THE TURKISH OUESTICS.

THE TURKISH QUESTION. In the Resery Magvalue for Jule, a monthly yueblashin heaved in New York by the Deminican fathers, a essentiation, Williams dilies Dis, has an article on the Tarks. In Europe, in which he genomathly gives expression to the Cainbile view on that sufficient. He points out that the Turkish problem is not a European question which a question of the Wools workd, which acannot and shall not be settled without a just representation of the New World. It appears for its dhas and to every soul which block for and-valed to the verse of Curist. He arguest
