MINING CASE.

VERDICT IN

The jury in the big. Crown Point-Ontario mining case, a suit for nearly \$2,000,000, returned a verdict in favor of the plaintiff for \$32,052, the jury deem ing that that is the amount of damage done the complainant by the Ontario company. The counsel for the plaintiff. expressed themselves as being very much surprised at the verdict, it being no less than a victory for the defendant The attorneys on the other side say they are quite satisfied with the result

The jury was out since Monday afternoon and took twenty-two ballots in all. The first four ballots were to settle the question of whether or not the Apex passed out of the side line. It then required eighteen ballots to decide on the amount of damages. The estimates ranged all the way from \$1 to \$350,000. ranged all the way from \$1 to \$350,000. The majority, however, estimated between \$77,000 to \$31,070. The mini-mum men were Jurors P. W. Madsen and Stephen L. Moyle, and the maxi-mum man was Juror J. R. Matson. After they were discharged the Jurors stated that the verdict did not meet with the approval of one man on the tree but all felt that each should make

A meeting of the Republican city committee was held last evening, those in attendance being chairman Eichnor, secretary Loofbourow, A. F. Lawson, J. U. Eldredge Jr., W. P. Appleby, Arthur Pratt and Joe Cottle. The committee decided that inasmuch as the Republicans were in full control of the administration and would be held re-sponsible for the conduct of affairs, only Republicans should be appointed to office, including the ten appointments in the fire department. The appointees for these positions submitted by Chief Devine includes four Republicans, two Democrate and three whose politics are unknown. One of these Democrats is George Pugsley, a brother-in-law of Mayor Thompson, but his honor author-ized chairman Elchnor to say that he would reject Pugsley's nomination if the Council opposed him on account of his politics. This committee decided to hold a conference with the Republican members of the Council at an early date.
