Uniformly successful and certain in its remedial effects, it produces a full, sweet, and healthy skin, eruptions, skin diseases, and all disorders arising from impurity of the blood. The scarcity of Diamonds, Gold and Silver, and the difficulties met with in securing them, is a sure indication of their value.  
Thus is with a valuable medicine. None of the celebrated German Pulmonic Elixirs, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, sweep back the ocean with a broom or put out a prairie fire with a tear.  
For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. Its cures are truly magical. Ask your Druggist for it. The genuine bears the Prussian Coat of Arms, the facsimile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.

EVENING NEWS.

Friday, August 22, 1870.

LOCAL AND OTHER MATTERS.

**Cooler.**—Thermometer at 86 today. Quite bearable.

**Which?**—Fresh oysters on the market and no rain in the month. Is the spelling long at fault, or the difference in time so great between here and the seashore?

**Visitors Departed.**—The special car containing the family of General Dodge, one of the directors of the Union Pacific Railroad, went north this morning.

**Instantly Killed.**—A dispatch from Silver Reef states that yesterday Johnson Gilmanville, Jr., a miner of that place, was instantly killed by a cave in the Tecumseh mine.

**Open Monday.**—By notice published elsewhere, it will be seen that the intermediate and primary departments of the 13th District school will open on Monday, the 25th inst., at 9 a. m.; John R. Park, principal.

**From Provo.**—Bishop E. F. Sheets and Judge W. N. Dusenberry came up from Provo last evening.  
The same train brought Judge P. H. Emerson and District Attorney Van Zile back to the city.

**Information Wanted.**—We have received a letter from somewhere, asking information of some body, who left some place and came to Utah sometime ago, in company with somebody else. The writing is too fearfully and wonderfully made to furnish a more explicit commentary. We are willing to give any information in our power, but require a little in this instance, ourselves.  
**Unique Glassware.**—The other evening three men were discovered in a bonded car of glassware, at the Ogden depot, and being unable to furnish good and sufficient reasons for their presence in such quarters, the officers could come to no other conclusion than to consider them a portion of the cargo, especially worthy of being "banded with care," until further developments.

HABEAS CORPUS.

**APPLICATION OF THE EXECUTORS.**  
THE PARTIES TO APPEAR IN COURT TO-MORROW.

At 10 o'clock this morning the Supreme Court of the Territory of Utah opened as announced. Chief Justice John A. Hunter and Associate Justice P. H. Emerson being present. Judge Foreman being failed to arrive as expected, the hearing on the *certiorari* was deferred until to-morrow (Saturday) morning at 9 o'clock.  
Previous to adjournment, Mr. Rawlins, of counsel for the executors, read the following petition for a writ of *habeas corpus*, which was issued. The Executors will therefore appear in court to-morrow morning, to attend the hearing on this and the other proceedings in their case:

**PETITION FOR WRIT OF HABEAS CORPUS, FILED AUGUST 22, 1870.**  
To the Hon. Justices of the Supreme Court of Utah Territory:

The petition of George Q. Cannon, Brigham Young and Albert Carrington respectfully sheweth: That they are now prisoners confined in the custody of Michael Shaughnessy, United States Marshal for the Territory of Utah, in the Penitentiary in the county of Salt Lake, in said Territory. Your petitioners also show that such confinement is by virtue of a warrant, a copy of which is hereto annexed, marked "Exhibit A," and that the facts concerning the said imprisonment of your petitioners are as follows, to wit: That on the 14th day of June, A. D. 1870, Emeline A. Young, on behalf of herself and the heirs at law, and legatees and beneficiaries under the last will and testament of Brigham Young, late of Salt Lake County, Utah Territory, deceased, commenced a suit against your petitioners and others by filing a complaint in the District Court of the Third Judicial District, Territory of Utah, and causing a summons to be issued thereon. A copy of said complaint is hereto annexed and marked "Exhibit B," and made a part hereof.

After the filing of said complaint and upon the same day, without notice to your petitioners or either of them, upon said complaint alone, an order was made by the judge of said court, directed to your petitioners and others, a copy of which is attached, marked "Exhibit C," and made a part of this petition.

That on the 20th day of June, A. D. 1870, and in due time after service of the summons and a certified copy of said complaint upon them, your petitioners filed their separate answers thereto, duly verified. A copy of said answer with verification is hereto attached marked "Exhibit D" and made a part of this petition.

That on the second day of July, A. D. 1870, the affidavits of W. S. McCornick and of J. G. Sutherland and John R. McBride, copies of which being hereto attached and marked respectively "Exhibits E" and "F" and made a part hereof, were made and filed in said court, whereupon and without any other or different showing and without any previous notice of your petitioners, on the same day the said court made the order hereto attached marked "Exhibit G" and made a part of this petition.

That on the same day, pursuant to said order, an attachment issued and your petitioners were arrested, brought before said court and held to answer as for the alleged contempt therein mentioned.

That on the 15th day of July, A. D. 1870, your petitioners filed their answer, duly verified, to the said charge, a copy of which, with verification thereto is hereto attached, marked "Exhibit H," and made a part of this petition. Thereupon, after hearing evidence and investigation of said charge, on the 30th day of July, A. D. 1870, the court rendered its opinion and findings and on the same day filed the order, both of which are hereto attached, marked respectively "Exhibits I" and "J," and made a part of this petition, whereupon the warrant herein first set out, was issued. And your petitioners further state that it is not within their power or the power of either of them to comply with the said last mentioned order, with respect to the delivery of the property to the Receiver as therein directed. And your petitioners further state that the record of the aforesaid proceedings and judgment and conviction is now in this court on *certiorari* to said District Court, and your petitioners pray said record may be considered by the court herein.

And your petitioners further state that they are advised by their counsel, Bennett & Harkness and Sheske & Rawlins, residing in Salt Lake City, and verily believe that their imprisonment is illegal, and that such illegality consists in this:

1.—The court had no authority to issue an attachment as for contempt upon the order marked "Exhibit C," or upon a failure to comply therewith.  
2.—The affidavits marked "Exhibits E" and "F" do not contain facts sufficient to authorize the issuing of such attachment or to give the court jurisdiction to proceed against your petitioners as for contempt.  
3.—Said attachment was issued without notice to your petitioners or either of them.  
4.—The court had no jurisdiction of the subject matter of said charge of contempt.  
5.—The order marked "Exhibit J" was in excess of the jurisdiction of the court, and void in addition to the reasons mentioned, because it embraced matters which were not the subject of the charge made in the affidavit upon which the proceeding as for contempt was based, and in respect to which your petitioners were not called upon and had no opportunity to answer, and because said order directed the delivery of property which had passed beyond their control and which they had no power to deliver, as appears from the face of said order, and did not embrace any specific property the assets of the estate of the said deceased in their hands.  
6.—That said order and the warrant of commitment thereupon issued, were otherwise illegal and void, as appears from the facts hereinbefore set forth.

Wherefore your petitioners pray a writ of *habeas corpus*, to the end that they may be discharged from custody.  
GEO. Q. CANNON, BRIGHAM YOUNG, ALBERT CARRINGTON.

Salt Lake County, } s. s.  
Geo. Q. Cannon, Brigham Young, and Albert Carrington, the petitioners above named being severally duly sworn, each for himself, says that he has heard read the foregoing petition and knows the contents thereof, that the same is true of his own knowledge, except as to the matters therein stated on information and belief, and as to those matters he believes it to be true.  
GEO. Q. CANNON, BRIGHAM YOUNG, ALBERT CARRINGTON.  
Subscribed and sworn to before me, this 12th day of August, A. D. 1870,  
JAMES JACK, Notary Public for Salt Lake County, U. T.

JAMES JACK, Notary Public for Salt Lake County, U. T.

The exhibits referred to in the above petition have all appeared in print before; it is therefore unnecessary to again give them publicity in full.

**Base Ball.**—The series with the Denver Browns, which commences to-morrow, will, it is believed, be much more attractive than any we have had this year. Extra efforts have been made by the Deserets to secure the best nine they have ever put in the field. Barker, with his late Western experience, is a strong addition, and Mr. Bob Addy, who has played for sixteen years with League clubs, has arrived to settle here and play with the home nine. The Deserets last year made themselves popular by their honest, hard playing and gentlemanly bearing, and as the team is managed by responsible parties who report the nine as being really extra good, the conclusion is very far that something unusually attractive is at hand. The visitors arrived last evening and practice this afternoon on Washington Square. The game to-morrow will doubtless attract a large audience. It commences at 3.30 p. m. sharp.

**Ogden Items.**—William Henry, imprisoned in the Court House for robbing Wm. Nelvin's room at the Globe Hotel, the other day, tried to escape yesterday morning. Being sent out to empty a bucket of slops, he took to his heels, and finding he was pursued took refuge in a barn beneath the hay. He was found and escorted back to his quarters.

A contemptible half drunken fellow named Wm. Price, on Wednesday evening gave vent to the meanness of his disposition by cutting off a portion of the tail of a valuable greyhound, passing up the street. Such a piece of cruelty should be punished as it deserves. We are indebted to the *Dispatch* for the above.

**A Surly Beggar.**—This morning's *Journal* contains the following: "Yesterday morning a man called at a house in the Third Ward and asked for bread. There was no one at home but a woman, and learning this the fellow was not very mild in his demand for a meal. Good wholesome food was set before him; but as the lady declined to give him some coffee, he swore loudly and declined to eat. Fearing further demonstration, the lady went to the door and called for a neighbor. Before any one arrived the ruffian took his departure; but as he was leaving he kicked over three flower pots which were standing in the yard, broke the gate from its hinges and threw it in the ditch."

**They Laugh Who Win.**—From this, it was an easy matter to ascertain who won the cricket match yesterday. The faces of the civilian eleven were a calm, stoical expression as they came up from the square, while the ruddy countenance of the "boys in blue" were so wreathed in smiles that their own mothers would not have known them. And the boys should be glad; it is their first victory. The score was 116 to 115 in their favor, with six wickets to go down.

**Railroad Matters.**—Bishop John Sharp returned from the terminus of the Utah Southern last evening. The work on the extension is being rapidly pushed. Iron is not furnished fast enough to keep a full force employed. The freight business of the local roads is increasing. There were more cars in the depot yard yesterday than there had been any day before for six years. Last evening's freight train north took over 30 cars and the Southern brought in 25.

**For New York.**—Elder Wm. C. Shaines, Church emigration agent, left New York this morning, to attend to the fall session's emigration. There are but two more companies coming this year. The first will leave Liverpool on the 6th of September, the other on the 25th of October. Persons wishing to communicate with Elder Shaines should address P. O. Box 3957; his office is at No. 8 Battery Place, New York.

**More Good Music.**—The Careless Orchestra have in contemplation their second grand vocal and instrumental concert, and are only awaiting the arrival of new music to begin rehearsals for the occasion. This concert will be followed by one from Captain Croxall's command. We shall anticipate both events with pleasure. Good music is what we want, and these talented combinations are abundantly able to furnish it.
