The republicans probably have the Senate by three majority, and the democrats the House by four, giving the latter a majority on joint ballot.

New York, 6.—From the Herald: A strong republican majority is elected to the next State Senate; probably it will be six in a total of 32. The present Senate is democratic by a majority of four. The Assembly is in doubt with chances favoring a small republican majority. The present assembly is democratic by a nearly two-thirds majority in a total of 128. Ingles was badly injured internally, cut about the head and face, and left leg broken. Mrs. Ingles is badly bruised about the face and limbs. Walter Strong, sitting in Mr. Ingles' house, is badly shocked, and Mrs. Strong seriously hurt; as also one of Mrs. Youngblood's children. Mr. Ingles lost everything in the house, as did also Mrs. Youngblood.

The Herald correspondent at Brookline sends the following: A cyclone passed in this vicinity at 2.20 p.m., sweeping everything in its course. It passed west of the town and was about 300 yards wide. News Rockdale special: Last night a few miles out, two men with blackened faces attacked the house of a farmer named Herman, emptying their six-shooters at the family who were at supper then riding away. Walter Herman was shot and is now in a critical condition. No clue. The best opinion is that the assailants were white men bent on robbing. The recent excitement over the reported rising of colored people in this country has led some to attribute the outrage to negroes.

ST. PAUL, 7.—No additional information of the election in this State has been received since the dispatches last night; returns now to come are from off the lines of railroad, and will be some days getting in. The republican's majority in the State will not be less than 25,000.

RICHMOND, Va., 7.—Additional returns this morning show democratic gains of one member of the House of Delegates in each of the following counties: Charlotte, Calpepper, Fairfax, Havanna, Franklin, Henry, Montgomery, Norfolk, Wythe, Princess Ann, and one in Craig and Roanoke, one in Greene and Madison, one in Smythe and Bland, two in Chesterfield and Powhatan, two in Rockbridge and two in Washington. This with the loss of one member in Carolina, makes a net democratic gain of 18, which insures a democratic majority in the House of 10, with a good prospect of the majority reaching 25 or 30. The democrats have 22 out of 40 senators, which will make their majority four, with a chance of increasing it to eight. The democrats estimate their majority on the popular vote of the State at between 12,000 and 20,000.

PLAIN TRUTHS

The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible. If disease has entered the system the only sure and quick way to drive it out is to purify and enrich the blood.

These simple facts are well known, and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious.

BROWN'S IRON BITTERS will thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will not blacken the teeth, cause headache or constipation, and is positively not injurious.

Saved his Child.

17 N. Eutaw St., Baltimore, Md. Feb. 12, 1886.

Gents:—Upon the recommendation of a friend I tried Brown's IRON BITTERS as a tonic and restorative for my daughter, whom I was thoroughly convinced was wasting away with Consumption. Having lost three daughters by the terrible disease, under the care of eminent physicians, I was loth to believe that anything could arrest the progress of the disease, but, to my great surprise, before my daughter had taken one bottle of Brown's IRON BITTERS, she began to mend and now is quite restored to former health. A fifth daughter began to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were required," and when informed that the elder sister was taking Brown's IRON BITTERS, responded "that is a good tonic, take it."

ADORAM PHELPS.

BROWN'S IRON BITTERS effectually cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Consumption, Kidney Complaints, etc.
