AN ACT

To amend the act entitled "An act to encourage the growth of timber on western prairies."

Be it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, That the act entitled "An act to encourage the growth of timber on western prairies," approved March third, eighteen hundred and seventy-three, be, and the same is hereby, amended so as to read as follows: That any person who is the head of a family or who has arrived at the age of twenty-one years, and is a citizen of the United States, or who shall have filed his declaration of intention to become such, as required by the naturalization laws of the United States, who shall plant, protect, and keep in a healthy, growing condition for eight years, forty acres of timber, the trees thereon not being more than twelve feet apart each way, on any quarter section of any of the public lands of the United States, or twenty acres on any legal subdivision of eighty acres, or ten acres on any legal subdivision of forty acres, or one-fourth part of any fractional subdivision of land less than forty acres, shall be entitled to a patent for the whole of said quarter section, or of such legal subdivision of eighty or forty acres, or fractional subdivision of less than forty acres, as the case may be, at the expiration of said eight years, on making proof of such fact by not less than two credible witnesses: *Provided,* That not more than one quarter of any section shall be thus granted, and that no person shall make more than one entry under the provisions of this act, unless fractional subdivisions of less than forty acres are entered which, in the aggregate, shall not exceed one quarter section.

SEC. 2. That the person applying for the benefit of this act shall, upon application to the register of the land-district in which he or she is about to make such entry, make affidavit before the register, or the receiver, or some officer authorized to administer oaths in the district where the land is situated, who is required by law to use an official seal, that said entry is made for the cultivation of timber, and upon filing said affidavit with said register and said receiver, and on payment of ten dollars, he or she shall thereupon be permitted to enter the quantity of land specified; and the party making an entry of a quarter-section under the provisions of this act shall be required to break ten acres of the land covered thereby the first year, ten acres the second year, and twenty acres the third year after date of entry, and to plant ten acres of timber the second year, ten acres the third year, and twenty acres the fourth year after date of entry. A party making an entry of eighty acres shall break and plant at the times hereinbefore prescribed, one half of the quantity required of a party who enters a quarter-section, and a party entering forty acres shall break and plant, at the times hereinbefore prescribed one quarter of the quantity required of a party who enters a quarter-section, or a proportionate quantity for any smaller fractional subdivisions: *Provided, however,* That no final certificate shall be given or patent issued for the land so entered until the expiration of eight years from the date of such entry; and, if at the expiration of such time, or at any time within five years thereafter, the person making such entry, or if he or she be dead, his or her heirs or legal representatives shall prove, by two credible witnesses, that he, or she, or they have planted, and for not less than eight years, have cultivated and protected such quantity and character of timber as aforesaid, they shall receive a patent for such quarter-section or legal subdivision of eighty or forty acres of land, or for any fractional quantity of less than forty acres, as herein provided. And in case of the death of a person who has complied with the provisions of this act for the period of three years, his heirs or legal representatives shall have the option to comply with the provisions of this act, and receive, at the expiration of eight years, a patent for one hundred and sixty acres, or receive without delay a patent for forty acres, relinquishing all claim to the remainder.

SEC. 3. That if at any time after the filing of said affidavit, and prior to the issuing of the patent for said land, the claimant shall abandon the land, or fail to do the breaking and planting required by this act, or any part thereof, or shall fail to cultivate, protect and keep in good condition such timber, ther, and in that event, such land shall be subject to entry under the homestead laws, or by some other person under the provisions of this act: *Provided,* that the party making claim to said land, either as a homestead settler or under this act, shall give, at the time of filing his application, such notice to the original claimant as shall be prescribed by the rules established by the Commissioner of the General Land-Office, and the rights of the parties shall be determined as in other contested cases.

[TO BE CONTINUED.]

A Sure Cure for the Piles.

A sure cure for the Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William (an Indian remedy), called Dr. Williams' Indian Ointment. A single box has cured the worst old chronic cases of 25 and 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electuries do more harm than good. Williams' ointment supports the tumors, gives instant and painless relief, and is prepared exclusively for Piles, and nothing else. For certificates of cures and full directions for use, see large circular around each box. Sold by all the leading druggists and country storekeepers everywhere. Ask for Dr. Williams' Indian Ointment and take no substitute.

Consumption can be Cured.

Standard Steam Laundry Office,
Cleveland, O., Oct. 30, 1876.

DR. FRAZIER. Dear Sir: I feel it a duty I owe to suffering humanity to write you, stating the wonderful benefit I have derived from the use of your Life Syrup and Strengthening Root Bitters. For some time I was sorely afflicted with a cough, raising bad stuff, with every symptom of being a confirmed consumptive. I tried different medicines and cures, without finding relief, I also consulted three of our most prominent Cleveland physicians, the last one of which pronounced my case serious and informed me I could not live more than a few months. About this time, hearing of your wonderful success, I commenced taking your Life Syrup for the lungs, in connection with your Root Bitters, and at once was benefited, and after using the medicine some two months I find myself entirely cured. If this statement of my case can be of any service to you in bringing your medicines to the notice of the suffering, my object in writing this note will be attained, for I firmly believe my life has been saved by your treatment.

Signed, TORRENCE DUNN.

Sold by all druggists everywhere. Dr. G. W. Frazier, proprietor, Cleveland, Ohio. Circulars mailed free. d&w

TO CALIFORNIA.

We don't give this for *an fait accompli,* but it is very strongly rumored that Cedar Rapids is to be the *half-way* station between Chicago and Council Bluffs.

If this is to be, and some experiments have been made to that end, we suppose it is on account of the superior condition of the road. A trip on the steel railed and well ballasted road, is not any more now, if as much, wear and, tear on the employes and machinery to a train, from Chicago to Cedar Rapids, 218 miles, as it was on the iron rails from Chicago to Clinton, 138 miles, in the olden time.

It is not necessary for us to say that the C. & N. W. R'y is a first-class road in every particular, that it rides as easy as sitting in a "rocking chair," that its coaches are parlors, that its employes are the most polite and affable gentlemen the traveling public can meet or will meet in a lifetime of travel—the *esprit de corps* of the employes, if we may so say, is at a high standard; we say we need not say this in a newspaper, it is self-evident to every traveler on the road. *But in the future these are to be increased; we suppose the speed will be increased; if possible, the superb trains will be more superb: there is to be no train more complete, either for comfort or safety, leave the world's commercial metropolis for the* GOLDEN GATE, THAN THE GREAT TRAINS ON THE CHICAGO & NORTH-WESTERN RAILWAY—THE ONLY COMPANY RUNNING OUT OF CHICAGO THAT HAS A ROAD SO RELIABLE THAT THEY ARE NOT AFRAID TO RUN AT ANY SPEED CAPABLE OF BEING ATTAINED BY ENGINES OF THE MOST IMPROVED CONSTRUCTION, RUN WITH THE HAND OF IRON NERVE, AND A HEAD OF BRAINS, WITHOUT ANY FEAR OF ACCIDENT OR INCONVENIENCE.

Every employe on the road feels a personal interest in the North-Western Railway; it's the "pet" road in the West, and so far as anything he can do it will continue so to be.

THIS IS THE TRANS-CONTINENTAL LINK FROM THE GREAT LAKES TO THE GREAT MISSOURI RIVER.

The old time traveler speaks in high glee of the "ease and comfort" of these days of steel in contrast with the pioneer days of this pioneer road in the days of iron. *The comforts of travel on the North-Western Railway are in every traveler's mouth from the Atlantic to the Pacific.* It must be a proud compliment to the efficient management, and that is the reason every officer or employe feels so happy and obliging.

It is with pride we mention these things, and join the general shout along the line, Hurrah for the "OLD RELIABLE."—*Cedar Rapids Republican, Aug. 14, 1876.*
