Ogden, Sept. 11.—Harry Hill, check clerk in the employ of the Harriman lines at the Ogden freight house, met with a peculiar accident last evening a few minutes after 6 o'clock. He had quit work at the usual hour and prepared to start home. For some reason he went to pass over a car near by the freight house and whether the car moved and he was struck by something overhanging it or something flew up and struck him may never be known, as the last Mr. Hill remembered was being struck. He was knocked to the ground and rendered unconscious, in which condition he lay undiscovered for over an hour, when a fellow employee happened to find him. The ambulance was summoned and he was taken to his home, 252 Thirtieth street, where Dr. Joyce attended him and he soon regained consciousness, but he could not give a clear account of the accident. He received some bad bruises and slight cuts, about the head and body, but they will soon heal up so he can resume work.

## Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## QUEER HAPPENINGS IN RING BATTLES.

There is a lot of talk about the "manly art" of boxing, but there are inside stories on most battles that make it appear anything but manly.

Did Hawkins had it on Joe Gans one time for a round at the old Broadway Athletic club in New York. In the second

round, after a breakaway, Joe looked down at Gans' shoes and whispered, "That your shoe is untied." Dal took his eyes off the ring for an instant. The instant was enough.

When Fitzsimmons was matched the second time with Jack O'Brien, Kid McCoy gave Jack a tip.

"Step on the old man's feet," said the Kid. "His feet are in the corner and you will get his goat more by keeping on top of them all the time than by stabilizing him in the foot of a corner."

"No fight had a funny way or trying to step on my toes. I couldn't make out what he was after, but it bothered me more than anything else he did."

McCoy was in Jim Corbett's corner that memorable night at Coney Island when Jim came so near but just missed beating Jeffries and winning back the championship.

Corbett shook his head at the advice and continued to do it. Charley, I'm afraid to see the big fellow. If he gets mad I don't know what he'll do."

Terry McGovern always made a hit by picking up a fallen foe as soon as he dropped him. This was the generous act and showed that, while the terror was out for the win and the gate, he was there with a fellow feeling.

"I am not letting the sucker stay down and get a rest with the short count," was the way Terry showed it. "I pull him up to his feet while he's tired and then wallop him out."

Which he frequently did.
