## LOCAL AND OTHER MATTERS.

**High Council.**—The regular meeting of the High Council will be held in the Council House, on Friday evening the 30th inst., at half past 7 o'clock.

WM. W. TAYLOR, Clerk.

**Washout on the Southern.**—A washout on the Utah Southern, near Lehi, will prevent the arrival of the evening express. It was caused by a cloud burst.

**Home Mission.**—The Home Missionaries of this Stake will meet in the Council House to-morrow (Wednesday) evening, at half past 7 o'clock.

**Deseret Museum.**—Some interesting curiosities from New Guinea, have been presented to the Museum by Thomas A. Shreeve, Esq. One is a "charm" made by the natives of the country, of tortoise shell and mother-of-pearl. The other is a bracelet made also of shell and ornamented with seeds. A fine specimen of coal a lump weighing over forty lbs., brought up for the procession by Fred. A. Mitchell, Esq., from the mines of Weber, has been presented by that gentleman to the Museum.

**Coming Entertainments.**—At the Salt Lake Theatre Rev. De Witt Talmage will deliver his great lecture "Big Blunders," August 4th, 1880.

Prof. Zanfretch, Austrian Conjurer, will appear August 5th, 6th, and 9th.

The Morrison Troupe, from the Baldwin Theatre, San Francisco, will play August 13th and 14th, in two new pieces. Mr. Morrison, the celebrated actor, is supported by an entire company, in which are John Wilson, Kate Denin, and Jean Clara Walters, old favorites of our stage.

**Returned Missionary.**—Elder Alonzo H. Spilsbury, of Toquerville, Kane County, who has been on a mission to the States since the 4th of last May, called in on us this afternoon, having arrived here last Friday evening. His early return from the field where he was laboring, Michigan and Wisconsin, was due to ill-health, on which account he was released. He was actively engaged in the ministry for about a month, when he was taken ill with lung complaint and prostrated for about six weeks. When convalescent he was permitted to return home, as the climate there, which is much damper this year than usual, would have seriously impaired his health had he remained. He will leave for the south in the morning.

**Social Hall Entertainment.**—On Thursday evening, the 29th inst., a benefit performance will be given in the Social Hall, as a testimonial to Miss Mattie Paul Hughes, lately graduated at the Ann Arbor Medical College, and still pursuing her studies in the east. The entertainment has been prepared by a number of the young lady's friends, and a very interesting programme has been arranged for the occasion. The performance will begin with an olio, in which members of the Careless Orchestra, Tabernacle Choir and others will take part, and close with a neat little dramatic sketch entitled "Two can Play at that Game," in which Miss Keetie Heywood and Messrs. H. M. Wells and O. F. Whitney, of the Home Dramatic Club, will appear. It is an attractive bill and will well repay the patronage we hope it will receive.

**Welcome, the Murderer.**—Fred Welcome, alias Hopt, the accused murderer of John E. Turner, was taken to the Penitentiary last night, where he will remain until the grand jury shall take action in his case. From his confession, it would appear that the murder did not take place in Echo Canon, where the body was found. Welcome says he had no accomplice in the crime, an Irishman named Jack Emerson, and that the two with young Turner, had camped a short distance from Park City, while on their way to Montana, when Emerson committed the deed by striking Turner on the head with a board. Welcome claims to have acted merely as an accomplice in the matter, and throws the burden of the guilt upon his companion. He says that after the murder, the dead body was put into the wagon and taken along as far as Echo Canyon, where Emerson took it out and hid it in the place where it was discovered. This story, however, is not believed. It is generally thought that if Welcome really had an accomplice, he himself was the main actor, while many believe that he was entirely alone in the matter and had no assistance whatever. Time will tell, though, and the murderer will receive his due punishment.

Welcome is a German, and gives his age as about 22. He is light complexioned, tall, well built, but has a forbidding countenance.

**Gone Home—Resolutions of Condolence.**—Sheriff John Turner, of Utah County, left for Provo this morning with the remains of his murdered son. The funeral will probably be held there to-day, and the body consigned to its final resting place. The brave officer was nearly worn out by his sleepless exertions to apprehend the assassin and on meeting his friends in this city could not keep back his tears when speaking of his sad bereavement. He has borne up throughout with wonderful fortitude and manfully performed his duty in bringing the villain to justice. Too much cannot be said in praise of his conduct under such trying circumstances.

We have received the following copy of resolutions from the relief society of the Fourth Ward, Provo City:

*Resolutions of Condolence to the Parents of John F. Turner.*

*Whereas*, An allwise Providence has seen fit to allow the assassin to take the life of John F. Turner, oldest son of John W. and Sarah L. Turner; and

*Whereas*, We realize that through his death the church has lost a promising member, and the family an excellent son and brother;

*Whereas*, The said John W. Turner has ever been ready by his means and influence to aid our society, and Sarah L. Turner has been an active and efficient member of our society since its organization, and has always shown a willingness by her help, hand, heart and sympathy to aid the objects of our society, as also the afflicted; therefore, be it

*Resolved*, By the Relief Society of the Fourth Ward of Provo City, that we deeply sympathize with our Brother and Sister Turner and family in their sad bereavement.

*Resolved*, That a copy of these resolutions be spread upon our minutes, a copy sent to the DESERET NEWS, and also to the *Herald*, *Woman's Exponent* and *Territorial Enquirer*.

When through the deep waters I call thee to go,
The rivers of sorrow shall not thee o'erflow;
For I will be with thee thy troubles to bless,
And sanctify to thee thy deepest distress.

MRS. R. A. HOLDEN,
President.
L. SNYDER,
C. DANIELS,
Councilors.
C. DANIELS, Secretary.

Provo City, July 25, 1880.

**Twenty-Fourth Celebrations.**—From a correspondent we have received an account of how the Twenty-Fourth was celebrated at Spanish Fork and Moroni:

At the first place twenty-three guns were fired at daybreak, and at sunrise the national flag was hoisted and saluted by artillery and music by the brass band. The people assembled on the public square at 8.30 o'clock, where a procession was formed under the direction of John Moore, marshal of the day. The procession, in which the different trades and industries of the settlement were nicely represented, and in which the ward authorities, quorums, societies and associations made a good showing, marched to the north end of Main Street, and then countermarched to the bowery, The congregation there was called to order by the marshal, when orations, speeches, poetry, toasts, etc., were given, interspersed with songs by the choir and tunes by the band. In the afternoon the people reassembled at the bowery and songs, recitations and the experience of some of the veterans in the Church were given. The whole programme was well arranged and faithfully carried out. It was one of the best celebrations ever held in Spanish Fork.

At Moroni, the citizens were aroused at daybreak by a discharge of artillery, and at sunrise the martial band serenaded the citizens, under the direction of Professor George P. Simpson. The choir also rendered sweet music, led by Professor Nathan Faux. At 10 o'clock the people met in the City Hall. The assembly was called to order by the marshal of the day, Amos A. Bradley. The choir sang, and the exercises were opened with prayer by the chaplain Bishop John W. Irons. The following programme was then carried out: Singing by the choir, an interesting discourse by the orator of the day, Edwin Scott, songs by Miss Curtis, Brothers Swensen, Orr and Scott; music by the band: Brother David Nicholas gave a practical lecture on ship building, using a model of his own construction. He has but one arm, but is a good workman as well as an instructive lecturer. A vote of thanks was given to all who had contributed to the celebration. At 1 p.m., foot races, horse races, sack races and other amusements took place, and the proceedings concluded with a grand ball.

**Final Meeting.** — The General Committee on the Pioneer Celebration, held a final meeting last evening in the Council House. They wound up their business, adopted the appended resolution and adjourned *sine die:*

*Resolved*, That a vote of thanks is due and the same is hereby tendered to the members of the various sub-committees for the very able manner in which they responded to the wishes of the General Committee to make our celebration a grand success. From the rough granite block to the beautiful and truthful tableau, all far exceeded our most sanguine expectations in the perfection of representation. Without any compensation either offered or expected, no expense was spared, and in most instances minutest details were not wanting to make the display complete. The hearts of hardy pioneers were gladdened even to the shedding of tears. The earlier pioneers of the far west Missouri, the members of Zion's Camp, as well as the sixty-two Battalion Boys who participated with us on that day, unite in praise and gratitude. "Our Year of Jubilee" was a fitting time for such a demonstration, and fifty years hence, when another generation shall wish to gladden and cheer and bless, the history of our celebration in the year of our first jubilee will no doubt be sought after and read with intense interest.

On behalf of the General Committee,

JOSEPH E. TAYLOR,
Chairman.

**Sailing of Emigrants.**—The dates of departure from Liverpool, England, of the fourth and fifth companies of the present year's emigration, have been set for Saturday, September 4th, and Saturday, October 23d.

All parties interested can govern themselves accordingly.

**Rain.**—A nice shower during the night gladdened the hearts of our dust weary and heat-melted citizens, and the cool clouds have hovered over our heads all during to-day.

**In the Whole History of Medicine**

No preparation has ever performed such marvelous cures, or maintained so wide a reputation, as AYER'S CHERRY PECTORAL, which is recognized as the world's remedy for all diseases of the throat and lungs. Its long-continued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely use in the throat and lung disorders of children, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never will. From their knowledge of its composition and effects, Physicians use the CHERRY PECTORAL extensively in their practice, and Clergymen recommend it. It is absolutely certain in its remedial effects, and will always cure where cures are possible. 1 dsw

**FARMERS**

Should not forget that D. M. Osborne & Co., Manufacturers of the Celebrated "Wheeler" Mowers and Reapers and "Osborne" Self Binders, have an extensive branch house at 101 and 103 Main Street, Salt Lake City, where they keep a large assortment of these popular machines on exhibition and for sale.

WHAT a charm there is in a clear smooth complexion! The ladies are fully alive to this fact and therefore use Glenn's Sulphur Soap, the most desirable purifier of the skin in existence. Complexional defects are entirely removed by it and local diseases of the skin disappear more rapidly through its influence than through that of any other external remedy. The fact is that most of the onguents, ointments and liquids recommended for diseases of the cuticle are not remedies at all, or at most merely relieve without eradicating the malady sought to be cured. This is not the case with Glenn's Sulphur Soap, which does its work thoroughly, removing every trace of an eruption. It, moreover, speedily heals old sores, ulcers, cuts, bruises and scalds, and is a reliable disinfectant of clothing or bed linen. Diseases communicable by contact are prevented by it, and it promptly relieves the twinges of rheumatism and gout.

Sold by druggists. Price 25c. per cake, 1 box (three cakes) 75c., sent by mail, prepaid, on receipt of price. C. N. Crittenton, proprietor, 115 Fulton St., New York.
