And if being caught by a tiger, he said, he would not mind being eaten. He said he would not mind being eaten by a tiger, but he would mind being eaten by a man. He said he would not mind being eaten by a tiger, but he would mind being eaten by a man. He said he would not mind being eaten by a tiger, but he would mind being eaten by a man.

A large company of us with our cameras followed, with our cameras. The first of the day was a large party, but the weather was so bad that they had to stop. The second party was a large party, but the weather was so bad that they had to stop. The third party was a large party, but the weather was so bad that they had to stop. The fourth party was a large party, but the weather was so bad that they had to stop. The fifth party was a large party, but the weather was so bad that they had to stop. The sixth party was a large party, but the weather was so bad that they had to stop. The seventh party was a large party, but the weather was so bad that they had to stop. The eighth party was a large party, but the weather was so bad that they had to stop. The ninth party was a large party, but the weather was so bad that they had to stop. The tenth party was a large party, but the weather was so bad that they had to stop.

Over the past few years, a number of new products have been introduced, including the new 1000 Series, which is a new line of equipment that can be used for both indoor and outdoor applications. The 1000 Series is a new line of equipment that can be used for both indoor and outdoor applications. The 1000 Series is a new line of equipment that can be used for both indoor and outdoor applications. The 1000 Series is a new line of equipment that can be used for both indoor and outdoor applications.

The current in the Inverclyde estuary was not as well attended as had been expected. The audience, however, was well pleased with the program. The new organ is excellent, a beautiful instrument of synthesis, and Fred Hayman's music here was greatly enjoyed.

The Oswald View was here, too. It featured a fine musical item which will be dedicated Sunday, May 15th.

THE KENTUCKY LION

THE PUREST
IS THE CHEAPEST.

China's 21 million people who work in the textile, clothing and footwear industries, the vast majority of whom are women, have been the backbone of the country's export-led growth. China's exports of textiles and clothing have increased from \$1.5 billion in 1980 to \$10.5 billion in 1990, and are projected to reach \$20 billion by 1995. China's textile and clothing exports have grown at an average annual rate of 15% over the past decade.
