LITERARY MEN MAKING THE AMENDE HONORABLE -The N. Y. Round Tuble of 27th February remarks:

The li erary men of England are not above acknowledging any errors that they may commit in discussing the questions of the dar, when the facts are properly brought before them. The last numbers of Macmillan's Magazine and the Cornhill contain two such acknowledgements-one from Mr. Charles King- MUST BE PAID IN ADVANCE. sley, the other from Mr. Thomas Hughes. We are not acquainted with the circumstances which led to the writing of the papers alluded to in their notes, nor is it necessary that we should be, to feel the courtesy and good breeding of the latter, which we place on record for the benefit of their brethren in America: To the Editor of Macmillan's Magazine.

Sir. - In your last number I made certain allegations against the teachings of Dr. John Henry Newman, which I thought were justified by a sermon of his, entitled Wisdom and HAVING been appointed by the Probate Court of Innacence. (Samon 20 of Sermone Require on Tooele County, Administrator of the Estate of Innocence, (Sormon 20 of Sermons Bearing on Subjects of the Day) Dr. Newman has by letter expressed, in the strongest terms, his denial of the meaning which I have put upon his words. It only remains, therefore, for me to express my hearty regret at having so seriously mistaken him. Yours faithfully,

CHARLES KINGSLEY.

Eversley, January 14, 1864. "J. O." and I having referred the matter in dispute in our recent articles and letters in the Corn'ill Magazine and in the Specta or to the decision of a neutral friend, and that decision being that "J. O." had not prejudged Col. PROPOSALS will be received at the Contract Office Crawley on the charges on which he was about to be tried at Aldershott, and that "T. H." was not justified in imputing such a meaning to "J. O.'s" article, I beg, therefore, to withdraw the imputation, and to express my regret at having made i . I also authorize "J. O" to make such use as he may see fit of his paper. THOS. HUGHES.

THE EMEUTE AT SAN QUENTIN .- The San Francisco Bulletin, in referring to the late outbreak of State Prison convicts, says:

prison, the first symptom of the rebellion showed it elf at about two o'clock on Saturday afternoon, April 21. Fifty-seven convicts had been turned loose in the yard about (243 hours; twelve o'clock, to assist in loading a vessel with brick. The work went regularly along P.M., (243 hours) until a few minutes to two o'clock, when one of the sentinels discovered four men scaling the southern wall. He instantly fired on them and the rest of the guard present followed suit. Twenty-three, however, succeeded in getting over the wall, and joining the gang in the brick-yard, which at once moved on Post No. 4, attacking the guard, four in number, with stones and bricks, their object apparentand use it in effecting their escape. Two of ver, Colorado Territory, daily, by the most direct rane, the guard were thrown by the mob from the forming dus connexions with the main line, will be conembankment; the other two, after having spiked the cannon, took refuge in the guard-house. routes Nos. 14 626 and 15,761 will not be. The cannon on the other side of the prison now opened its fire on the insurgents, and the guard, both mounted men and footmen, came | coast to be s nt by sez. charging down upon them. The insurgents broke their front, ran for the prison, and the been secured, additional surgical assistance was telegraphed for to this city, and Dr. Track went to the relief of the wounded one. The rebellion is represented as having origin- | Schedu'e from 1st of April to 1st of December, ated with and been conducted by Spaniards and negroes, very few Americans taking part in it.

A CANDIDATE FOR THE PRESIDENCY .- The Washington Correspondent of the Cincinnati hours) Commercial says:

It may be set down as a fixed fact that General Fremont intends to be a candidate in the approaching contest. He has so stated it to his personal friends within the past month. hours; He does not intend to stultify himself by accepting a Democratic pro-slavery nomination; hours.) but, if the Democrats choose to adopt his platform, which is well known, and to vote for him, he will, of course, be glad to receive their suffrages. An effort is being made to unite the Tammany Democrats and radical Republicans on an anti-slavery platform, wi h Fremont at the head of the ticket. If the bill to retire unemployed Generals should pass Schedule from 1st of April to 1st of December, before the nomination is made, they will run Fremont for President and McClellan for Vice-President, and one of the rallying cries will be "persecution."
