HOUSEWIFE MORE BEAUTIFUL THAN SOCIETY WOMEN  
"Beauty to me is muscle-deep and spirit-wide. The sovereign type of beauty in America is produced by the middle classes.  
"The society woman—over-developed, cultivated, blasé—is an extreme type. Just as her sister of the slums is an extreme type neglected, underfed womanhood. Neither is picturesque, although there are exceptions to the rule.  
"There is beauty only in spirit and in muscle. As to the heroic Boadicea who wielded a club, her arms may be red from scrubbing and her hands large, but yet the rugged beauty of her outline is more of an inspiration than the acquired outlines of the tightly-laced 'Venus Anno Domini' of the crowded hotel.  
"Rubenstein was inspired in Switzerland to write the melody to which he applied Holbein's poem, 'Thou Art So Like a Flower,' by a typical house-girl, who, when she bent over the fire-place to cook the coffee her hospitality had prompted for the composer, was of the proportions that suggested work in the fields. Motherhood.  
"It's sad, but I'm afraid it's true, that husband's are brutes," cried Fay Templeton. "Just heard a very sad story of the husband of a young friend of mine.  
"For a year they've had a honeymoon without a fly in the honey pot. But the other morning the young wife came down to breakfast with swollen eyelids and without a smile. She wouldn't tell her husband about it, either, but pouted and sulked.  
"Finally, though, the young man insisting that he be told why his wife was treating him so badly, she looked up with tears in her eyes and said: 'John Smith, if I dream again that you have kissed another woman, I won't speak to you again as long as I live.'—(Young's Magazine.)  
"TOOK OFF HIS BOOTS.  
"Father—I can't live with your mother any longer; I am going to drown myself.  
"Son—But why do you take off your boots, father?  
"Father—Because they would hinder me from swimming.  
"Orino Laxative Fruit Syrup is best for women and children. Its mild action and pleasant taste makes it preferable to violent purgatives, such as pills, cathartics, etc. Get the booklet and a sample of Orino at F. J. Hill Drug Co., "The Never Substitutes," Salt Lake City.
