

NEWS NOTES.

During the year 1873, 338 new schools were built in England.

Corn stalks nineteen feet high at Los Angeles.

The silk factories of New Jersey employ 7,000 girls.

Middle Tennessee had rain on the 28th of August for the first time since the 15th of May.

The champion two legged runner of Vermont makes his mile in 5.22.

The Springfield Republican says that great quantities of snuff for dipping are sold in New York.

The Maid of Orleans is to be canonized, so that she will be styled St. Joan of Arc, hereafter.

Thiers is the only venerable public man in France, now that Guizot is gone.

The young ladies of East Tawas, Ill., have organized an amateur base ball club, known as the White Stockings.

Opera glasses in church are decried in Richmond, and just as the new bonnets are coming out, too.

Ex-senator Ross, of Kansas, is now foreman on a Lawrence paper—a position he held eighteen years ago, before embarking in politics.

Mrs. Van Cott says that she does not ask for "ordination," but for simple liberty "to take a text." She can take as many as she likes.

British beer and ale have been pronounced as pure as need be by a Parliamentary committee appointed to make an investigation.

Four bridal dresses for \$4,000; one of them for \$1,800; another, a light blue silk, trimmed with point lace, for \$1,500, at New York.

The Vokes family take their farewell of America on Monday, October 12. Mr. Daly will give them a parting festival matinee at the Fifth Avenue Theatre.

The depredations of river thieves along the Brooklyn shore have become so frequent and extensive that they may be said to constitute a regular business.

The Methodist Recorder, addressing church and congregation, says, "Let your pastor's wife alone." Very good advice these degenerate days.

A Brooklyn Theatre makes the following extraordinary announcement: "Thrilling Execution Scene! A Man Really Hung! For two nights only."

Many of the water power mills in different Eastern States were compelled to stop during the continuance of the drought, but they are all right again.

At Patterson, N. J., nine chickens were hatched out of a nest of eggs that happened to get covered up in a manure heap. The natural warmth of the manure did the business.

The relatives of Captain Ryan, of the *Virginus*, want \$500,000 as compensation for his death. Half a million dollars is better than nothing, but why didn't they put in for his full value?

Mr. Wilson has thoroughly explored the Uncampagne range in despite of the storms, and reports finding coal and rich mines of gold, silver and galena. He is a member of Hayden's expedition.

A French writer in the *Revue des Deux Mondes* says that England is "preparing to give herself up, body and soul, to emotional politics, by opening the electorate to the female sex."

The newspaper interviewer has been plying his vocation so industriously that a reaction has set in and he promises to be thrust out altogether. There is such a thing as being too familiar.

Dr. J. J. Hayes, in a letter to the *New York Tribune*, declares his conviction that an open polar sea can be reached by a steam vessel through Smith sound, and announces his readiness to start on another voyage of exploration when means are forthcoming.

Dr. Petri, of Berlin, has perfected a process for producing odorless blocks of fuel from excrements, which also burn without odor, with a heating effect equal to brown coal, and affording an ash excellent as a phosphatic fertilizer.

A Connecticut lady who wants to know, is informed by the *Woman's Journal* that free love was publicly advocated, as a theory, by the Anabaptists of Munster and other religious fanatics, during the

Protestant Reformation in the sixteenth century.

The *New York Tribune* says, "It is fast becoming a proverb that our police authorities are far more a terror to respectable citizens than to the criminal classes." That's about how it is with many of our federal officials here.

The *American Newspaper Reporter* thinks the printing of the future will be done without types, that the form will be written on a varnished metal plate, and printed by electricity on one side of chemically prepared paper, a hundred thousand copies in the time it now takes to print one copy.

Money is so plentiful and cheap at Chicago that the most conservative loan agents are urging it for loan on mortgage at nine per cent. for a term of years. The cost of building has been reduced thirty-three per cent, good brick is \$6 per 1,000, and brick and mortar laid in wall cost only \$9 per thousand.

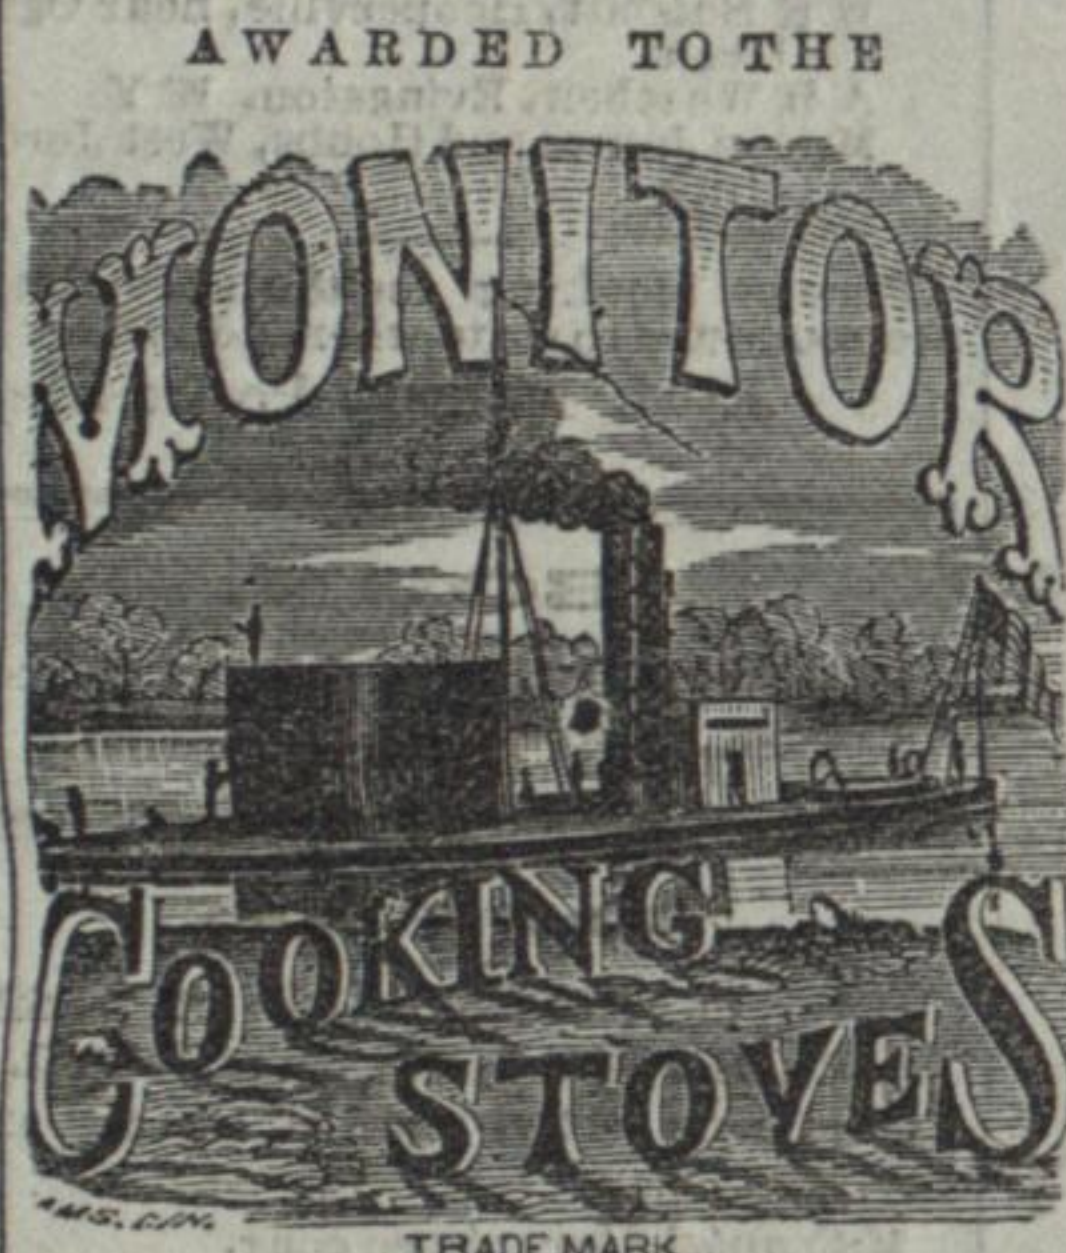

GRAEFENBERG MARSHALL'S UTERIN CATHOLICON.—This world-renowned medicine has performed some of the most startling cures on record of cases of Female complaints of long standing. It has the endorsement of leading members of the faculty, and should be in every household to relieve and permanently cure the diseases to which the female sex are peculiarly liable.

GRAEFENBERG CHILDREN'S PANACEA is the only safe and reliable medicine for children. It is purely vegetable.

GRAEFENBERG VEGETABLE PILLS are milder than any others. They cure Headache, Biliousness and all diseases of digestion.

The above medicines are sold by Zion's Co-operative Mercantile Institution and by all druggists throughout the country. w37 ly

THE ONLY MEDICAL FRIEND,

IN cases of Diarrhea, Dysentery, Cholera Morbus and Cholera, is **Maguire's Benne Plant**, a thirty years' remedy in the Mississippi Valley. The acknowledged specific in 1849 and 1866. Sold by druggists everywhere.

Read the following testimonial from the late Father DeSmet, the great Indian missionary:

St. LOUIS UNIVERSITY,
June 9th, 1872.

Messrs. J. & C. Maguire:

Long experience in the use of your valuable EXTRACT OF BENNE PLANT justifies me in saying that I believe it to be an excellent remedy for any form of bowel affections for which you recommend it. On every occasion when I have given it, I am happy to inform you that it has been successful in affording relief.

Very truly, your friend,
P. J. DESMET, S. J.

From Rt. Rev. Bishop Ryan:

I fully endorse Father DeSmet's testimonial.
