How the Evening of Life May Be Made Happier for All.

"If people only knew the good that Vinol does on people," said Mr. Drueini of Drueini & Franken, our well known druggists, "countless of space in our newspapers would be devoted to the subject for the benefit of mankind in general. I can truly say that we have never sold anything in our store equal to Vinol as a strengthenner and body-builder for old people."

"You see, with old age comes feebleness and loss of power, the organs act more slowly and less effectively than in youth, the heart is poor, the digestion weak, and there is not that same renewal of body tissue."
