Bowman, in which Mr. Snow is disbarred from the practise of law in this state for a period of 60 days on account of certain scurrilous charges made by him against Justice Bartch of the supreme court, in his answer filed in the suit of C. D. Morrison vs the Morrison Mining company and Alviras E. Snow et al, defendants. The charges against the other two attorneys, who appeared on behalf of Mr. Snow in connection with the case, were dismissed. TOUCHING ADDRESSES MADE.

Progress of Sunday School Work In Recent Years Has Been Very Marked-Resolutions Adopted.

What may be the final meeting of the present Sunday School Union of the Salt Lake Stake of Zion was well attended last night by very creditable representations from the several schools, all save the Sixteenth ward branch and North Point responding to roll call.

The meeting was presided over by Supt. Burrows and assistants, and all other members of the board save one were in attendance. The opening song was, "Improve the Shining Moments,"

and prayer was offered by Supt. Richard Chamberlain of the Eighth ward. 'Hark, listen to the trumpeters," was iext sung. Supt. Burrows briefly commented on the success of the recent conven-

tion, thanking the officers and teachers for their co-operation and the liberal response to requests for entertainment. He said the valuable instructions given should be remembered, and that those not subscribing for the Juvenile should do so in order to secure the papers, many of which are to be published in its columns.

FAREWELL ADDRESS.

With reference to the proposed di-vision of the stake Supt. Burrows said the present session would, in all probability, be the last, and offered fitting and encouraging remarks. H said his connection with the stake Sunday school work represented a most happy period of his life. It was, to him, an exalted and noble calling, an l he hoped that in separating, all would carry to their new fields of labor the enthusiasm and earnestness that had characterized their efforts in the Salt Lake Stake of Zion. The speaker said he appreciated the earnest co-opera-tion of his assistants, the board members and the superintendents, officers and teachers generally. They had enloyed many happy times together and hoped that their labors would prove as bread cast upon the waters. speaker made reference to the growth and advancement of the work in recent

years, and its general importance. Asst. Supt. Willard C. Burton also expressed great pleasure in the asso-clation of his co-laborers in the Sunlay school work. He spoke of his long association with the various superintendents of the original, as well as present Salt Lake stake, and pleasant experiences in traveling among the many and scattered schools. He said he considered the division in 1900 timely; that Zion is growing and consequently division again is the proper move, and closed by thanking the officers and teachers for the support given the stake board. Asst. Supt. Chas. B. Felt next expressed his appreciation of the efforts pressed his appreciation of the choics put forth by the local workers in the interest of the Sunday school cause. He spoke of the great good that has been accomplished, and briefly compared the condition of today with that of but a very few years back; the changes are very great and as a result the schools show marked improvement. The universal movement is onward and upward. Said the speaker: "There are fields yet untrod which must be reached. The possibilities of the Sunreached. day school are great in that in its scope we have both the young and the old, and though every effort is put forth, we can not exhaust the possibilities for good. The Sabbath school worker should never weary in well doing, and mean feel mithed her we here fields never feel satisfied lest we leave fields untouched."

LEGALIZING GAMBLING.

Hobday Introduces Ordinance for Licensing Pool Rooms and Bucket Shops.

The license committee of the city council held a special meeting yesterday afetrnoon to consider an ordinance submitted by Hobday providing for the licensing of turf exchanges, bucket shops, pool rooms and bookmakers. Mr. W. W. Prickett, Smithfield, Ills., writes, Sept. 10th, 1901: "I had been suffering several years with a carcer on my face, which gave me great annoy. ance and unbearable itcihng. I was using Bailard's Snow Liniment for a sore leg, and through an accident, I rubbed some of the liniment on the cancer, and as it gave me almost instant relief.
