

DESPERATE FIGHT WITH FOREIGNERS

Two Troopers Were Killed and
One Was Fatally
Wounded.

MURDERERS ARE SURROUNDED

All Occurred at Punsuataway, Pa.—
Attempt to Arrest an Italian
Started the Trouble.

Punsuataway, Pa., Sept. 2.—In a bloody battle, this evening between for-
siders and 20 members of troop
D. state constabulary, in which 300
shots were fired, two troopers were
killed and one fatally wounded, while
three other persons received bullet
wounds. The murderers are tonight
surrounded in a house at Florence
mine, seven miles from here, and at
daylight the attempt to capture them
will be renewed. Further loss of life
is feared, for the besieged Italians are
well supplied with arms and ammuni-
tion.

THE DEAD.
Private F. Henry, aged 24 years.
Private Francis Zehring, aged 30.

FATALLY WOUNDED.
Private William A. Mullen of Harris-
burg.

First Sergeant Logan of Du-
bois and George Felitsky, aged 12, re-
ceived minor wounds.
The struggle began when Sergeant
Logan went to Florence to search for
shooting his brother-in-law, Salva-
tore Watzkow, who is said to be one
of the most desperate members of the
Black Hand, started a street fight with
a countryman and Logan placed him
under arrest. An Italian made an in-
fectious lunge at Logan with a stilet-
to, when another Italian opened fire
on him with a magazine shotgun.
Logan returned the fire and the two
men emptied their weapons at each other.
Logan received one gunshot wound
in the foot and one Italian was
perched fatally wounded.

Logan, believing that he had a
Black Hand man to deal with, tele-
phoned to the barracks at this place
and a detachment of five privates
was detailed to go to his assistance.
The detachment arrived at Florence at
4:30 o'clock. Private John Henry im-
mediately started for Watzkow's house,
where the trouble had taken place,
but when about 20 feet from it was
shot down. Chambers and Mullen, in
attempting the rescue of their com-
rade, were shot down before they
reached him.

A telephone call was then sent in
for the entire force and 15 additional
troopers arrived at 6:30 o'clock, and
while 12 of the constabulary kept firing
into the windows and front doors, six
policemen made a rush for the side
door, which they battered in. Three
of the officers, Zehring, Gross and
Cummings, dashed up the stairs, but
were confronted by three of the des-
peradoes, who opened fire. Zehring
fell at the first volley, but the other
men escaped. The gang immediately
closed the door and the house was
riddled with bullets. Realizing that
their lives were being sacrificed uselessly
and the storm and darkness coming on,
the troopers sent for carbines and pre-
pared to keep the house surrounded
until morning.

The wildest excitement prevails in
Punsuataway and nearby towns.
Fifteen troopers and several police-
men, together with many citizens
heavily armed, are on guard.
The besieged Italians are evidently
preparing to sell their lives dearly.
Many citizens have brought dynamite
and advocate blowing the building to
atoms, but Lieut. Egie is determined
to capture the murderers with his
troopers by lawful means. The police
have arranged powder in the plan-
view that the entire building is in com-
plicity.

FATAL BOATING PARTY.

Two Men Are Drowned in Yellowstone
Lake.

Livingston, Mont., Sept. 2.—A dou-
ble drowning occurred at Yellowstone
lake today in which W. B. Taylor, a
well known citizen of Bozeman, and a
soldier named Charles Allen of Cin-
cinnati lost their lives. With three
ladies Taylor and Allen took a boat
ride and when out but a short time
the boat began leaking so badly that
it capsized. Taylor and Allen both
tried to swim to shore, but were seized
with cramps and sunk. The ladies
clung to the boat and were rescued
after great effort. The men's bodies
were not recovered.

WOUNDED BY REVOLUTIONISTS.

Warsaw, Sept. 2.—Gen. Tumosoff,
commander of a brigade at the garrison
here, was wounded today, but not se-
riously, by five revolutionists, who fired
upon him with revolvers as he was
leaving his residence. Gen. Tumosoff
participated in the recent partitioning
of the Baltic provinces, serving under
Gen. Orloff, governor general of Liv-
onia.
On the occasion of the beginning of
the school year at Lodz, terrorists in-
formed the Polish teachers who had
agreed to teach in the Russian language

How to Exercise the Bowels

YOUR Intestines are lined inside
with millions of suckers, that
draw the Nutrition from food as it
passed them. But, if the food
passes too slowly, it decays before it gets
through. Then the little suckers draw Poison
from it instead of Nutrition. This Poison
makes a Gas that injures your system more
than the food should have nourished it.
The usual remedy for this delayed pas-
sage (called Constipation) is to take a big
dose of Castor Oil.

This merely makes slippery the passage
for unloading the current cargo.
It does not help the Cause of delay a
trifle. It does slacken the Bowel-Muscles,
and weakens them for their next task.

Another remedy is to take a strong
"Physic," like Salts, Calomel, Jalap, Phos-
phate of Sodium, Apertin Water, or any of
these mixed.

What does the "Physic" do?
It merely flushes-out the Bowels with
a waste of Digestive Juice, set flowing into
the Intestines through the tiny suckers.

Cascarets are the only safe medicine for
the bowels.

They do not waste any precious fluid of
the Bowels, as "Physics" do.

They do not relax the Intestines by greas-
ing them inside like Castor Oil or Glycerine.

They simply stimulate the Bowel-
Muscles to do their work naturally, com-
fortably, and nutritiously.

They are put up in thin, flat, round-corn-
ered Enamel boxes, so they can be carried
in a man's vest pocket, or in a woman's
purse, all the time, without bulk or trouble.

The time to take a Cascaret is not
only when you are Sick, but when you
first suspect you need one. Price, 10c a box.

Be very careful to get the genuine,
made only by the Sterling Remedy Company
and never sold in bulk. Every tablet
stamped "CCC." All druggists. 79

that they had been sentenced to death.
Saturday night two policemen were
killed. The murderer escaped. A sol-
dier, while searching a pedestrian, killed
a boy and mortally wounded a pass-
enger. This afternoon an officer was
mortally wounded. His assailant es-
caped.

Warsaw is almost deserted by the
better classes. Every one able to do so
is leaving his family to the country.

A DOUBLE TRAGEDY.

William Wells Shoots His Wife Many
Times and Then Himself.

Oakland, Cal., Sept. 2.—William
Wells, a negro teamster of San Fran-
cisco, this afternoon shot his wife sev-
eral times, inflicting mortal wounds,
fired three shots into the abdomen of
Edward D. Jones, a colored stevedore,
and then sent a bullet through his own
brain.

The tragedy took place at 755 Cam-
pbell street, the home of John Austin,
where Wells' wife was boarding. Mrs.
Wells recently left her husband and
refused to live with him. Shortly after
1 o'clock today Wells called at Austin's
home and asked for his wife. She not
being in at the time, he waited for
her to return. She arrived half an
hour later, accompanied by Jones.
Wells requested his wife to step into
the parlor, where he asked her to re-
turn to him. She refused and her hus-
band shot her three times in the chest.
The woman ran screaming
to the kitchen, followed by Wells,
who fired three shots at Jones, all tak-
ing effect.

The infuriated man then turned and
again shot at his wife. After she fell
unconscious Wells reloaded his revolver
and with insane fury fired
shot after shot into her body. Then
placing the gun against his left tem-
ple he sent the last bullet in the re-
volver through his brain.

Jones and Mrs. Wells were taken to
a hospital, where the attending physi-
cians stated that neither could recover.
The woman stated that she had married
Wells in Stockton, and left him
because of his continued abuse and cruelty.

NEW MEXICO'S PRISON.

Institution's Funds Said to be Short
Seven Thousand Dollars.

Albuquerque, N. M., Sept. 2.—A re-
port submitted to Gov. Hagerman by
experts who investigated the affairs of
the New Mexico penitentiary states
that there is a shortage of 7,000 in the
funds of the institution. H. C. Burson,
who managed the affairs of the insti-
tution until April 12 last, is held re-
sponsible by the accountants for the
alleged shortage. Burson is also charged
with having destroyed the records.

MERRYMAKERS DROWNED.

Two Young Men Capsize Their Boat
And Lose Their Lives.

Butte, Mont., Sept. 2.—By the capsi-
zing of their boat while merry-making
at the lake at Columbia gardens, last
evening, Joseph H. Murray, aged 18,
of Helena, and Ernest Edithorne, aged 20,
of Helena, were drowned in about 10
feet of water. Two other young men,
Tim Ryan and Tim Cohen, and an un-
known youth, were precipitated into
the lake, but escaped by swimming to
the shore. Murray's body was dragged
out of the lake with a grappling hook,
while that of Edithorne was taken out
by Harry Riggler, an employee at
the recreation park, who dived five
times before he finally succeeded in
bringing the body to the surface.

KILLED BY AN AUTO.

Seattle, Sept. 2.—Lauritz Bakken, a
shopkeeper about 65 years of age, was
the victim of the first fatal automobile
accident in Seattle. Shortly after noon
today, becoming confused at the corner
of Pine and First avenue, he stopped
directly in front of a touring car driven
by its owner, John McGrath, of Oak-
land, Cal., in the machine. According
to all eyewitnesses he was running
cautiously and the accident was un-
avoidable. McGrath was arrested, but
later released on his own recognizance.

AFTER MEXICAN MURDERER.

Los Angeles, Cal., Sept. 2.—A long
distance telephone message from Mon-
terey stated that Alfonso Albrite, a
Mexican employed until lately at the
Patterson Sanitarium, this morning
shot and killed his wife, and is now
hiding among the chaparral and oca-
sion of the San Gabriel river wash,
somewhere between Monterey and Ir-
windale. Through this jungle of
bushes and brush an armed band of 50
men, some in the saddle and some
afoot, circled and beat all day long, but
though they came upon the tracks of
the fugitive and Miss Albrite's body
was found, the man has not been seen.
It is the idea of the officers that in
the darkness of tonight he will slip
out of the wash and make his way to
his habitation.

PHILIPPINE TONNAGE DUES

All of Them Have Been Abolished
By an Act of the Com-
mission.

MANILA ONLY FREE PORT

In the Orient—Revenue Surrendered
Amounts to About Seventy
Thousand Dollars.

Washington, Sept. 2.—All tonnage
and navigation dues in the Philippines
have been abolished by an act of the
Philippine commission passed Aug.
31, of which notice has just been re-
ceived. Heretofore on the entry of a
vessel from a port or place not in the
Philippine Islands, a duty of 4 cents
per ton, but not to exceed 30 cents
per net ton per annum as expressed in
its international certificate of registry
was levied. Now it is provided that in
case of a vessel landing or discharg-
ing cargo less than the net tonnage of
the vessel duties of 20 cents might be
imposed at the option of the consignee
in lieu of the usual tonnage dues. In
announcing the change the bureau of
harbors affairs says:

"The government of the Philippine
Islands was authorized to modify, sus-
pend, or repeal the publications quot-
ed respecting tonnage dues by sec-
tion 11 of an act approved Feb. 6, 1905,
which was continued in effect by sec-
tion 29 of the act of March 3, 1905,
above referred to. By this act of the
Philippine commission, Manila be-
comes in fact the only free port in so
far as tonnage and navigation dues
are concerned, in the orient. Hong-
kong, which is usually referred to as a
free port, imposes a tax, designated
"light dues," of 1 cent, Mexican, per
ton.

"Singapore, light dues of 3 cents per
ton; Saigon, 18 cents per ton; Shang-
hai, 20 cents per ton, which includes
all tonnage dues at that port and other
open ports of China for four months.
Yokohama and other Japanese ports,
2 1/2 cents per ton for each entry, or
7 1/2 cents per ton for a period of 12
months without additional charges.

"The vessels most favorably affected
by this will be those from the United
States and other places remote from
the Philippine Islands, which in gen-
eral had to pay the full 6 cents per
ton under section 11 of the act of
March 3, 1905, heretofore in force.
The vessels least affected will be
those sailing between Manila and
Hongkong, which making from 24 to
30 entries in Manila in one year, by
taking advantage of the 30 cents maxi-
mum per ton per annum, paid little
over 1 cent per ton on each entry.
This is thought, with the very
greatly improved port facilities in Ma-
nila, will remove the last complaint
against that port. The income to the
Philippine government from the above
source which is by this act given up,
for the future, was between \$60,000
and \$70,000.

THE FUNERAL OF EDWARD ROSEWATER.

Omaha, Sept. 2.—The funeral of Ed-
ward Rosewater, late proprietor and
editor of the Omaha Bee, who was
found dead Friday morning, occurred
this afternoon with Masonic honors,
from the rotunda of the Bee building.
The body was exposed to public view
between the hours of 12 and 3 o'clock,
during which time many thousands of
persons of all classes filed past the
casket. In addition to the crowd on
the first floor, the second and third
floors, from which a view of the casket
could be obtained, were filled with
great crowds.
The ceremony consisted of the Ma-
sonic ritual service, and was conducted
by Worshipful Master Charles L. Por-
ter, assisted by George W. Lininger. It
was followed by addresses by Dr.
George L. Miller, Robert Cowell and
W. J. Connel of Omaha; Norris Brown,
attorney general of Nebraska, and suc-
cessful candidate at the recent Repub-
lican state convention for United States
senator, for which office Mr. Rosewater
also was a candidate, and Melvin R.
Hopfield, Republican nominee for lieuten-
ant governor.
At the conclusion of the addresses a
quartet sang, "Lead, Kindly Light."
The services in the rotunda were closed
with an impressive Masonic ceremony
and with prayer by Rabbi Cohn of
Temple Israel. The services were particu-
larly participated in by employees and ex-
employees of the Bee, who attended in a
body.
The honorary pall bearers: Harry
P. Deut, Ed. Hansen, Luther Drake,
Arthur Brande, Elmer W. Wakoley,
Morris Levy, W. A. Paxton, Louis
Raapke, Lewis Reed, John A. Croigton,
L. H. Korty and Vancly Buresch.
Active pall bearers: William Nickel,
Louis Rosewater, C. B. Eddy, J. D. West-
er, Dwight Williams, T. F. Sturgis and

The body was interred in Forest
Lawn cemetery.

A BOY CONFESSES TO BURYING A BOY ALIVE.

Chicago, Sept. 2.—Robert Gordon,
aged 16, today confessed that he struck
Joseph Reed, 8 years old, with a brick,
stunning him, and then buried him
alive beneath the sidewalk in front of
his father's home, 2475 Archer avenue.
The boy's body was found where Gor-
don said he had buried it. After an
investigation by the police Gordon was
taken into custody. The absence of
Reed Roy from his home was noticed
at 3 o'clock Saturday afternoon and
search was immediately begun. Gor-
don led the father of the Reed boy

through the streets in the neighbor-
hood for several hours. Finally, at 10
o'clock last night he took him to where
the body was buried and assisted in
digging it up. When taken to the sta-
tion and questioned by the police Gor-
don broke down and confessed that he
enticed the boy to the basement of the
Reed home, mistreated him, and when
he attempted to escape struck him on
the head with a brick. He then buried
him alive. Five other boys, ranging in
age from 15 to 20 years old, who had
been drinking with Gordon at the rear
of the Reed home before the murder
became known, were taken into cus-
tody. The Reed and Gordon families
live near one another and have been
friends for years.
