In Express from Salt Lake Cities
With a Train Bear Butte.

BOTH ENGINES DEMOLISHED.

Several Passengers Injured—Conflicting Orders the Cause of the Accident.

PROVO, Utah, Sept. 21.—By a collision between the Union Pacific express from Salt Lake City, and a mixed train on the Montana Union bound for Anaconda, near Bear Butte, four miles west of town, at 11:30 this morning, the engines of both trains, and the express and tender of the Union Pacific were wrecked, and the following passengers hurt:

John Murray, Leadville, Colo., both legs slightly injured.

Dan Green, Leadville, Colo., one leg slightly hurt.

John J. Murphy, Red Cliff, Colo., shot through the right arm.

John C. Morris, injured accidentally to lower part of abdomen.

Charles J. Justice, San Francisco, cut foot severely.

J. H. Elliott, Baker City, Ore., right foot bruised and swollen.

Julius Jacobs, Butte, leg slightly sprained.

These were all passengers.

M. M. Thompson, engineer, had a slight sprain of the left knee, and was bruised on the left leg.

A. H. Jones, mail clerk, had a fractured right forearm and hand bones.

All the injured were on the Union Pacific express when the mixed train from Salt Lake City, from Silver Bow junction into Butte. The passengers east were all in the smoker, which was telegraphed for a third of its length by the express east.

The express is attributed to a conductor's error. The trains were to have passed at Silver Bow Junction, it is said the dispatcher subsequently released the Union Pacific and failed to change the orders to the mixed train.

TRAGEDY'S SITUATION.

A Democratic Nominee for the Gold Standard.

ALBANY, N. Y., Sept. 22.—By making an official statement on behalf of his position upon the financial question, and by declaring in that statement that he is unwilling to do so, John Boyd Thacher, the candidate for Governor of New York, has become one of the most curious situations ever known in the politics of this state.

The statement was issued after a meeting of the state convention at Albany, G. Danforth, who was at once and still is, Mr. Thacher's opponent in this county. It was addressed to the chairman of the state committee, and was signed by Thacher, as appears by Senator Hall, William F. Brewster and others not in attendance at the state convention, and is intended to throw some light upon the true situation.

Thacher's statement reads as follows:

"I am in favor of the gold standard, and I am in favor of the Democratic party. I am in favor of the gold standard, and I am in favor of the Democratic party. I am in favor of the gold standard, and I am in favor of the Democratic party."

W. G. SMITH, Secretary.
