

## SPECIAL BUSINESS NOTICES.

READ advt. of valuable real estate for sale at Plain City.

THE reason of the great success that has ever attended George Dunford, the Prince of Hatters, is that he understands the minutiae of the hat trade, and no person can sell him a hat for genuine hats, and the people are not slow to find out that fact.

AN EXPERT.—Dr. Price is well known as an expert in the study of Culinary Chemistry, and all of the manufacturers of Steele & Price are the result of his researches. One of these discoveries is the Cream Baking Powder, which is a light, sweet, white, cake, &c., at all times a certainty. The market is flooded with cheap inferior baking powders, and adulteration is so extensively practiced, that the Cream Baking Powder does the work with two-thirds of the quantity required of any other kind. In view of such cheap impositions, the public are advised to ask for these pure and excellent articles, if they cannot be obtained of one grocer may be of another. The purer the articles that compose our daily food the better they are for health. Dr. Price's True Flavoring Extracts are really delicious.

THE young man, whose dear Dulcinea sat down on his stove pipe hat, need not commit suicide, as our Practical Hatter can fit it as good as new.

GEORGE DUNFORD.
