National Board Completes Arrangements for Matches In August.

THREE WEEKS OF SHOOTING.

Program Most Diversified in History of Military Marksmanshin Competitions-Schoolboys Included.

Washington, D. C., March 37-Ar vangements have been completed un der which the rifle shooting touras ment which will be held at Camp Perry, Ohio, next August, will be the greatest shooting ovent which this country has ever seen. The completed program includes the matches of the National Guard of Ohio, the Ohio State Mille association, and the Department of the Lakes Rifle association, to be held prior to Aug. 20. Aug. 20 and 21 will be set aside for practise for thy great national matches which are conducted under the auspices of the war departments and the national board for promotion of rifle practice. The mational team mater, in which it is expected there will be more than 50 teasure representing states, territories and the regular services, will begin on Monday, Aug. 22 and will be followed by the national individual rifle matca and the national pistol match. The tournamont will conclude with the matches of the National Rifle association, which will immediately follow the national match and which will continue for from six to 10 days. The whole program will cover about three weeks of solid shooting. This will be the occasion of the first meeting of the department of the Lakes Rille association, for which matches several valuable trophies and prizes have been secured. The Ohio State Riffs association has raised more than \$4,000 for each prizes In its matches. Congress has appropriated an additional \$4,000 for the use of the national board for the promotion of rifle practise, the bulk of which will be utilized in increasing the prizes in the national match. It is estimated that next August the prize list will be greater by \$7,000 than that of any pre-

unding notional meeting. NEW METHOD THIS YEAR.

Among the interesting features of the new arrangements is the action taken by the National Bide association. Hereby the National Elde association. Here-tofore its matches have been conduct-ed by the state association where the matches were held and the N. E. A. received 20 per cent of the gross re-ceiping. This year the N. R. A. will conduct its own matches and will pay hack in the form of prizes all money received 27 per cent of the gross re-ceiping. This year the N. R. A. will conduct its own matches and will pay hack in the form of prizes all money received 27 per cent of the person of the exception of the necessary expense of oprating the range, which will be very small as the war department will sup-ply regular troops for marking and storing. The same as it does for the mational hourd matches. A number of new matches will be added to the National Kiffle association that The most important will be that for the marine corps trophy presented

int. The mast important will be that for the marine cores trophy presented by the officers of the United States Marins corps. This will be a squadded individual match open to everybody, with any military rife, any military site, any ammunition and any position. There will be 20 shots for records at 600 yards and 20 shots at 1.000 yards, with two sighting shots at each range. Another new match is one for annu-
