### DEATH OF BRIDE OCCURS AT BOISE

Mrs. Jesse B. Hawley Succumbs To Typhoid After Illness Of Two Months.

FAMINE SITUATION.

Oregon Short Line Officials Promise Relief at an Early Date-Window Smasher Arrested.

Special Correspondence.

OISE, Ida., Dec. 5,-Mrs. Jesse B. Hawley, bride of four months, succumbed to typhoid fever, after an liness of two months. Mrs. Hawley was the wife of Jesse B. Hawley, a well known young attorney of this city. She was born at Broadhead, Wis., Aug. 20, 1880, and where she spent the greater part of her life. She came to Boise on account of her health in June, 1905, and spent the summer here. It was during that summer that she met Mr. Hawley, July 31, of this year. The deceased was 26 years old and leaves, besides her husband, a brother, and sister to mourn her demise, Her sister, Miss Mary Gibbens, arrived here yesterday morning

The funeral will take place from the residence of James H. Hawley, at 219 Main street, at 9:30 tomorrov morning. Services will be held at St. John's Catholic church at 10 o'clock, interment taking place in St. John's ceme-

#### WINDOW SMASHER.

A bold robbery was committed this morning at 2:39 o'clock, when a thief smashed the big plate glass window at George M. Anderson's pawn shop, at 612 Main street, and reached in, securing about \$40 of rare coins and 10 rings, valued at from \$2.59 to \$6 each. A brick valued at from \$2.50 to \$6 each. A brick was used in breaking the window. The fanitor, who sleeps in the rear of the store, heard the crash and looked out in the main room, but everything appeared to be alright. He concluded that the noise was made in the resort upstairs and returned to bed. The thief evidentials was to have set in Main street as some of and returned to bed. The thief evidently went up Main street, as some of the plunder was picked up. Policeman Ed Marion met a man, presunably the thief, as the policeman thought he appeared to be somewhat startled, asked him where he was going. The man replied that he was looking for a roominghouse and he was directed to the Alturas on the opposite corner. He thanked the policeman, who came on nown Main street and picked up an old bill in front of Coleman. & Hughes down Main street and picked up an old bill in front of Coleman & Hughes wholesale liquor store, and then noticed the broken window in the adjoining building. He hurried back up the street, but could find no trace of the man. At Sixth and Idaho streets several cards were found which were detached from the rings. The police have a good de-scription of the man and it is believed that he will be captured at an early

CHILDREN TURNED SWITCH.

Sunt Olmstend, Trainmaster Jones and Master Mechanic H. Carrick of the Short Line were in town yesterday to investigate the wreck which occurred Sunday. After carefully looking up the matter they formed the opininion that the switch was turned by children. The wrecking crew left yesterday for Pocatello. It is estimated that the damage done to the engine will not exceed \$200. the Short Line were in town yesterday

COAL SITUATION.

Trainmaster Jones stated that the pregon Short Line officials are making every possible effort to relieve the coal situation and trains bearing coal are being run on passenger time. He further said that they had taken the matter up with the mine officials, urgsible. Such encouragement as this in connection with the warm change that has taken place has a soothing effect upon the anxious coal famine populace of this city.

BATTALION POST.

It is shown by the report of the sec-retary of war that he proposes to proceed with the enlargement of the barracks with all possible expedition. Beds have been requested for the improvements covered by the present apportion-ment and that money will not lapse as that previous sum did. Moreover, the secretary has recommended an additional appropriation approximating This additional sum will go far to-

ward completing all the needed work even if it does not prove altogether suf-ficient, and Bolse may look forward to the creation of the barracks as a bat-talion post and regimental headquarters in a comparative short time

THIEF ARRESTED.

George Collins is the name given by an old man arrested about 8 o'clock last evening, charged with the theft of old roins and jewelry from the store of George M. Anderson. Collins, who is 71 years old, was arrested in the Montreal saloon by Officers Kelly, Burk and Marlen, who found him playing cards. Most of the stolen property was found on his person. In default of a \$500 ball bor Collins was given into the custody the sheriff, to await trial, time for which will be fixed for the conveni-ence of the county prosecutor.

### STAKE CONFERENCE HELD IN PRESTON, IDA.

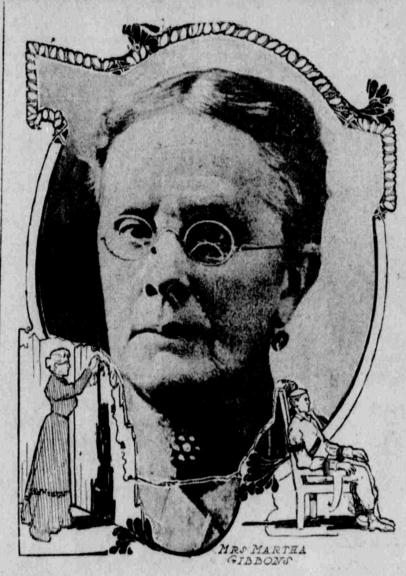

Special Correspondence.

RESTON, Ida., Dec. 6.-A very large, enthusiastic stake conference convened in Preston Dec. 1 and 2. Elders George Teasdale and Seymour B. Young were in attendance, and gave the saints of Oneida stake much wholesome counsel and admonition. On Saturday especially was the conference marked by special event. Elder Teasdale had not been here for years, and the warning he gave the Elder Teascale had not been here for years and the warning he gave the saints and the way he depicted existing conditions, plainly demonstrated the presence of the Spirit of the Lord. The conference created a wonderful impression. On account of Elder Kirkeeps being on a mission in Great Britain, he having acted as sueprintendent of the Sunday schools of Oneida stake for 10 years, the Sunday schools were of the Sunday schools of Oneida stake for 10 years, the Sunday schools were reorganized with Elder John Johnson as superintendent, M. C. Henderson first assistant, Jacob N. Larson second assistant: Geo. Crockett, secretary; John Bodily, organist; Otto E. Johnson, thorister, and Isaac B. Nash, Louie Dowdle, et al, as state aids.

The Religious class movement was a second control of the control

The Religion class movement was re-instituted with Chas. D. Goaslind as stake superintendent, Walter K. Bar-ton, first assistant; John W. Condie, second assistant; Geo. D. Casto, sec-tetary; Jos. Thomas and George Park-er stake aids.

SLAND, Dec. 5.-Snow is new in evidence here six inches deep on the level, and as a consequence the cold weather is making all hug the tree, M. I. Okleberry and Peter Okle-

would not snow before Christmas be-cause they were busy hauling baled

hay to Burley, are now out rusting fuel in the form of willows, which they have to haul five miles, much to the amusement of the wise ones who have already hauled their winter's supply of

The schoolhouse here is nearly com-

pleted and will be placed in commis-sion in a few days.

Operations on the Okleberry residence have been temporarily suspended owing to the arrival of a 10-pound boy at the old dwelling. M. K. Okleberry returned from a mission a year ago last July, met his wife at Murray and promptly got married. He now has a wife and family, a nice dwelling and other property since he returned from Sweden. Thomas Campbell has been ill for three or four weeks with typhold, but is now getting better.

The leading amusement here this winter is dancing, and enjoyable gatherings occur once or twice a week.

GRIM DEATH AGAIN

Special Correspondence.

Operations on the Okleberry residence

Mrs. Martha Gibbons, matron of the Columbus, Ohio, city prison, is the woman who recently expressed a desire to obtain Governor Harris' permission to throw the switch at the electrocution of Fred Castor, a burglar-murderer, now awaiting the death sentence. Mrs. Gibbons declares she has thus far refrained from making the tragic request because a similar desire has been expressed by Mrs. Daniel Davis, whose husband was killed by Castor.

astic surprise social in honor of Principal John Johnson was held in the assembly hall of the Oneida stake academy, Prof. Henry Otte in charge, Covers were laid for 350 people. Henry Otte was toastmaster and the following recovers were made. Song. "O Otte was toastmaster and the follow-ing responses were made: Song, "O Wondrous Home," Miss Myrtle Brim-hall; prayer, Prof. Oswald Christensen; vocal solo, Miss Blanche Larson; ad-dress of welcome, Prof. Geo. D. Casto; presentation speech, Prof. Henry Otte; response, Prof. Johnson. The board of education, President Geo. C. Parkin-agon.

The students and the faculty presented Prof. Johnson with an ornamen-tal candelabra- as a token of the esteem and confidence in which he is held. The pleasant festivities had their finale in a dance. This was the social event of the season, and especially credit is due those who so ably managed the affair.
Some three weeks since in giving an

Some three weeks since in giving an account of the founders day exercises a communication from Preston did the academy an unintentional injustice in stating that the academy had come up through strife, turmoil and adversity. While such is true with reference to adversity, it is not germane nor truthful with respect to strife and turmoil. We have escaped the scourge of both

the latter conditions.

The enrollment at the academy has nearly reached the 300 mark and new students are registering daily.

### TWO DEATHS OCCUR

AT MALAD LAST WEEK. Special Correspondence.

MALAD CITY, Dec. 6 .- On Thursday the funeral services over the remains of Mrs. James T. Jones were held in the tabernacle. Jeremiah Williams, L. D. Jones, Brigham E. Jones, Jesse H. Dredge and Bishop William H. Richards spoke in glowing terms of the deceased, eulogizing her virtues and sterling worth. Mrs. Annie was the beloved daughter of Mr. and Mrs. Jenkin Jones, pioneer

residents of Malad, where the deceased was born and lived until her death. She was a firm Latter-day Saint to the last and her loving companionship, genial smile and comforting influence will be greatly missed by her parents, husband and baby, brothers and sisters, and

many friends who loved her.

The infant child of Mr. and Mrs.
George Babbitt, who died from the
whoopingcough, was buried yesterday.
Several inches of snow have fallen during the week, but the last two days it has been thawing and the roads are very slushy.

### WESTON CELEBRATES THANKSGIVING DAY.

I ESTON, Idaho, Dec. 6.-Thanksgiving day was appropriately

celebrated. A pregram, consisting of a Thanksgiving address, anthems, songs and recitations was rendered in the regular

place of worship, beginning at II clock and lasting one hour. After the close of the services a bounteous spread was enjoyed, and a representation of all the delicacies the orchard, field and flocks can produce

A most enjoyable time followed. A most enjoyable time followed.
A letter from Box B arrived for
Frederick H. Campbell, giving him
notice to be prepared to take a mission to the Southern states in the fore-

part of January.
Also one for Anton Jenson, who will leave for the European mission early in January.

Weston will then have six elders,

representing this ward in the mission The health of the people is very good in comparison to what it has been for the last three years.

saloon on the corner of the J. H. Camp-Some townsmen are finishing the one township are missing the oneida Irrigation canal running just in the edge of the village, and the farmers are expecting to farm more intensely and cut up their holdings. So there will be some of the best land in Cache valley redeemed, and for sale. Good Industrious men with families are invited to locate here.

### THE OKLEBERRYS IN EVIDENCE AT ISLAND.

## PLACER MINER IS FOUND DEAD

Francis B. Hanley Succumbs to **Heart Disease Outside His** Lonely Cabin.

POCATELLO. ITEMS

Brakeman Has Legs Crushed Owing to The Derailment of a Car on Which He Rode.

Special Correspondence, D OCATELLO, Dec. 6.—The body of an old placer miner named Francis B. Hanley was found near his cabin at Horse Island last Thursday by two boys the sons of Con Regan a neighbor. The body was lying near the woodpile holding in its arms a pile of kindling wood. The old man who was 69 years of age, and living alone, had evidently died of heart failure. The body was taken to Pocatello for interment. The deceased was a stepfather to Mrs. George Kimpton of this city. In former days Mr. Hanley made good money at the one time famous Rocky Bar placer.

The quarterly conference of the Pocatello stake will convene here Saturday and Sunday, Dec. 15 and 16.

The stork visited Mr. and Mrs.

Hyrum Kay last Saturday morning and left with them a big bouncing blue eyed, 10 pound boy.

NO. 2 DERAILED.

The east bound passenger No. 2 was derailed Sunday morning at American Falls, 29 miles west of here, the accident was caused by a broken journal, no one was injured. The wrecking crew was dispatched to the scene of the trouble and the team arrived about three hours late.

Monday afternoon a construction train was derailed on the Park branch construction near Marysvale which seriously in-jured Brakeman William Walls, who had both legs badly crushed. He was brought to this city by special train and was attended by Dr. Wright train and was attended by Dr. Wright and Adams who think, however that the legs can be saved. A boulder derailed the head car on which he was standing and he was thrown and received the above described injuries. Wall's home is in Omaha; he is 35 years of age. The special made a record run.

COURT DID NO BUSINESS.

The Fifth judicial district court convened in session here Monday morn-ing with Judge Alfred Budge on the ing with Judge Alfred Budge on the bench. There being no cases for the petit jury, the jurymen were excused, an unusual incident, and the first of the kind that has happened here.

The new law pertaining to citizenship is now in operation, the jucge announced that hereafter the first day of court will be devoted especially to consider the application for admissin as citizens under the new act.

HE GOT FIFTY DAYS.

Frederick Prentice, the bogus bill man, who recently defrauded Thomas L. Cox, the north Main street shoe-L. Cox, the north Main street shoemaker and notion dealer, out of good money by buying a pair of overalls and tendering a \$10 greenback of the "Merchants & Planters" bank, which does not exist, was sentenced by Judge Budge to 50 days in the county jail. He was arrested on the charge of obtaining money under false pretences, which was the only legal charge that would stick under these circumstances. County Atty. George E. Gray is proving himself a very efficient county officer, the great majority of his charges stick after he has investigated the evidence. E. Lowell Hammertree, alias Ed Kellogg, alias Ed Callahan, bogus check logg, alias Ed Callahan, bogus check forger, was delivered to the sheriff of Bear Lake county where he is wanted I tween here and Chesterfield Tuesday

#### MURDERER OF DAYTON GIRL MAKES FULL CONFESSION.

David Curtis, a half-witted newspaper vendor, has just made a full confession to having murdered pretty Dona Gilman, of Dayton, O., within 50 yards of her home on Arlington Heights, on Nov. 20. The murder caused a great sensation, and numerous detectives have been working on the case. Rewards aggregating over \$6,000 had been offered for the apprehension of the

for greater offenses of the same kind. He is said to be the son of a prominent physician in Kansas City. He passed a bogus check here in favor of Thomas Doherty, proprietor of the Royal Exchange saloon a few days AFTER THE TRUANTS.

Supt. of Public Schools Walter R. Siders is enforcing the truancy law. Five truants were hauled before Pro-bate Judge Thomas Johnston as judge bate Judge Thomas Johnston as judge of the juvenile court this week, likewise their parents, and the law was read and expounded to them by Judge Johnston, and all were released conditionel upon good behavior. If the parents aid the children in truancy, the latter may be sent to the reform school.

QUALIFIED AS TEACHERS.

Mrs. Anna Harmer, superintendent of county schools, has concluded the teachers examination held here last week and the following teachers received certaificates: Emery N. Ferris, and Walter Heald of Pocatello, Robert and Walter Heald of Pocatello, Robert C. Hillman of Dempsey, and Earl C. Price of McCammon, who will teach in Wayan, all getting first grade cer-tificates, John Buttler, Martha L. Boulger, Adeline Hander, Olive W. Agnew, Blanche Volin, Marian E. Hal-lowell, Florence Post, and Julia K. Bo-han, all of Pocatello, Carrie Paterson han, all of Pocatello; Carrie Petersen of American Falls; Gordon G. Goch of Sago, Frank Edinburg of Soda Springs, Josie De Witt, of Henry, Lillie Fields of Dempsey, Marion Van Denakker of Grace, Minerva Hohlnepp of Rockland, Landing P. O., Rose Kelley of Herman, Elizabeth Kelley of Gray, Thomas Hewitt, Ida Marksberry, Ada Vander Wood and Harry W. Hampton, all of Dempsey, Arthur W. Schweider of Mink Creek, and Marion Hunt of Thatcher. han, all of Pocatello; Carrie Petersen

LOST IN THE MOUNTAINS.

Two young men, William and Ray Underwood, nephews of Bishop Hen-dricks of this city, but residing near Downey, got lost in the mountains be-

night during a snow storm white searching for a band of strayed cattle. Fortunately they came across a camp Fortunately they came across a camp of Indians who set them right for Pocatello, where they arrived about noon nearly exhausted from their hard traveling in the soft snow. They resumed their travel without having suffered any ill effects.

A pretty wedding occurred last night at the Congregational church, when Miss Heien K. Whittlesey, daughter of Mr. and Mrs. Henry H. Whittlesey, was married to Edmund F. Ferrer. Rev.

or Mr. and Mrs. Henry H. Whittiesey, was married to Edmund F. Ferrer, Rev. C. E. Whitham performing the cere-mony that made them man and wife. The church was filled with a host of friends. A brilliant reception was later tendered at the home of the bride's

### NAMPA SUGAR FACTORY CLOSES SUCCESSFUL RUN.

AMPA, Dec. 6.-The sugar plant of the Western Idaho Sugar company at this place closed its first year's run in highly satisfactory on Dec. 3. The slicing of beets ended that date and the last sugar was turned out today. A total of between 40,000 and 45,000 tons of beets was worked up within the period of about 70 days, and the output of sugar is said to have been correspondingly large-larger in fact, than the record of any western sugar factory in its first campaign. The cold snap found less than 1,000 tons of beets still in the ground, and these will be dug and fed to stock. The sugar market being quite still at present, a great part of the re-fined product is still on storage in this It is understood hat the leading members of he crew who have made so good a record, will be transferred to

the other Idaho sugar factories.

### ENTERPRISES FOR IDAHO FALLS

Portland Cement and Brick Plant Are Scheduled to Operate There.

DEPOT AND BRIDGE

First Carload of Structural Steel Mready on the Ground-Roller Skating Craze Breaks Out.

Special Correspondence,

DAHO FALLS, Dec. 7. Several inprovements and enterprises scholused for idano Fans, give promise of an early development, one of the lex an early development, one of the deal of the new cinciprises to be admend is the erection of a plant for the new Portable Cement & orick company, work on this is to be surface or near future, and when the proposition is running tun mass, it will be a great boost for the town.

Failing into the one the Oregon Short Line is also contemplating giving lea-ho Falis a depot that will be cooldien-surate with the importance of tax

This week a carload of structural steel for the new bridge across the snake at Broadway arrived. The contractors expect to start work on this about the first of the year.

The weather still remains cold, and there seems to be no solution to be contracted. The weather still remains cold, and there seems to be no solution to the coal famine, which has prevailed for the past two months. Occasionally a carlond of fuel arrives, but after a is doled out to residents, in small lots, it does not seem to make much of an increasion.

Pression.

Roller skuting has hit the town and all seemingly have developed the craze in its chronic form. The Brosdway dancing hall has been turned hito a rink, and people, young and old ars skating there day and night.

On Wednesday, Bishop James Thomas cold his residence properly here, and it is rumored that he is preparing to move to Blackfoot to reside. to move to Blackfoot to reside

### BEET HARVEST OVER IN VICINITY OF SUGAR.

Special Correspondence. C UGAR, CITY, Idaho, Dec. 6.-Eve-

rything is rather quiet at the present time. The beet harvest neing over and the fariners having received their pay, makes more leisure time, and they have had time to figure out their profits during the past season. The crops this year were exceptionally good and the farmers feel well over the prospects for the coming season. There has been considerable snow fail, yet the sheep have not best driven in from the foothills. They seems to be plenty of hay and gray and it is being sold in large lots all reasonable figure. At the present that peing over and the farmers having reasonable figure. At the present the ing fed at the Sugar company corrals.
This is the greatest number that have been wintered here, and it speaks well for the "beet pulp" that is being used

for the fattening cattle and she Th factory is running smoothly. Bob cutting plants are being used at the present time and greater headway is being made. About half of the beets have been cut and the factory has been

running 70 days.

There has been quite a thaw the past few days and much of the snow has gone. At the present writing the weather is threatening and a heavy snow is expected.

Mrs. Win Huffaker presented her husband with a fine girl yesterday Mr. Huffaker is chemist for the Idabe Sugar company.

Huffaker is chemist for the lazer Sugar company.

The M. I. A. associations are making preparations for a bazar, to be held on the 13th and 14th of December, faluable articles, suitable for Chrismas gifts are useful as well as orangently goods will be on sale. There will be much for the amusement of the pareet and a jolly good time is abhiduted by all present. Sunday expans, under the anspices of the M. I. A associations, Judge Donaldson spok to agood sized audience.

The sermon was impressive and the words spoken went to the hearts of the hearers. Besides the above there were some very excellent musical number given. The conjeint exercises of the property of the second of the Mutuals are becoming quite popular and each month sees a larger crowl in

and each month attendance.

The Christmas spirit is beginning to fill the air and the merchants are preparing for the same. The Sundar schools are preparing to give a Christendance of the spirit of the christman and the christma schools are preparing to give a Carsimas party to the children, and the event promises to be a red letter one for the little ones. The district school entertainment, which is to be given in the Onera House on the 20th, will be an excellent affair. There will be drille and music, etc., by the little falks, and the larger students will present approper to a

operatia.
