SAVE YOUR HAIR | TO LEARN HOW TO DO IT READ AND HEED WHAT FOLLOWS.

SAVE YOUR HAIR.—The laws of Health and Longevity demand it, the customs of social life require it. The matter is of great importance in every way.

BEAUTIFY YOUR HAIR.—It is the surpassing crown of glory, and for the loss of it there is no compensation.

CULTIVATE YOUR HAIR.—For by no other means can it be saved and beautified.

LYON'S

KATHAIRON,

Discovered thirty-five years ago by Prof. Lyon, of Yale, is the most perfect preparation in the world for preserving and beautifying the hair.

Besides being the best hair dressing ever produced, Lyon's Kathairon will positively prevent grayness, and will restore new hair to bald heads, if the roots and follicles are not destroyed.

It actually performs these seeming miracles, of which the following is

A FAIR SPECIMEN

I had been entirely bald for several years, constitutional, I suppose. I used a few bottles of Kathairon, and, to my great surprise, I have a thick growth of young hair.

COL. JOHN H. DORRANCE, U. S. A.

In every important respect the Kathairon is absolutely incomparable. It is unequaled.

1. To Cure Baldness.
2. To Restore Gray Hair.
3. To Remove Dandruff.
4. To Dress and Beautify the Hair.

BEAR IN MIND.—The Kathairon is no sticky paste of sulphur and sugar-of-lead, to paint and daub the hair and paralyze the brain. It is a pure and limpid vegetable lotion, intended to restore the hair by natural growth and reinvigoration. It is splendidly perfumed, and the most delightful toilet dressing known. No lady's or gentleman's toilet outfit is complete without Lyon's Kathairon.

### FORTY-SIXTH CONGRESS.

EXTRA SESSION.

#### HOUSE.

WASHINGTON, 19.—Speeches in favor of the right of Hull were made by Cobb, Davidson, Buckner and Mills, and in favor of Bisbee by Frye and Garfield. Garfield took the ground that Hull's certificate of election had been legally canceled. He suggested, therefore, that neither of the applicants be sworn, but that the case be referred to the committee on elections. If either were sworn now it should not be the man who held the certificate of election, but the man who held the highest certificate known to the laws of Florida. He wanted the House to begin this Congress in all fairness, because he knew that all too soon it would get lashed up by the party tiger.

Frye moved to amend the resolution offered yesterday, that the oath be now administered to Hull, by providing that the *prima facie*, as well as the ultimate right of each contestant, be referred to the committee on elections, and that in the meantime neither be sworn in.

Springer quoted against Garfield the decision of the electoral commission in the Florida case, to the effect that it was not competent to go into evidence aliunde of the governor's certificate.

The privious question was moved and seconded. The first question was taken on Frye's amendment, referring to the committee on elections both the *prima facie* and ultimate rights of both contestants. The amendment was rejected—yeas 137, nays 140. As between republicans and democrats it was a strict party vote. As to the greenbackers, Barlow, DeLaMatyr, Ford, Forsythe, Gillette, Jones, Kelley, Lowe, Mierch, Russel, (N.C.) Stevenson, Weaver, Wright and Yokum, fourteen, voted with the republicans, and Ladd with the democrats.

The original resolution that Hull be sworn in was then adopted, yeas 140, nays 136, and the modified oath was administered to Hull.

The Speaker announced the appointment of the following committee on rules: The Speaker, Stephens, Blackburn, Garfield and Frye.

The House adjourned.

#### EASTERN.

**The Vanderbilt Will Case.**

NEW YORK, 19.—Surrogate Colvin, in concluding a very lengthy decision in the Commodore Vanderbilt will case, says: "I am of the opinion that the probate of the will and codicil, should in all things be confirmed. Let a form of decision or decree be presented, for settlement and signature on two days notice."

**The Pedestrian Meeting—Receipts and Expenses.**

At a meeting of the Pedestrians, O'Leary, Harriman, Rowell, and Ennis, to-day, the following statement was submitted: Receipts at box $51,624.17; sale of bar, $2,525.25; total receipts, $54,314 40; cash in the Second National Bank, $40,487.80; cash short on account of counterfeit tickets, $600. Expenditures, $12,986; cash on hand, $81,774 The meeting decided that O'Leary is not entitled to the $2,000 which he claimed, and agreed to give him $1,000. A portion has already been given to the pedestrians, the remainder will be divided in a few days.

**Evans and Potter.**

INDIANAPOLIS, 19.—The *Journal*, to-morrow morning, will publish a letter from Hon. J. L. Evans, late congressman from Indiana, to Clarkson N. Potter, charging the latter with being a party either to the opening or the copying of a private letter to Evans by Consul Bullock at Cologne, concerning the cipher telegrams published in the New York *Tribune*. The letter is very severe.

**Western Republicans Complaining.**

CHICAGO, 19. — The *Journal's* Washington special says: The western republicans complain very much at the action of the republican caucus in giving to the east the three chairmanships of committees accorded to republicans by democrats. They say that this is a gross injustice to the west, and that either Senator Windom or Senator Ferry, who has been president *pro tem.* of the Senate and is the oldest senator from the west, in length of service, was entitled to one of the three chairmanships, which are given to Edmunds, Anthony and Conkling.

**The Message.**

The President's message, by its brevity, excited surprise, and its statement that the country needed peaceful rest from legislation was received with applause on the republican side.

**Probable Compromise.**

There is a prospect to day that a compromise in regard to the repeal of the election law may be effected. Leading democrats and republicans have been in consultation to see whether their differences cannot be adjusted. The democrats have proposed to abandon the repeal of the supervisors law if republicans will agree to concede the repeal of the clause of the election law which permits marshals and deputy marshals to make arrests at the polls on the day of election. They will be content with this. Republicans have the matter under consideration. Some favor accepting the proposition, but a good many republicans are opposed to yielding anything, and it is evident that the proposed compromise will not be satisfactory to the large body of republicans.

**The Business.**

That the democrats in the Senate do not intend to confine their labors at this session to passing the appropriation bills, was fully evident, to-day, when in a half hour's time about 100 bills were introduced, and referred to appropriate committees. This looks like general and special legislation.

**Senator Bell.**

The credentials of Senator Bell, of New Hampshire, were sent to the committee on elections to-day, by a democratic majority in the Senate.

**The Oliver-Cameron Suit.**

WASHINGTON, 19.—The Oliver-Cameron branch of promise suit was continued to day, and the cross-examination of Mrs. Oliver by General Butler resumed. A number of letters written by Mrs. Oliver were produced, read and acknowledged by the witness as hers. An effort will be made by the defense to show that the handwriting of these letters is identical with that of the letters purporting to have been written by Senator Cameron to Mrs. Oliver. The letters read were generally of a threatening character, demanding a money consideration in settlement. Among them was one stating she would bring suit for $50,000, but was willing to compromise for $10,000. To this letter was added a postscript saying: "I am going before a court next week to swear to the truth that you are the father of this baby, so that it will not come into the world unprovided for."

Witness stated that there was no child, but that she believed herself in that condition at the time she wrote that letter. Others judged so, and she was obliged to leave the Treasury Department on that account. Cameron forced her to take medicine. She believed, at the time, that it was done to destroy her. She afterwards had a miscarriage. She went into Middle's office in a state of pregnancy, and later returned and said the child was born and wanted him to go after Cameron to get the money.

**Bids for Silver Bullion.**

The Secretary of the Treasury, to-day, accepted bids for 75,000 ounces of silver bullion, to be delivered at the San Francisco mint.

**Decline in Silver.**

United States Consul Baker, of Buenos Ayres, in a communication to the Department of State, says that a decree made by the president of the Argentine republic, changes and materially reduces the status of foreign silver coins in circulation in that country. Heretofore that government has received Chilian dollars and Peruvian soles for customs duties at 88 cents, each, while the market value has gone down to 80½ cents. The reason given for issuing this decree is a decline in the value of silver, which has taken place in the principal markets of the world.

**Senate Select Committees.**

There were several select committees announced, as follows:

To take into consideration the state of the law respecting the ascertaining and declaration of the result of elections of President and Vice-President of the United States Morgan, chairman; Bayard, Thurman, Johnston, Garland, Davis, (Illinois), Edmunds, Conkling, Teller.

To investigate finance reports, books and accounts of the Treasury department, Davis (West Virginia), chairman; Beck, Whyte, Ingalis and Dawes; and it is provided that such committee shall have all the rights conferred by the resolution of November 19th, 1877, creating the original committee on that subject.

To make provision for taking the tenth census, Pendleton, chairman; Morgan Kernan, Harris, Davis, (Illinois,) Morrill, Cameron, (Wisconsin).

To investigate and report the best means of preventing the introduction and spread of epidemic diseases, Harris, chairman; Lamar, Garland, Jones, Paddock, Sharon and Platt.

To inquire into the alleged fraud in the late election, Wallace, chairman; Bailey, Garland, McDonald, Kernan, Teller, Cameron, Wisconsin, Kirkwood and Hoar; and it is provided that such committee shall have all the rights and powers conferred by the resolutions of December 7th and 19th, 1878, creating the original committee, and of Feb. 27th, 1879, adding to such power.

To examine into the circumstances connected with the removal of Northern Cheyennes, from the Sioux reservation to Indian Territory, Kirkwood, chairman; Davis, Plumb, Coke and Bailey.

To inquire into the claims of citizens of the United States against the government of Nicaragua, Hampton, chairman; Coukling, Kirkwood, Eaton and Morgan.

Large subscriptions are being made to the 4 per cent. refunding certificates.

Orders for 31,000 silver dollars were received at the treasury to-day, making 208,000 ordered the present month.

#### FOREIGN.

**GREAT BRITAIN.**

**A Wise Compromise.**

LONDON, 19.—The Manchester mill masters have agreed to compromise 5 per cent. in the proposed reduction of wages on the ground of the recent abolition in Indian import duties.

**Petroleum Springs.**

Rich petroleum springs have been discovered at Pohar, in Galicia.

**American Meat for German Markets.**

An English company is about to start, at Flushing, Holland, for the importation of American meat, alive and dead, for the German markets.

**To Resume His Duties.**

Sir Austin Layard has been directed to resume his duties as British ambassador at Constantinople on the 1st of May.

**AUSTRIA.**

**Wanted for Expenses.**

VIENNA, 19.—Government has asked the Reichsrath to authorize the issue of 100,000,000 florins gold rentes to meet the requirements of the current year.

**FRANCE.**

**The Rejected Motion—Contradicted.**

PARIS, 19.—Although the committee to which it was referred, rejected the Lengles motion, there will be a debate on the question of the conversion of Rentes in the Chamber of Deputies.

The report that Gen. Borel had resigned his command is contradicted.

**Grevy Returns his Protest.**

Grevy has returned to the senders the protest of the Rochebouet cabinet against the vote of censure passed on them, with a curt note, saying he could not receive it.

**GERMANY.**

**The New Tariff.**

BERLIN, 19.—The tariff commission finished its labors and presented the scheme of a new tariff to the federal council. The Reichstag will not discuss it before easter. It seems that the commission has taken the tariff of October 1st, 1878, as the basis of its labors and merely altered the figures.

**The Greek Frontier Question.**

The Powers unanimously oppose Turkey's course with regard to the Greek frontier question. France and Germany in conjunction first espoused the cause of Greece with the utmost energy. England has just united herself with them.

The customary grand court reception on Emperor William's birthday will not be held, as physicians advise his majesty to avoid fatigue.

**GREECE.**

**Could Not Agree.**

ATHENS, 19.—The official journal announces that the representatives of the Porte yesterday proposed a boundary differing from that suggested by the treaty of Berlin. The Greek commissioners decided that discussion was useless. The meeting broke up and the commissioners have exchanged farewell visits.

**WEST INDIES.**

**Steamship Collision—Sixty Persons Drowned.**

KINGSTON, Jamaica, *via* Havana, 19.—The British steamer *Bolivar*, Captain Doherty, plying between Liverpool and St. Thomas, came in collision with the Haytian steamer *Michael*. The latter sank and 60 persons were drowned.

**RUSSIA.**

**The War Indemnity.**

ST. PETERSBURG, 19.—The *Golos* states that it is more than probable that Russia has notified Turkey of her intention to leave troops south of the Balkans until she is guaranteed against the payment of the war indemnity being prejudiced by the terms of the projected Turkish loan.

**INDIA.**

**The Origin of the Burmah Difficulty.**

CALCUTTA, 19.—The origin of the trouble between the Burmese and British residents at Mandalay is, that the latter protest and refuse to deliver up to slaughter two royal princes and their families, who have taken refuge at the residency. The king of Burmah, who is said to be mad with drink, urged by fanatics and the reactionary party, threatens to force the residency. Such a hostile measure, on the part of the government, it is believed, would be the signal for a general massacre of the citizens.

**ITALY.**

**An Italian Colony.**

ROME, 19.—During the coming summer 3,000 Italians will leave Taranto for the southern coast of New Guinea to establish a colony to be be called Itala. The initiators and leaders of the enterprise are Menotte Garibaldi and a fellow-soldier named Achille Fazzar. Six million dollars, required for the enterprise, is ready. The equipments will include a cable to connect with Northern Australia.

**HUNGARY.**

**The Flood Destruction.**

PESTH, 19.—One hundred and twenty thousand persons are rendered homeless by the recent overflow. Eighty-two hundred out of 10,000 houses have fallen, and 1,900 persons drowned. The waters are subsiding and the adjacent towns are out of danger.
