INVITATION!

WE extend a cordial invitation to Conference
attendants to visit our new and magnificent
store. The institution represents an invest-
ment of nearly half a million dollars—a great and
modern department store—a veritable exposition of de-
pendable merchandise assembled by our buyers from the
great centers in this country and from Europe and oriental
nations.

The solid mahogany fixtures, the beautiful oval
stairways, the galleries, the French plate glass show
cases, and the interesting basement section with its rare
rugs and fine carpets, nooks and dens, will afford inter-
esting hours in sight seeing.

We have arranged for the days of the Conference,
specials in every section—prices lowered for the occa-
sion. We make no statements which are not facts. Every
reduction is genuine. Every article sold will be found
as represented. Our customers—our clerks know that
we propose to do—and are doing—a straightforward,
legitimate business. It doesn't pay to mislead in adver-
tising. Feel at liberty to come to the store whether
you contemplate a purchase or not.

SPECIAL OFFER in Waistings and Vest- ings—\$1 and \$1.25 Values for 75c.

This inducement will hold good only on Monday, Tuesday and Wednesday.
The reductions are dependable and the materials are in every respect admirable
for fashionable waists. The line represents largely imported Oxfords, English
Vestings in stripes, Basket Weaves, Seeded effects, Canvas and Waffel Weaves,
small Floral Brocades and Embroidery stripes, all of which are white grounds
and fancy colored stripes and colored seeded effects on white grounds. Alto-
gether it is one of the swiftest variety of styles ever submitted for the inspection
of lady observers of dress. To emphasize the importance of this sale we
have concluded to make into Waists in our custom department, materials bought
here, in any of the three styles shown in the window with the exhibit of goods for
the small expense of \$2.50. To appreciate this offer the fashionable Waists
must be seen. Waists complete such as we direct attention to cost \$5.00 for two
of the styles, the third being \$6.00.
