education.

Education, industrial and "inen chest" committees now are successfully maintained in the club, good work being done in the various departments.

Educational committee pledges itself to see that three of the club members visit each week one or more of the public schools of the vicinity.

Prior to the commencement of the club work a spirit of antagonism to the school work and teachers prevailed in the neighborhood.

This has been almost entirely removed by the efforts of the educational committee members.

This committee also provides music, neighborhood talent usually being employed.

At one of the neighborhood night schools every Friday night, it is hoped also to establish and keep up a public school.

At the Western School, nearly all the school pupils to have the use of this

every evening.

All goes well when the baby is well. Keep the baby well by giving him Mellin's Food, it will nourish him, make him grow strong and keep him happy. We are sure of it; try it. Ask the mothers of Mellin's Food children. Send for our free book about Mellin's Food.

Mellin's Food is the ONLY infant food which receives the Grand Prize, the highest award of the St. Louis, 1904, International Exposition.
