FERNSTROM GOES FOR HIS ACCUSERS

Calls Attention to Black's Change Of Heart and Gives the Reason Therefor.

HARTENSTEIN GETS JEALOUS.

Martin and Davis in a Natural Role—The Citizens' Committee Discussed.

In speaking of the protest of the Commercial club against the extension of the light and power company's franchise at the council meeting last night, Councilman Fernstrom referred to it as an intimidation and said that it was time such propositions were stopped. He made an effort to have the protest filed, but later withdrew his motion, and the matter was referred to the committees which have the franchise under consideration. When the protest was read, Fernstrom made his motion to file the same, and then proceeded to have a little fun at the expense of Black and other members of the council, who attended the citizens' mass meeting on Sunday night. After referring to the protest as a "practice" should cease, Fernstrom said: "Last night a lot of people met in the theater and broke the Sabbath day by holding a mass meeting. They said that we were going to violate our oaths by voting for an extension of these franchises, and used that as a threat against our re-election. I am thinking seriously of getting \$50,000 damages from them for libel."

GOES FOR BLACK.

About a year ago my friend on the right here (pointing to Black) voted for the 100-year franchise. That was before the council and his conscience hurt him so bad that he fell away until he was nothing but skin and bones. Last night he got up in the morning and asked for forgiveness and now he is feeling and looking much better, and is going to run for mayor and be elected because of his confession.

At this point Hartenstein objected to Fernstrom advertising Black's mayoralty boom in that manner. "I will withdraw my statement," replied Fernstrom, "I did not know that Mr. Hartenstein was going to run for mayor." This remark was met with a roar of laughter from all in the council chamber.

QUITE NATURAL.

Martin and A. J. Davis defended the action of the Commercial club and the citizens at the mass meeting, and contended that the most certain way to a right to protest against any matter of public importance which came before the council, A. J. Davis made an amendment to the motion to the effect that the franchise be referred to the committee, and after Fernstrom withdrew his objection, it was so referred.

THAT COMMITTEE.

Later Black introduced a resolution extending an invitation to the committee of 100 citizens named at the mass meeting on Sunday night to attend the council committee meetings when the franchise matter is discussed. Fernstrom objected to allowing "Sub-bath breakers" in the council chamber but at the same time he said that he would like to have the members of the committee present so he could find out who made the libelous statements about the councilmen who are going to vote for the franchise and whether they are worth \$50,000 or not. He said also that he would have done the same thing to the committee if it had organized. Black, Martin and Hobday contended that the council should extend the courtesy to the committee. It was stated by those who opposed the resolution that it was a completely untrue statement and further it was a well known fact that the citizens were always welcome to attend the committee meetings and the council meetings, too. The resolution was lost by a vote of 4 to 7.

NEW SYSTEM OF ACCOUNTS.

To the mayor, city attorney, city auditor and the finance committee was referred the communication from City Auditor Felt suggesting a better system of keeping the accounts and funds of the various city departments. The communication was submitted a claim for \$1,000 damages for personal injuries received by her by falling on the defective walk in front of the Miller hotel on State street. She offered to settle her claim for \$500 if it is paid by the city at once. The matter was referred to the committee on claims and the city attorney.

C. A. Blocher, park-keeper, A. J. Johnson and W. A. Bruck were appointed as special policemen by Chief Lynch and were confirmed by the council.
