## VAUDEVILLE SHOW FOR JUNCTION CITY

Martin Beck, Head of Orpheum Circuit, Leases Grand Opera House.

## FLURRY OVER GOLD FIND

At Mouth of Ogden Canyon—Sugar Companies Elect Officers—Viaduct To Be Opened May 1.

Ogden, April 13.—The visit of Martin Beck, head of the Orpheum circuit, to Ogden yesterday was productive of results, and after August 1 the Junction City will be provided with vaudeville under Orpheum auspices. Mr. Beck secured from Hon. David Eccles, owner of the Ogden Grand opera house, a lease on that building.

For some time the Grand Opera house has been controlled by the Western Theatrical syndicate, and an extension of the lease was sought by John Carr, representing the syndicate. It had been talked for some time that a new playhouse would be built by Ogden capitalists for the Orpheum circuit, but now that the condition of affairs has been reversed, it is quite probable that the Western Theatrical syndicate will provide itself with a new theater.

## SUGAR COMPANIES ELECT OFFICERS.

The Amalgamated Sugar company has elected the following officers for the ensuing year: David Eccles, president; M. S. Browning, vice president; H. H. Rolapp, secretary. These, with the following, form the board of directors: Joseph F. Smith, Fred J. Kiesel, H. H. Spencer, Joseph Sevcroft, Adam Patterson, E. P. Ellison, George Stoddard, Joseph Clark and W. H. Wattle. The matter of the removal of the Le Grande sugar factory to Utah was discussed at some length, but action will be left to a committee to be named by the president.

Immediately following the meeting of the stockholders of the Amalgamated sugar company, the stockholders of the Leavitt Sugar company held their annual election of officers and directors as follows: C. W. Nibbel, president; H. C. Eccles, vice president; H. H. Rolapp, secretary; Joseph Howell, H. H. Spencer, Hyrum M. Smith, M. S. Browning, David Eccles, Adam Patterson and L. R. Eccles.

This annual reports of the officers of both companies were read and approved.

## EXCITEMENT OVER GOLD DISCOVERY.

A little mining flurry was caused in the city yesterday afternoon by the announcement that gold had been found near the mouth of Ogden canyon by the men who were employed upon the digging of a cut for the street car line. A few days ago a mining man of Ogden noticed the nature of the gravel and limestone formation in which the men were working and had some of the product assayed. The report of the assayer, it is rumored, was that the rock ran \$150 per ton. Already the ambitious prospector has staked out a number of claims in the vicinity of the find and contemplates beginning operations.

## VIADUCT NEARLY COMPLETED.

Engineer Campbell of the Harriman interest in Ogden, in charge of the building of the viaduct, announced today that the viaduct would be turned over to the city on May 1. It is probable that the big bridge will be ready a few days before the first of the actual opening will be on May day. The first floor of the bridge has been laid and most of the second floor is in place. The steel for the three rails and the steel strands for the arc lamps are upon the ground and will be put in place

during the coming week. The stairways leading to the foot bridge on the side of the viaduct are being completed. The painters have completed their labors and the big structure which had a brilliant color of red when put in place now is a dull black color.

## HIGH SCHOOL TRACK MEET.

Next Saturday afternoon at the Inter-Mountain Fair association grounds the alumni of the high school and the high school team will meet in their annual field and track meet. Some of the best athletes of the high school are found in the alumni, but they are figuring on a hard rub with the students among whom are some of the athletes of the state. The meet is called for 2 o'clock.

## MARRIAGE LICENSES.

Marriage licenses have been issued to the following by County Clerk Dye: Raymond J. Smith and Violet Best, both of Ogden.

Walter S. Parker of Jerome, Idaho, and Clara Morton of Chico, Cal.

Advisers have been received in Ogden from Los Angeles announcing the marriage in that city of Miss Agnes R. Maguire of Ogden and Fred W. Burns of Vancouver, B. C. Miss Maguire was connected with the county clerk's office for a number of years and later in the office of County Assessor Dix. The bridegroom represents the interests of the furriers, the millionaire packer of Canada, in the United States and Mexico.

## VINEYARD RANCH IMPROVEMENTS.

The local owners of the Vineyard Ranch in Nevada which was formerly known as the Sparks-Harrell ranch, and one of the largest in the United States, have announced that within the next few days the capital stock of the company would be increased from \$1,000,000 to \$1,500,000. The object of making the increase of the capital stock has not been divulged as yet but it is stated that it is for the purpose of developing a number of irrigation projects on the property.

The ranch comprises about 50,000 acres and is principally owned by David Eccles, H. H. Rolapp, Joseph Sevcroft, Adam Patterson, M. S. Browning, W. H. Wattle and others. The property is considered one of the best in the Sacramento state, where most of the sugarbeet lies, with a portion in southern Idaho.

## WILL ENTERTAIN G. A. R. VETERANS.

Ogden is losing no time whatever in arranging for the entertainment of the veterans who attend the national convention at Salt Lake in August. Mayor A. L. Brewer has issued a call for a mass meeting of the citizens of Ogden to be held Tuesday, April 20, at 8 p. m., at the county court house, to perfect arrangements for the entertaining of the visitors. Already Ogden has given a great amount of attention to the coming encampment and is looking hard to lend whatever aid it possibly can to Salt Lake in carrying for and entertaining the veterans.

## JUNCTION CITY BRIEFS.

Doubletracking U. P.—The Union Pacific has started the work of placing its big gravel pit at Granger in connection for the securing of material for the ballasting of the double-track road between Green River and Granger. The work of doubletracking between Ogden and Granger will also be continued during the summer.

Strengthening Cut-Off—Two steam shovels, 200 men and five work trains are at work upon the Lucin cut-off rapping the embankments on each side of the big road bed. It has been found that the recent heavy storm upon the lake and the high water make these improvements necessary. It is expected that the work will last a number of weeks.

Civic League Meeting—The Ogden Civic League meets this evening at 8 o'clock at the Weber club, when the plans for the beautifying of the city will be discussed.

## SPRINGVILLE.

Funeral of Miss Delta A. Miner. An Esteemed Young Lady of 16.

Special Correspondence.

Springville, Utah, April 13.—Funeral was held on April 13 in the Second ward meetinghouse over the remains of Miss Delta A. Miner, daughter of

Albert Miner, who died April 8, after an operation for appendicitis. The deceased had just passed her 16th birthday, and was very highly esteemed. There was a large attendance at the funeral. The speakers were Elders George Q. Morris of Salt Lake, Bishop J. P. Bringham and N. K. Nelson, who offered words of comfort to the bereaved family. Beautiful musical selections were rendered by Mrs. Emma Ramsey Morris and by the ward choir. The floral offerings from school associates and friends were many and beautiful.

A large force of men are at work on the new opera house. The new high school is just receiving its finishing touches. Springville had a great number of visitors in town April 12, on account of so many trains being held here waiting for the wrecked car what derailed away on the D. & R. G. near the mouth of Spanish Fork canyon.

## PROF. HENDRICKS GOES TO A.C.

State Board of Education Meets in Logan April 27.

Special Correspondence.

Logan, April 16.—Prof. George R. Hendricks of the Brigham Young college has been engaged in the commercial department of the Agricultural college for next season. Prof. Hendricks is a young man of considerable ability. He was born in Lewiston, Idaho county, and graduated with a degree from the school in which he now teaches. He took his master's degree from Harvard and is a highly capable man in his line.

Prof. I. B. Evans of the college faculty, instructor in history at the U. A. C. during the past season, has resigned in order to take up work in the east studying law.

The state board of education will hold its regular meeting in Logan Saturday, April 27. This is the first time the board has held a session out of St. George, and is really considered an honor to Logan for this occasion.

The college board of trustees will hold a session next week. The date is not yet set.

## WORDS TO FREEZE THE SOUL.

"Your son has Consumption. His cough" is heard again and again. The words were spoken of Springfield, N. C., by two expert doctors—one a lung specialist. Then was shown the wonderful power of Dr. King's New Discovery. "After three weeks use," writes Mr. Stevens, "he was as well as ever. I would not take all the money in the world for what he did for my boy." Infallible for Coughs and Colds, its safest, surest cure of desperate Lung diseases on earth. 50c and \$1.00. Z. C. M. I. ## EPHRAIM.

Funeral of John Nielson—Dr. Hilda Dyring Final.

Special Correspondence.

Ephraim, Sumner Co., April 14.—The funeral of John Nielson, who hung himself this morning, will be held from the Presbyterian church on Friday. The cause of the rash act of the old man is still unaccounted for.

Dr. Hilda Dyring was physician without a doctor's diploma and was fined \$10.

The Snow academy is completing the building ready for dedication in the fall. A fine room has been erected in the building and the school has been put in in the portico. The front of the building will also be completed this summer.

## SOCIAL AND PERSONAL.

## WALL SCHOLARSHIP.

Invitation to Participate is Issued by Dr. J. S. Merrill.

Dr. J. F. Merrill, director of the state school of mines at the University of Utah, has issued a letter inviting applications for the Enos A. Wall fellowship in mining. The fellowship was established several years ago to encourage research in metallurgical pursuits, and is awarded by the university faculty. It insures the expenses of a student for one year.

The present holder of the fellowship is Theodore T. Holt of Oregon, who has been giving much attention to the expanding of silver ores, and whose researches are said to add greatly to the knowledge of this subject.

The letter follows: "Applications are hereby invited by the Utah state school of mines for the award of the Wall research fellowship in mining, ore dressing, or metallurgy, the annual stipend of which is \$500.

"In order to be eligible, the applicant must be a graduate of a college or university of recognized standing (or will be by July 1), and must be qualified to enter upon research work in mining, ore dressing, or metallurgy. During the school year the holder of this fellowship must be a resident student of the University of Utah, devoting about half his time to research work and the remainder to study.

"If not personally known to the committee on awards, the applicant should send testimonials of his character and ability, and also an abstract of his record. The committee will award the fellowship to that young man who seems best qualified to engage in successful research work in one of the subjects named.

"Applications will be received up to May 15, and should be addressed to the Director of the State School of Mines, University of Utah, Salt Lake City.

"JOSEPH F. MERRILL, Director."

## BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces, such articles should never be used except on prescriptions from reputable physicians, as the danger to the system is too great to be taken lightly. Good you can possibly derive from them. Halls Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Halls Catarrh Cure be sure you get the genuine.
