New York, Hon. Henry Watterson, Ky., Hon. Theo. F. Randolph, N. J., Hon. J. B. Smith, Wis., ex-Governor Hon. C. Carroll, M.D., ex Governor Bigler, Penn., Hon. G. V. Fox, Assistant Secretary of the Navy, Hon. Saml. J. Randall, Penn., Prof. Sutner, Yale College, and Hon. H. D. McHenry, Ky.

No Disturbance in Florida.

SAVANNAH, Ga., 10.—Transportation has been ordered for troops to pass through this city to-night for Florida. Advices from Florida say that the State has undoubtedly gone democratic by 2,000 majority. There has been no disturbance as far as heard from.

Body Found.

CUSTER CITY, 10.—The body of a man named Chas. Foster, was found, to-day, three miles north of Golden City, Dakota, shot through the head. There is an immense stampede from Deadwood for Wolf Mountain, where marvellous discoveries are reported to have been made, surpassing any in the Deadwood region.

Excitement Still Intense.

WILMINGTON, N. C., 10.—The excitement here, to-day, over the present aspect of the presidential election is intense. At no time since the day of election has there been anything approximate to the feeling manifested this afternoon. The democrats claim that Tilden has been honestly elected, and if there is any trouble over the matter the people of the north must decide the question. The republicans generally sustain the action of the President.

Exciting Election News—Street Fights.

COLUMBUS, O., 10.—The excitement over the election news continues unabated. The streets have been filled all day with excited crowds, much more irritable and less generous than heretofore. Several street fights have occurred. The returns have been of such a varied character, and men have been kept waiting so long between hope and fear, that the more ignorant of the street visitors are growing petulant and less inclined to bear the chaffing of their political opponents. The Democratic State committee still assert their perfect confidence in Tilden's election. The Republican Committee, a majority of whom have heretofore had doubts as to the result, are now perfectly confident of Hayes' election, and have so notified their correspondents.

The Troops for Florida.

WASHINGTON, 10. — Gen. Sherman had acted upon the telegrams received from the President, and has received word from Gen. Auger that he had ordered nine companies to Florida, and would order five more, and go in person with them, leaving Col. Hunt, of the 5th Artillery, in command in South Carolina. A company of artillery will be part of the troops sent from South Carolina.

Did Not Concede.

Senator Kelly telegraphed, today, to his wife in this city, that the result in Oregon is doubtful, with the chances in favor of a small democratic majority. He denies having conceded the State to the republicans.

AN ORDINANCE

In Relation to the Salt Lake City Waterworks and the Supply of Water from the Main Pipes, and for Other Purposes.

SECTION 1.—Be it ordained by the City Council of Salt Lake City, that the Water-works constructed by the Corporation to supply Salt Lake City with water from City Creek Cañon, shall be designated and known as the Salt Lake City Water-works; they shall be the property of said city, and shall be under the sole and exclusive control of the City Council, who may from time to time direct the construction of such reservoirs, water tanks, water mains, service pipes and fire hydrants as the necessities of the inhabitants of the city may require. The City Council shall also appoint a Superintendent of Water-works, an Assessor of Water Rates, and such other officers as may be necessary to carry on the works. All officers so appointed shall hold office during the pleasure of said Council.

SEC. 2.—The Superintendent of Water-works shall, under the direction of the City Council, have charge of the reservoirs, water tanks, water mains, fire hydrants, and all the machinery and appurtenances appertaining to the Water-works. He shall have the direction of the laying of water mains, and putting in of service pipes, and the regulation of the water supply to fire hydrants and to all consumers. Said Water Superintendent, before entering upon the duties of his office, shall take an oath of office and give bonds, with approved security, to Salt Lake City, in the penal sum of $5,000, conditioned for the faithful performance of his duties. He shall report to the City Council quarterly, or oftener if required, his doings as Superintendent, the condition of the Water-works, and make such suggestions as the nature of the service may require.

SEC. 3.—All hydrants shall be under the control of, and shall be kept in repair by the Superintendent of the Water-works, and in case of fire or fires the Fire Department and such others as the City Council shall authorize, shall have free access to said hydrants. No other person shall open or operate any fire hydrant, or attempt to draw water therefrom.

SEC. 4.—Any person who shall wilfully or carelessly run a vehicle against a fire hydrant, or otherwise wilfully or carelessly injure the same, or draw, or attempt to draw water therefrom, shall be subject to a fine of not exceeding one hundred dollars, and be liable for all damages done to said hydrant.

SEC. 5.—Wrenches for fire hydrants shall be furnished by order of the City Council to the Fire Department, for their use, and to such other persons as may be deemed proper by the Council, and any officer or member of the Fire Department, or other person having charge of one or more of said wrenches, who shall permit the same to be taken from their place of deposit, or to be used for any other purpose than those authorized by the City Council, shall be liable to a fine of not exceeding fifty dollars for each offense.

SEC. 6.—Whenever any person desires to obtain a supply of water from the City Water-works, he shall make application therefor, verbally or in writing, to the Mayor and sign an agreement that he will be governed by such rules and regulations not inconsistent with this ordinance as may be prescribed by the Mayor for the control of the water supply; said application must state the location, kind of building, number of rooms, and the entire area of grounds to be supplied, and fully and truly state the purposes for which the water is to be used; and upon notification from the Mayor, the Superintendent of Water-works is authorized to extend, at the expense of the city, the service pipe to the inside line of the curb stone, or to within sixteen feet of the property line, at the point most convenient for supplying the premises of the applicant.

SEC. 7.—When application is made by a tenant, it must be accompanied by the signature of the owner of the building or grounds consenting to and authorizing the introduction of water into such premises, and expressly agreeing to the rules and regulations embodied in the application and to the provisions of this ordinance.

SEC. 8.—To each service pipe there shall be attached, at the curb, a stop-cock and key box, which shall be paid for by the consumer, and be under the exclusive control of the Superintendent.

SEC. 9.—All service and other pipes used underground shall be of cast iron, extra strong lead or tin-lined lead, and laid not less than four feet below the surface, and all pipes for water supply, whether inside or outside, shall be of sufficient strength to stand the water pressure, and all such work, alterations or extensions thereof must be done to the acceptance of the superintendent. But no extension of a consumer's attachment shall be made without first obtaining a license therefor.

SEC. 10.—If any water consumer shall permit any person from other premises, or any unauthorized person, to use or obtain water from said consumer's premises or water fixtures, whether inside or outside of his building, the supply of water may be cut off and the amount paid forfeited.

SEC. 11.—All persons taking the water shall keep their service pipes, connections, and other water apparatus in good repair and protected from frost at their own expense, but no person, except under the direction of the Superintendent, shall be allowed to dig into the street, or sidewalk, for the purpose of laying, removing or repairing any service pipe.

SEC. 12.—If any consumer shall waste any water, or allow it to be wasted by negligence, such as imperfect stops or valves or leaky joints or pipes, or allowing tanks to leak or to overflow, or wastefully run it through basins or other apparatus, or use the water for purposes other than stated in the application and license, or in violation of the rules and regulations for controling the water supply, and the provisions of this ordinance, the water may be cut off from such consumer, and all payments forfeited, unless such person shall promptly pay such additional charges as may be imposed.

SEC. 13.—Whoever, by himself, family, servants or agents, shall use the water coming through the water mains without first obtaining a license therefor, or shall without authority open any stopcock, valve or other fixture attached to the system of water supply, or shall in anywise injure, deface or impair any part, or any appurtenance of the Water-works, or shall cast anything into any reservoir or tank of the said works, shall be fined not exceeding one hundred dollars for each offense, or by imprisonment not exceeding six months, or by both fine and imprisonment.

SEC. 14.—If any person, after the water has been turned off from his premises, on account of non-payment of dues, or violation of the rules and regulations pertaining to the water supply, shall turn the water on again, or use, or allow the water to be used without authority, he shall be fined not exceeding fifty dollars for each offense.

SEC. 15.—Fountains and sprinklers for lawns, gardens, yards or sidewalks shall not be operated during a fire. No fountain attachment shall be greater than half an inch in diameter. There shall be a stop-cock to each fountain attachment, which shall be under the control of the Superintendent.

SEC. 16.—Sprinklers for lawns, gardens, yards and sidewalks must be used only for the purpose expressed in the license; and no sprinkler shall be used for sprinkling the street outside of the sidewalk, unless such privilege is included in the license and paid for accordingly. Sidewalks, windows and fronts shall not be sprinkled except between the hours of 6 and 9 a.m., 1 and 2, and 6 and 8 p.m. No nozzle for sprinkling shall be larger than one-fourth inch in diameter, and no license for a sprinkler shall be issued except in connection with other water service.

SEC. 17.—Sprinkling wagons and wagons for the delivery or sale of water must be filled from hydrants erected for that purpose, and shall be regulated and controlled by the superintendent.

SEC. 18.—Steam boilers will not be allowed to fill from the pipes direct, but must be provided with a tank and supplied therefrom.

SEC. 19.—Watering troughs for animals will not be allowed a constant flow of water, but will only be allowed to use such quantity as will supply the actual wants of the stock having access thereto. Neither will continuous streams of water be permitted to flow from hydrants, faucets or stops over washbasins, water-closets, or urinals, or from any apparatus for drawing water.

SEC. 20.—Free access shall at all ordinary hours be allowed to the Superintendent or other authorized persons to all places supplied with water, to examine the apparatus, the amount used and the manner of using water, and any consumer violating any of the rules and regulations controlling the water supply shall forfeit all payments made and the right to the use of the water.

SEC. 21.—The City Corporation shall not be held liable for damage to any consumer by reason of a stoppage or interruption of his water supply, caused by scarcity of water, accidents to the works or mains, alterations, additions, repairs, or other unavoidable cause, beyond a *pro rata* reduction on his license during such stoppage.

SEC. 22.—No telegraph post, hitching or other post shall be put down or set within four feet of any water service pipe, nor within six feet of any main pipe, except on a written permit from the Superintendent.

SEC. 23.—Wherever the water mains are laid, no persons shall be allowed to convey the waters of City Creek from any ditch or place by private pipes for fountains, mechanical or other purposes, except the ordinary irrigation of lots, under direction of the Watermaster, nor shall said waters be hereafter diverted from the ordinary irrigation ditches for the supply of steam boilers or other mechanism, and all resolutions, ordinances and permits allowing any person to convey the waters of City Creek, or any part thereof, from the ordinary ditches by pipes for any use or purpose whatever, wherever the water mains are laid, are hereby repealed.

SEC. 24.—It shall be the duty of the Assessor of water rates to ascertain by measurement, or estimate, as near as practicable, the amount of water used by each water taker; and he shall make an equitable assessment thereon, based upon the rate of ten cents for each one thousand gallons; and no person shall have the water conducted to their premises without paying five dollars per annum. If they consume more than the worth of five dollars they shall pay at the above mentioned rates. Said assessment shall be made for a term commencing from the time the water is turned on to the premises and ending on the 31st day of March, 1877, and thenceforth quarterly. The Assessor shall make prompt returns of his doings to the City Recorder, who shall charge to each person the amount assessed against him, which amount shall be payable on demand and be collected and paid into the City Treasury in the same manner as license fees are collected and paid in.

SEC. 25.—Any person violating any of the provisions of this ordinance, where the penalty is not herein otherwise provided, shall, on conviction, be liable to a fine not exceeding fifty dollars for each offense.

SEC. 26.—Nothing herein contained shall prohibit the City Council from amending, altering or adding to the provisions of this ordinance in relation to the water supply or the rules and regulations which may be adopted in conformity therewith; *Provided*, that no alteration in water rates shall apply to any license issued or contract made with a consumer under this ordinance, until after the expiration of such license or contract.

SEC. 27.—All ordinances or parts of ordinances conflicting with the provisions of this ordinance are hereby repealed.

Passed October 3d, 1876.

FERAMORZ LITTLE,
Mayor.

TERRITORY OF UTAH, } ss.
SALT LAKE CITY, }

This certifies that the foregoing is a true copy of an ordinance entitled "An ordinance in relation to the Salt Lake City Water works, and the supply of water from the main pipes, and for other purposes," passed by the City Council of Salt Lake City, the 3rd day of October, A. D. 1876, as appears on record at my office.

{ L. S. }

As witness my hand and the corporate seal of Salt Lake City, this 11th day of October, A D. 1876.
