TEN MILE MOTOR PACED RACE TONIGHT

Bobby Walthour and Hardy Downing to Contest on Saucer Track.

LOOK OUT FOR THE RECORD.

Amateurs Finally Get Into Line and Will Probably Ride This Evening. —Five Mile Lap Professional.

Two of the fastest pace followers in the world are matched for a 10-mile race at the saucer track this evening. The contestants are Bobby Walthour and Hardy Downing. The former is the regognized champion of the world at this style of riding and Downing has beaten all the fast ones so far and thinks he can defeat Walthour. This race will be the feature of a good program arranged by Manager Chapman. There is considerable interest in the big event as it is Walthour's first appearance here in competition. Both riders have been practising daily and have been clipping the miles off at 1:23 clip. Gussie Lawson, on his fast motor, will pace Walthour and Samuelson will pace Downing.

FIVE-MILE LAP RACE.

The professionals will contest in a five-mile lap race and a half-mile invitation. Between these events there will be a match race between Crebs and McCormack. The distance will be half a mile. There is a probability that the amateurs who threatened to strike will ride tonight. If not they will be in next week's program because they have finally decided to come to Manager Chapman's terms.

SMITH VS. MANTELL.

Welterweights Promise Lively Contest for Fight Fans Aug. 19.

Aside from the return match between Pete Sulivan and "Cyclone" Thompson, it is doubtful if Manager R. A. Grant of Ogden could have secured a better match than the one billed for Aug. 19 at the Ogden saucer track when Rube Smith of Denver and Frank Mantell of Philadelphia clash in a twenty-round bout.

Smith and Mantell are welterweights and are regarded as "classy" men. Both are strong, fast, clever and game, and at 145 pounds ringside they ought to be in good shape for the mill. An interesting ten-round preliminary is on the program and the events promise to draw a large crowd. There will be a special train over the Short Line so Salt Lakers can return to the city shortly after the bout.

GAME IS DOOMED.

Only Ten More Years of Horse Racing in New York.

A New Yorker, an expert on matters pertaining to the turf, writes as follows:

How long will racing last in the state of New York? There is a question asked every day within the hearing of almost every racing man, and, I might say, it hits the nail upon the head, so far as sounding the subject uppermost in the minds of turmen at this precise moment.

The fight between the Jockey club and "Jim" Butler, promoter and preceptor of the Empire city course at Yonkers, brings out the cry in effect that the two factions will cut themselves to pieces, but at the same time the turf will suffer annihilation.

The best answer to the interrogation above is that as long as August Belmont lives, so long will racing about New York exist.

There never was a better example of "one-man-power" than that afforded by August Belmont, chairman of the Jockey club, and the upbuilder of the sport in this section of the country.

He is not only one of the real great money factors of the world, but Belmont, like J. P. Morgan, the Vanderbilts, the Astors and other great financial units, is as potential a politician, either in state, municipal or national politics, as one may discern upon the horizon of worldly affairs.

When the chairman of the Jockey club financed Judge Alton Parker's presidential campaign we caught a glimpse of his hand. In the main he is the foremost "silent politician" in the country today.

Though unheard, he is none the less effective. By the power of his influence and money August Belmont controls the New York state legislature with the same volition as the man with his thumb on the electric push button operating a mesh of machinery. He won't see harm come to racing.

When he dies, how then? At this time there is not an individual anywhere who can gain the lock hold on affairs at Albany, N. Y., possessed by Mr. Belmont. Chaos is sure to follow the moment the lines of control fall from his hands.

When will that be. Well, Mr. Belmont is a man 54 years of age. His father lived to a ripe age, and the son is in fine health today. I should say racing is a surety in the state of New York for the next 10 years.

Unless a Napoleon arises in the meantime, the sport is doomed in 1918, for public sentiment is against it. Just now the Belmont administration is endeavoring to divorce bookmaking and all sorts of gambling from the actual conduct of the several meetings, a line of action inspired from the experiences of English turf-builders.

There betting occurs, of course, but Tattersalls is without any connection with the racing courses. Racing in England is an institution and is today legally invulnerable. Mr. Belmont aims for the same condition in thiscountry.

People nowadays take too many chances in the food they eat, of course you are allright if you live where the housewife purchases

Ed Geers, Veteran Driver, Wins Two At Buffalo.

Buffalo, Aug. 8.—Ed Geers won two races and got third money in another at Kenilworth park this afternoon. The feature of the card was the 2:05 pace, valued at $1,000. Blackblock did not start and Geers' Artelle went to the wire a hot favorite. She won in straight heats. Wilkes Heart, who sold in the pools at $25, won the 2:12 trot in straight heats.

Owing to the filing of a protest it is probable that the $10,000 Empire State pure won by Sonoma Girl at Kenilworth Tuesday, will be tied up until the meeting of the board of review of the National Trotting association in December. It is understood the protest is based upon the claim that the accident which Sonoma Girl met with in the third heat was not an unavoidable one. Summaries:

2:05 pace, purse $1,000—Artelle won in three straight heats and the race in 2:06¼, 2:05¾, 2:05¼. Nervola, Cascade, Hal C., Eudora, Custer and Texas Rooker also started.

2:12 trot, purse $1,000—Wilkes Heart won three straight heats and the race in 2:09¼, 2:09¼, 2:09¾. Berico, Tempus Fugit, MacDougall, Paul Kruger, Billy B., the Pacelet, Fedrras Athol, May Earl, Princine and Irdia also started.

2:18 pace, purse $1,000—Bryon Kay won three straight heats in 2:10½, 2:09½, 2:08¾. Arrow, Queen Walnut, Judge Wilson, Black Dart, Idolstar, Mosie L., Clementine and John Elder also started.

GOV. COMER AND SOUTHERN RY. REACH AGREEMENT.

Montgomery, Ala., Aug. 8.—Gov. Comer and the officials of the Southern railroad reached an agreement late this afternoon and the license of the railroad in Alabama will be reinstated. Beginning Sept. 1, 1907, the railroad and allied lines will put into effect the 2½-cent passenger fare act and the measure of reducing the freight rates on 110 commodities commonly shipped in Alabama.

The agreement was not reached without concessions being made by both sides, but in the main it is a victory for the state. The laws in question will not be put into effect permanently. The agreement specifically declares that their operation beginning Sept. 1, is only subject to the final determination as to their constitutionality and their responsibility when a decision of these questions is finally rendered by the court of last resort.

Meanwhile the other laws enacted by the legislature at its winter session affecting the railroads of the state will remain in force. The railroads' representatives agreed that they would appear before Judge Jones and ask him for an order modifying the restraining orders issued by the United States court two months ago, to permit of the immediate operation subject to the final decision of the courts of the two acts in question.

In consideration of the railroad representatives to permit of the operation of these two laws, the one affecting the passenger traffic and the other freight, it was agreed by Gov. Comer that the revocation of the license of the Southern in Alabama should be canceled and the company permitted to do business without hindrance by the state.

The compromise affects only the one railroad system, the Southern. The other railroads of the state were not parties to the conference.

FIVE MEN FOUND GUILTY OF ASSAULT.

New York, Aug. 8.—Three men were convicted, two pleaded guilty and one was discharged in the court of special sessions today in cases involving attacks upon women and children in the last few days.

Phillip Young, a negro, pleaded guilty and was sentenced to the penitentiary for a year.

Mike Gargone, a 50-year-old shoemaker, was sentenced to serve three months in the penitentiary.

Harry Williams, aged 54 years, pleaded guilty. He and two others will be sentenced later. The prompt disposition of assault cases is believed to be having the effect of restraining others criminally inclined.

Nerve Sick

If weak, worn-out, nervous, cannot sleep; have indigestion, headache, neuralgia or periodic pains, it is because your nerves are weak. It is the lack of nerve force that makes the stomach, heart, lungs, etc., work imperfectly—become sick. Dr. Miles' Nervine cures the sick when it restores nerve strength, and puts the power behind the organs to do their work.

"Almost three years I suffered from nervousness, indigestion, and palpitation of the heart. I could not eat or sleep with comfort, or walk or talk without suffering. Altogether I was in a bad condition. My doctor did not seem to do me any good. I had tried so many remedies that I did not have much hope of any of them doing me any good. Dr. Miles' Nervine was suggested by a friend. I got relief from the first, and after a few days I felt like a new person. It not only relieved my heart and nerves, but has invigorated my whole system. I am very grateful because since I have stopped using it, I have had absolutely no return of my old trouble."
