

# "PEANUTS" PRIZE RING GOSSIP

Eyes of the Sporting World Centered on Tonopah Today.

HERMAN-GANS BATTLE IS ON.  
Ghetto Boy Clever and Strong and Therefore Has Chance to Win—Conditions Bad for Promoters.

The eyes of the entire sporting world are today focused on a little Nevada town named Tonopah. The main attraction ushering in the new year, 1907 is a fight for the championship of the world in the lightweight division of the Queensbury game, and Joe Gans, colored champion, and Kid Herman, of Chicago, are the principal parties to the transaction. The contest has attracted widespread interest but nothing to compare to the wonderful contest between Battling Nelson and the dusky champion.

GOOD FOR GANS.  
The conditions of today's contest are not exactly the same as those which prevailed in the Goldenfield affairs. Instead of having the worst of the arrangement, Gans has the better of them. He did not have to weigh three or four times of his weight, as in the case of Nelson. He has the punch and does not have to give a big bonus.

NOT GOOD FOR PROMOTERS.  
According to reports received here today from the seat of war, the general conditions are anything but favorable from the promoter's viewpoint. The contest does not draw as well as advertised. It is not likely to draw so well as advertised. It is not likely to draw so well as advertised. It is not likely to draw so well as advertised.

MEN IN CONDITION.  
That both men are trained to the minute for the fight there can be no doubt. Each appears to be in the condition of a champion. Each appears to be in the condition of a champion. Each appears to be in the condition of a champion.

HERMAN HAS A CHANCE.  
In going against Herman he meets a tough proposition. A fighter who has been victorious in every fight since he was a boy. A fighter who has been victorious in every fight since he was a boy.

PURSE OF \$30,000.  
The contest is for a purse of \$30,000, of which the winner will receive 75 per cent and the loser 25 per cent. The contest is for a purse of \$30,000, of which the winner will receive 75 per cent and the loser 25 per cent.

# Piles Can Be Cured

Twenty-three Years of Agony With Piles Before Using Pyramid Pile Cure. Trial Package Free.

We offer to every pile sufferer a free trial package of the wonderful Pyramid Pile Cure to prove the genuineness of our claim.  
If you tried a so-called "cure for piles" and it did not relieve you, you can conceive of anything that would more surely prejudice you against it? We know this and yet we are glad to place our remedy on trial because we know what it will do and we know also that we are running no risk of failure to relieve. Read how grateful this sufferer is to the Pyramid Pile Cure after undergoing every torture with piles.

"This is to certify that I have used three 50c boxes of Pyramid Pile Cure and it has benefited me more than any other medicine I have ever used. I had almost lost all hope of ever getting any remedy that would help me until I tried Pyramid Pile Cure. I believe they will entirely cure me if I continue their use, which I intend doing so long as I can get money to pay for them. I do not think anyone ever suffered very much more than I have at times. Then I would be so nervous I could not get any sleep in any position I could place myself.

I cannot express my gratitude for the good your medicine has done me. I will continue to tell my friends of their merit. Yours, Emma Bodenhamer, Bedford, Ind."

If you are suffering from piles we make no charge for a trial package of the Pyramid Pile Cure. This sample will relieve the itching, soothe the inflamed membrane and start you on the way to health. After you have used the sample go to the druggist for a 50c box of the remedy, which contains superlatives just like the sample we are sending you. Write today and relieve your suffering. It costs you nothing. Pyramid Pile Cure, 15 Pyramid Bldg., Marshall, Mich.

CHANCE FOR HYLAND.  
Promised Fight With Winner of Today's Battle by Morris Levy.  
"Fighting Dick" Hyland, the clever and popular light fighter, who is now in the city with his manager, "Red" Sammy McIntire, has been challenged to a fight for the lightweight championship of the world, according to the promise made him yesterday afternoon by Morris Levy, the San Francisco fight promoter who is on his way to the coast.

Levy told Mr. McIntire he would give Dick a chance if the winner would agree to meet Hyland. Otherwise, he would secure Britt as Hyland's next opponent.

WORLD'S CHAMPION JOCKEY.  
Youngster of 16 is on His Way and Commands Big Salary.  
It's a far cry from a little stable lad at \$10 a week to a jockey commanding a salary of \$2,000 a year, but Joe Notter, a Brooklyn lad, sixteen years old, has spanned this gulf inside of four months.

Notter is a native of Brooklyn, and now lives in a fine home in one of the best residential sections of King county, a New York suburb.  
He is a chubby lad, not ninety-five pounds. He is a chubby lad, not ninety-five pounds. He is a chubby lad, not ninety-five pounds.

McGinnis, a clever horseman by observation, found in the young Brooklyn lad an apt pupil. Notter made few mistakes and was quick to rectify any error. His one great fault was that of being too impatient to wait for his horse to turn and race his horse too far on the outside, but he is improving rapidly.

Notter is considered by many horsemen as the lad who is destined to play the part of a champion. He is a young man, only 19 years of age, but he has already won several races. He is a young man, only 19 years of age, but he has already won several races.

STUDENTS' ART LEAGUE.  
Complaint Against Bookkeeper, Miss Anna Robinson, is Dismissed.  
New York, Dec. 31.—The complaint against Miss Anna Robinson, bookkeeper for the Art Student's league, who was arrested several weeks ago after Anthony Comstock had raided the offices of the league and seized thousands of the catalogue, was dismissed by the court of special session today.

The action was taken upon the motion of an assistant district attorney, who informed the court that Miss Robinson was in no way accountable for the making-up of the catalogues and that she had merely to distribute the book. He further said that the officers of the Art Student's league, who had caused the publication of the pictures, had offered to submit themselves and shoulder the responsibility. They, however, contented that the pictures, in view of their artistic purpose, the intention to distribute them in art circles only, are in no wise a violation of the law.

The assistant district attorney added that the magazines had been supplied by new catalogues, therefore the question of their conformity with legal standards had become purely academic.

COUNTY ASSESSOR WAYLAD.  
J. W. Coulter, of Lehigh, S. D., Assessor of Stanley County, relates the following: "I was waylaid by a complication of throat and lung troubles, bronchitis, asthma and a terrible cough which had affected me for years, when I was persuaded to try Dr. King's New Discovery. Relief came almost immediately, and in a short time a permanent cure resulted. No other medicine compares with it as a sure and quick cure for coughs and colds. It cures after all other remedies have failed. Every bottle of King's New Discovery, Druggist, 112-114 South Main Street, Price 50c and \$1.00. Trial bottle free."

# NEW YEAR GETS NOISY WELCOME

Natal Day of 1907 Ushered in With Loud and Prolonged Acclaim.

EVERYBODY IS CELEBRATING.  
Clubs and Various Institutions Hold Open House—Good and Varied Program at Y. M. C. A.

Happy New Year! Boom! Bang! Whirr-r-r-r!  
With greetings and noise the New Year was ushered in and the old year given a hearty farewell last night. Just a few minutes before midnight the boom of guns, screech of whistles and cries of wide-awake Salt Larks commenced. The din lasted several minutes.

It was an enthusiastic reception to the New Year; a noisy, gladsome outburst. Engineers sitting in their cabs in the railroad yards pulled open the valves. Dignified citizens shot holes in the darkness above with seldom-used revolvers. The ever-present mail boy was up and around creating his usual quota of noise with the aid of stick and pan, left-over fire crackers, and his generous supply of voice. Just outside the residence section of town his salutes were fired precisely at the hour of 12. The city seemed the scene of a mighty battle at 12 o'clock. It was battle-like in noise alone, but the New Year, a good-bye to the old.

Many celebrators remained down town until after midnight. Others were present at watching parties around the city. Still others went from house to house stopping just long enough at each home to exchange well wishes. Phils Congregational and a number of other churches held special prayer services until midnight. The different playhouses were crowded earlier in the evening.

OPEN HOUSE TODAY.  
All clubs are holding "open house" today. The Alta, Commercial and University clubs will serve punch and lunch to their members who will gather during the day to exchange of well wishes. Governor Cutler will hold open house from 2 o'clock until 7 this afternoon for the reception of state officials, members of his staff, other officers of the state, and friends. A number of other events are scheduled. The theatres will have special programs. All in all it will be a day of general jubilation, raising the good feeling. Places of business and offices are closed.

AT THE Y. M. C. A.  
The Y. M. C. A. is keeping open house to members and friends. A program of events was commenced at 10 o'clock this morning. This program follows:  
10 a. m.—Open basketball games.  
10:30 a. m.—Moving picture entertainment for boys in the auditorium.  
Noon—Basketball game: First Congregationalists vs First Presbyterian churches.  
1:30 p. m.—Newsboys' dinner, arranged by women of the club. W. I. Igheheart will deliver a short talk to the boys.  
2 p. m.—Indoor baseball game, Alpha vs Senior class, Y. M. C. A.  
3 p. m.—Business men, Y. M. C. A. vs executive force, Y. M. C. A. basketball game.  
4:30 p. m.—Exhibition wrestling match, J. L. Gorardien, formerly champion of Canada and M. Yokel, formerly lightweight champion of the United States.  
5 p. m.—Meeting of salesmen and merchants in clubroom. Address by Charles N. Crowdon of Chicago. Water polo and swimming races in the Natatorium.  
6:30 p. m.—Reception by the management of the Y. M. C. A. (the building will be opened from bachelor quarters to Natatorium).  
8 p. m.—Musical program in auditorium by Y. M. C. A. orchestra. Ice cream, assisted by Miss Millie Williams. Moving pictures during intermissions.

HYATT'S NEW YEAR GIFT.  
True to his promise yesterday Dr. Hyatt had a package of snowmelt on hand this morning and today looks something like an old fashioned New Year's day.

Holiday hours are being observed at the postoffice. The money order and carriers' windows are closed. The box, inquiry, general delivery, traveling stamp and registry windows closed at 1 o'clock. One morning delivery was made this morning. Hotel delivery and collection will be made at 9 o'clock this evening.

CARRIE NATION certainly smashed a hole in the barroom of Kansas, but Ballard's Horehound Syrup has smashed all records as a cure for coughs, Bronchitis, Influenza, and all Pulmonary diseases. T. H. WEAK KIDNEYS MAKE WEAK BODIES.  
Kidney Diseases Cause Half the Common Aches and Pains of Salt Lake City People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-down.  
Overwork, strains, colds and other causes inflame the kidneys, and when their activity is lessened the whole body suffers from the excess of urine poison circulated in the blood.  
Aches and pains and languor and urinary ills come, and there is an ever increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney pills.  
Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. Salt Lake City cures are the proof.  
Mrs. M. Kelley, of 463 South First Street, Salt Lake City, Utah, says: "Doan's Kidney Pills have been used in our family for kidney troubles again and again. We have great faith in this remedy and it has never once failed us. It is hardly necessary to go into any further particulars, but my advice to anyone suffering from kidney complaint would be to get Doan's Kidney Pills at Dr. F. J. Hill Drug Co. store and give the remedy a fair test."

WEAK KIDNEYS MAKE WEAK BODIES.  
Kidney Diseases Cause Half the Common Aches and Pains of Salt Lake City People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-down.  
Overwork, strains, colds and other causes inflame the kidneys, and when their activity is lessened the whole body suffers from the excess of urine poison circulated in the blood.  
Aches and pains and languor and urinary ills come, and there is an ever increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney pills.  
Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. Salt Lake City cures are the proof.  
Mrs. M. Kelley, of 463 South First Street, Salt Lake City, Utah, says: "Doan's Kidney Pills have been used in our family for kidney troubles again and again. We have great faith in this remedy and it has never once failed us. It is hardly necessary to go into any further particulars, but my advice to anyone suffering from kidney complaint would be to get Doan's Kidney Pills at Dr. F. J. Hill Drug Co. store and give the remedy a fair test."
