GREAT STRIKE NOT APPROVED

New York Labor Leaders Not in Favor of One in Case Gompers Loses in U. S. Supreme Court.

VERY BAD FOR FEDERATION.

News From Washington Was Disappointing to the Convention Sitting in Toronto.

New York, Nov. 15.—The strike of the 2,000,000 members of the American Federation of Labor, should the United States supreme court decide the contempt cases against Messrs. Gompers, Mitchell and Morrison, proposed by the Central Federation of Philadelphia, is not approved by local labor leaders. Presidents and other officers of the largest unions in this city declare that the plan would violate all pending agreements with employers, which would be fatal to the labor organizations, and therefore the calling of such a strike would be the hardest blow the American Federation could give itself.

PRESIDENT GOMPERS SURPRISED AT THE NEWS

Toronto, Ont., Nov. 15.—Just as the convention of the American Federation of Labor was about to adjourn for the day, a telegram was received from Washington announcing that the stay asked by the attorneys for President Gompers, Vice President Mitchell and Secy. Morrison in the proceedings against them for contempt of court had been denied by the court of appeals of the District of Columbia.

President Gompers plainly was surprised, and, as he read the message to the convention, delegates sat as though dazed.

"That means that the resources of the lawyers have been exhausted, doesn't it?" asked one of the delegates.

"The chair is not in a position to state," replied President Gompers. Then, as he read the message stating "the mandate goes down Saturday morning," the faces of himself and his fellow officers betrayed the anxiety under which they were laboring.

A telegram signed by the three defendants was sent to their counsel in Washington asking when it would be necessary for them to put in an appearance to avoid forfeiting their bonds, which amount to $12,000, and stating that they would like to remain in Toronto until the close of the convention Saturday night.

"I am not certain whether, under the laws of the District of Columbia, we can appeal," said Mr. Gompers, after adjournment. "But if we do go, the convention must stay here and carry on its proceedings in a dignified and orderly manner."

"We'll charter a train and all go down with you," volunteered one of the delegates.

"And even the seceders will join you," added J. J. Reid, president of the seceding faction of the Electrical Workers.

The suggestion that the convention be adjourned to Washington in the event of the departure of Gompers, Mitchell and Morrison was taken seriously by many delegates, and it was said a resolution to that effect might be prepared. Pending a reply from Washington, the executive council held a long session tonight, at which plans for meeting the situation which confronts the three labor leaders were discussed.

Many delegates have expressed disapproval of the plan suggested by the central labor union of Philadelphia that a two weeks' general strike be ordered as a protest against the contempt imprisonment.

CHARGED WITH MURDERING HIS SON

Charleston, W. Va., Nov. 15.—Freeland Meaders, a coal miner, was held from the murder of his 10-year-old son today. According to testimony, Meaders beat his crippled boy to death because the lad could not keep pace with his father's steps as the two were on their way to a train.

BOYS STOLE A MOGUL.

Seattle, Wash., Nov. 15.—Forty boys at Birmingham, north of this city, stole a mogul locomotive that had been sidetracked by a construction crew last night, and ran the engine several miles. They then reversed the engine and started for Birmingham, throwing the throttle wide open. The boys were unable to stop the locomotive and jumped off. All of them were injured, five seriously.

The engine, which attained a speed of more than a mile a minute, crashed into a freight train in the Birmingham yards and was wrecked.

Fred Glover, Samuel Boskirk, James Morrison and Charles Whalen, all of Birmingham, suffered fractures of both legs, and Frank McFadden's legs were crushed.

Mrs. Louie Hite, , 428 Outlen St., Danville, Ill., writes, October 1st: "Foley's Kidney Pills started me on the road to health. I was treated by four doctors and took other kidney remedies but grew worse, and was unable to do my housework, and the doctor told me I only could live two to six months. I am now so much better that I do all of my own work, and I shall be very glad to tell any one afflicted with kidney or bladder trouble the good results I received from taking Foley's Kidney Pills." GUTIERREZ DE LARA IS ORDERED RELEASED

Washington, Nov. 15.—Miguel Lozano, a Cuban, was ordered deported, and Gutierrez De Lara, a Mexican, was ordered released by Secy. Nagel of the department of commerce and labor today. Both men have been under arrest at Los Angeles for several weeks as anarchists and held for deportation under the immigration laws.

The two men were arrested at the same time on the charge of being alien anarchists. As to Lozano, it is said at the department, there appeared to be no question of the correctness of the charge because he distinctly confessed he was an anarchist and believed in the destruction of governments.

De Lara denied the charge against him and, although it was intimated by immigration officials that further evidence to sustain it might be forthcoming this was not considered definite enough to justify the man's further detention.

The case attracted much attention as friends of De Lara said his arrest was part of a plot to deliver him into the hands of the Mexican government.

Little Mary Recites for Anty Drudge.

Anty Drudge—"Now say it again, Dearie. It's every word true."

Little Mary—"See my nice, new party frock,
So clean and fresh and bright.
'Anty washed it with Fels-Naptha;
That's why it is so white."

Just a few of the thousands of unsolicited testimonials regarding Fels-Naptha soap:

So Much Less Work.

"Through Mrs. Dr. Robinson, I learned first of your naptha soap and must admit I tried it without much hope of success, but I was surprised at the result. The following week I tried it on a large washing and was delighted beyond measure. I will use no other as long as I can get Fels-Naptha. I tell every lady about it that I come in contact with, for I feel it is a duty I owe every working sister. I laughingly told a gentleman that a man did not love his wife if he did not provide her with Fels-Naptha soap. My family says I am half crazy about it, but I have so much less work, so much more time for other things and so much less fatigued when my washing is done that I feel I cannot speak too highly of Fels-Naptha soap or speak of it too often. All my neighbors will endorse every word I have written and I could write pages."

MRS. J. B. MAGINNIS,
San Antonio, Texas.

Clothes Whiter Than Ever Before.

"I have been using Fels-Naptha soap for almost six months and consider it the only soap for dining room, kitchen and laundry. My silver and glass never looked so bright and beautiful as it does since using Fels-Naptha soap, and the clothes, table linen, etc., are whiter than ever before."

KATHARINE HARMAN,
Ewing Mills, Md.

Fels-Naptha Don't Injure the Clothes.

"On account of the illness of my washwoman, I had a chance to give Fels-Naptha soap a thorough test and I wish to say that I am more than pleased. It don't injure the clothes in the least. It just makes the dirt let go and leaves them clean and white as snow. Several highly advertised and labor-saving soaps have come under my notice, but none seems to fill the bill like Fels-Naptha. My husband just asked me if I was trying to make a name for myself as a washwoman. I said no, but with Fels-Naptha soap I can be independent of a washwoman if I wish."

MRS. G. N. STROUP, Louisville, Ky.

Fels-Naptha Soap Did It.

"There are so many worthless soaps (especially of the laundry variety) on the market now that I feel it is a duty to you and it certainly is a pleasure to tell you how highly we appreciate Fels-Naptha. I have used this soap since first introduced to us by one of your agents, nearly five years ago, and feel safe in saying that it is superior to any upon the market to-day. When we have an unusually large washing and comment upon how nicely I have accomplished the task, my husband invariably says Fels-Naptha did it."

EMILY APPLE, Johnstown, Pa.

Boon to Housekeepers.

"Never before in my experience as a housekeeper have I felt called upon to write my thanks to any of the numerous firms who have 'Aids to Housekeepers' on the market, but since I first used Fels-Naptha soap I have been filled with gratitude to the person who gave to housekeepers this great labor-saving soap. I have sung its praises until my friends think it is really quite a joke, because for everything my answer is 'Use Fels-Naptha soap.' I want to thank you for the great comfort and pleasure its use has brought to me and I say sincerely that you have introduced an article which will be a boon to the housekeeper."

MRS. EMMETT, Dayton, Ohio.

Every Spot Came Off.

"I never before wrote a testimonial for *anything*, but my sense of what is due you prompts me to send you this unsolicited statement of the worth of your splendid soap—Fels-Naptha. During the winter our stovepipe sprung apart at one of the joints (in the hallway) and the snow melted and run into the soot forming a sort of creosote water, I suppose—which spattered out on the floor and washboards. It was a most unpleasant mar on an otherwise clean floor. We had supposed we should have to hire a painter to scrape the floor and washboards and then re-varnish and paint, as we had tried soaps in vain and other things too—to remove the unsightly, black-spattered stain. Imagine my surprise and delight when my girl applied Fels-Naptha soap. Every spot came off and the wood was as clean as new. I appreciate the value of such a household friend, and gladly commend it to all housekeepers who want a good thing."

MRS. M. D. MCKEE,
Grand Rapids, Mich.

Only Soap He Could Use.

"Crossing the continent last summer, I noticed a newsboy on a train in Arizona in the wash room with the private soap box. I asked him if ordinary soap was not good enough for him and he replied that crossing through alkali country Fels-Naptha was the only kind that could be used without cracking the hands or face and he advised me to never travel without it. My wife uses Fels-Naptha soap for washing and other domestic purposes and told me last evening that it was the most satisfactory soap she had ever used."

LAWYERS LOOKING FOR WEAK SPOTS

Best Corporation Attorneys Seeking to Poke Holes in New Corporation Tax Law.

SECY. MAC VEAGH INTERESTED

Fearful That Tax is Imposed on Interests Received by Corporations From Government Bonds.

Chicago, Nov. 16.—A Washington special to the Record-Herald says:

"With the best corporation lawyers in the world burning midnight electricity trying to poke holes in the new corporation tax law, it is feared that its weak point has been discovered by the men who must enforce it.

"Franklin MacVeagh, secretary of the treasury, and Commissioner Gabell, of the internal revenue division, would rest much better if they were satisfied that the new act did not impose a tax of one per cent upon the interest received by corporations from government bonds. Commissioner Gabell has passed the problem along to Secy. MacVeagh. He is now considering that and several other perplexing questions preparatory to putting an o. k. on the official circular which the division of internal revenue will issue as soon as doubts can be cleared up.

"If the question is sent by the treasury department to Atty.-Gen Wickersham he is prepared to hold promptly that the bonds are not taxable. He drew the act and depends upon the statute putting United States bonds outside of reach of the tax collector, to keep the corporation tax whols under assaults of corporations."

JEALOUSY ENDS IN FATAL QUARREL

Santa Ana, Cal., Nov. 15.—One man is dead and another dying as the result of a quarrel, said to have been caused by jealousy, at Orange today. The dead man is Rowland Fletcher, aged 25, and the man in a dying condition is W. W. Downs. The families of both are prominent.

It is said that when Downs went home at noon he found Fletcher in his house and a quarrel followed in which Fletcher was shot and killed by Downs. Downs was arrested and while the marshal was telephoning for a vehicle with which to bring him to the county jail here the prisoner shot himself in the head with a 22-calibre revolver which the marshal had overlooked.
