## THE WEEK REVIEWED

An unusually large number of social functions marked the earlier days of the week, the first two being the closing ones of the season before Lent. Tuesday had the greatest number and while others have taken place during the week, a diminution is shown that will probably mark the intervening days before Easter.

The affair took place at the Alta club, the gold room being used and 22 guests being present. A charming centerpiece was formed with a mound of greens, and pink roses started with incandescent lights, and pink roses and ferns were strewn about the table, while bunches of violets were at each guest's plate. Daugherty, and patriotic music was rendered by R. B. Esselman. Miss Watson and Miss Hodges. Later dancing was enjoyed.
