LIBELS ON THE CHURCH AND THE CITY.

THE New York Mad and Express has haste to copy from an unworthy source had considerable to say about the socalled "conspiracy" to entrap "Gen- clusions.

tile" officials in this city and now intimates that, "The concoction of the scheme may be traced to the Church organization, and that men high in its councils may be indicted for cou-

spiracy " The M. and E. continually sposes its ignorance of Utah affairs nectuse it draws its information (?). from the columns of the Salt Lake Tribule, and all who place any dependence on that source are sure to be such "great expense," was for the misled.

The name of that sheet in this region is a synonym for falsehood. Its. regular patrons do not rely upon dithy lechers of that persuasion who it for anything that relates to the had been caught in their vile practices. "Mormon" question, because its distortion of facts and determination to miscoures of render its statements entreate quirillable

neasts who had been wallowing in impurity, rendered some desperate mea surenceessary to divert public attention, that unprincipled sheet started the story that the city authorities had entered into the business of opening and keeping houses of ill-fame, and that they had been prompted, directed and support in this by the "Mor

mon" Charch. It was charged upon the thurch and the munici party anormately, and then inconcert sometimes one was blamed sometimes the other; and then both were attacked simultaneously. These charges tonuel their way into other papers through the medium of press reports, a treature attached to the Tribnow being the Associated Press agent. in this city. Most of those press re- even the Apaches would be preferable Bunch was murdered by her husband parts are undensed libels from Tellthe introductions divested of their screech "morality" while they are

Leave Galdisti. People will believe any monstroait; or absurdity about the "Mormons." For this reason papers will print the vilest rot that may be furnished them; about the "Mormon" Church. The object of stuging in the Church and they off that's was to turn the odium. find the debauchees, to make the public look in another direction, and interferences for their solvation. The

them in the Justice's court, an appeal is taken to the District Court and they are turned loose without even a hearing. The only persons to be prosecuted are those who were so wicked as to detect the crimes, the criminals are too high-toned, too anti-"Mormon," too much "in sympathy with the prosecution" to be punished for their lechery.

That is the way the law is administered in this Territory. That is how taught respect for Federal authority. That is how the cause of morality is to be upheld in Utab. Let the Mail and

Express and other papers ponder a little on these facts, and not be in such

and to jump at anti-"Mormon" con----

"The mantrap at Salt Lake, devised at great expense for the catching of Gentiles, seems to have mabbed nobody but Brig. Hampton, the Mormon conspirator. He has apparently put his foot into it."-Sacrumento Bee. ThelBee is in error in supposing that the mantrap which caught B. Y. Hampton and which was devised at there.

catching of Gentiles; it was to prevent Gentiles from being caught, or rather to prevent the exposure of a lot of the B. Y. Hampton's "arime" consisted in detecting them, and for this he was bridge bolts were loosened. A dozen prosecuted, while the Federal Court turned loose without punishment the

When the expected exposure of its scoundrels whose vileness was so pal-Ich n is und supporters the nasty puble that they did not even deny it. Oh! this is a great country!

> ---"Having grievoualy disappointed the peared the robbers fied. nation in not breaking out in rebellion

when they said they would, the Mornons are talking of joining forces with that other class of our outraged coun-trymen-the Apaches "-San Francisco Post. Don't blame the "Mormous" for the

6% bushels nation having been "grievously disap- Mardered and the Body Thrown into pointed,"but charge the offense where it belongs, to the anti-"Mormons" for VINCENNES, Ind., 29. - John B. Banch having raised your hopes by flooding prosperous young larmer nea the country with lies. The "Mor-Shoales, Martin County, disappeared mysteriously about five years ago and mons" have never said they would no trace of his whereabouts was ever make out in rebellion, nor have they found. The matter was completely forgotten until Sunday, when the su-perintendent of Martin County poor

And they are not talking of "joining forces" with any "other class," though to leprous auti-"Mormons', who his brothers Thomas and Martin, and recking with corruption.

verhad any intention of doing so.

"It is noted with heartfelt regret that that robustious old egotist and toybattoon of wind, Joseph Cook has again turned loose on the eastern publie with one of his alleged lectures. 'ook is the self-inflated and boorish reature who has the surpassing gall o stand before an American audience und declare that "the Americans are a race of vile expectorators " How he to fur ash au pexcuse for official has been tolerated so long is one of the inscrutable mysteries. He should be
